There will also be opportunities to meet with the team for tutorials and to discuss progress of your workbook which will be compulsory to attend as part of your training.

The deadline date for handing in completed workbooks is Tuesday 30th April 2019

There will also be a professional discussion which takes between 30-60 minutes following completion of workbooks.

In addition to the above training we will give you information on arranging a dba which you make an appointment for and attend.

Lunch is **not** provided on the training days and cannot be claimed back as part of your expenses. You can either bring your own lunch or alternatively you can access other places for food within a couple of minutes' walk.
