

Personalisation & Direct Payments Strategy

Our Priorities...

-  Improve how personalisation is approached, and delivered, in Sheffield for people who use social care, and for the social care staff and workforce that supports them.
-  Work collaboratively with people who access social care, their representatives, staff, and partners to deliver our strategy for personalisation together.
-  Develop vibrant and diverse support options including a community of providers and a Personal Assistants workforce which offers personalised and responsive solutions for the people of Sheffield.
-  Build a strong, sustainable infrastructure for people to access or buy the right support for them and develop other approaches that offer people the level of choice and control that suits them.
-  Develop practice that promotes personalisation, which underpins the values and duties within the Care Act (2014) and provide ongoing support, advice and learning to champion and deliver personalisation.
