### Introduction

This booklet lists sources available within Sheffield Libraries Archives and Information for the study of the history of Sheffield Castle. It is not a detailed history of the castle rather it points the reader who wishes to carry out their own research to what is available within Sheffield Libraries and Archives.

Sheffield's Castle stood on the site now occupied by Castle House and the Castle Markets for about 500 years until its demolition in 1648 after the Civil War. There is a wide range of material available, from deeds and other legal documents in the 14<sup>th</sup> century through to archaeological surveys in the late 20<sup>th</sup> century.

## Timeline showing key dates

### **Adding to our collections**

Sheffield Libraries and Archives seeks to preserve information about events in our city's history. If you have photographs or personal papers that may be worth preserving please consider safeguarding them for current and future generations by placing them in the care of Sheffield Libraries and Archives. It is only through the generosity of individuals and organisations that we are able to have a complete record of important events in the history of Sheffield and the nation. We are interested in photographs, flyers and posters, minutes of meetings etc. For advice on record keeping and the facilities we offer please contact us ([archives@sheffield.gov.uk](mailto:archives@sheffield.gov.uk) or 0114 203 9395).
