

## **Dangerous Wild Animal Licence Conditions**

- 1) No dangerous wild animals other than the animals specified in the special conditions attached to the licence may be kept.
- 2) Whilst any animal is being kept under the authority of this licence:
  - a) No person other than the person specified in the licence shall keep the animal.
  - b) The animal shall normally be held at such premises as are specified in the licence.
  - c) The animal shall not be removed from those premises except with the consent in writing of Sheffield City Council and subject to conditions as may be specified in the consent. The only exception to this rule is when the animal is in need of emergency veterinary attention and the treatment cannot be carried out at the premises. The animal must be transported in a vehicle suitable for the purpose.
  - d) The licensee shall at all times hold a current insurance policy, which insures him/her, to keep the animal under the authority of the licence against liability for any loss, damage or injury which may be caused, by the animal.
  - e) The terms of such policy shall be satisfactory in the opinion of the Council.
- 3) The Licensee shall at all reasonable times make available a copy of the license to any authorised officer and / or any person entitled to keep any animal under the authority of a licence.
- 4) The animal/s referred to in the licence must at all times:
  - a) Be held in accommodation which:
    - i) Ensures that the animal/s will not escape.
    - ii) Is suitable as regards construction, size, temperature, lighting, ventilation, drainage and cleanliness.
    - iii) Is suitable for the number of animals proposed to be kept in the accommodation.
    - iv) Is established and maintained to the satisfaction of the Council; and
  - b) Be supplied with adequate and suitable food, drink and bedding material and be visited at suitable intervals.
- 5) Appropriate steps must at all times be taken for the protection of the animal/s referred to in the licence in the case of fire or other emergency. This includes the provision of suitable containment facilities for removal in case of fire.
- 6) All reasonable precautions must be taken at all times to control and prevent the spreads of infectious or contagious disease.
- 7) Whilst the animal/s referred to in the licence is at the premises where it will normally be held, its accommodation must be such that it can take adequate exercise. Should the animal be disposed of in any way or removed from the premises, during the term of this licence, you must immediately notify Sheffield City Council of its whereabouts.
