Introduction

Your child will be starting school. It is natural that you may find this an anxious time, as you will want to make the right decision in the best interests of your child.

This guide applies to all Community, Voluntary Controlled and Voluntary Aided schools in Sheffield, Academies and Broomhill Infant (Foundation) School. It is designed to explain the procedures for applying for a Reception place for your child.

Please read the guide, so that you understand what will be happening and when. If you are unsure about any part of the process, there are several places you can ask for help. These are listed in the guide. You can contact the Primary Admissions Team on 0114 273 5766. For more information about how to contact the team, see page 108.

Making an application for a school place

Admissions – Top Tips

A high number of parents are offered a place at one of their preferred primary schools. To help you through the system we have produced the following top tips as a result of experience in previous years:

1. You complete a Common Application Form (CAF)

If you do not complete a form or apply online you will not be offered a place at a Sheffield School. Places are not “reserved” at your catchment area school. If you do not make an application, you will not be offered a place.

2. Complete the Form by 15 January 2020

If you apply late, your application will be considered after all others so you will have less chance of obtaining a place at your preferred school. See page 105 for how late applications are processed.

3. Be realistic in expressing your preferences

You are free to apply for whichever school(s) you wish. You are strongly advised to read the information in this booklet. You need to work out where you are on the list of priorities for entry for each school you wish to consider. The Admissions team can help you with this. Please make informed choices.

4. Remember, whilst you can apply for any school, that does not mean that your child will receive a place there

If a school is oversubscribed we have to apply the oversubscription criteria which are provided on page 7 of this

booklet. These criteria determine which children have priority for admission, please read and understand them. If you are applying for a Church Aided or Foundation School their criteria are also contained in the booklet.

5. Make sure you know who is making the decision about admissions

For Community and Voluntary Controlled Schools the City Council makes the decision. For Voluntary (Church Aided), Foundation Schools and Academies it is the Governing Body.

6. Consider your options carefully

The Authority cannot advise you to apply for your catchment area school. It can however advise you of the possible outcomes if you do not. If you do not include your catchment area school as one of your preferences and you are unsuccessful in obtaining a place at another school, you will not automatically be offered a place there.

If for example your catchment area school has become full with pupils whose parents applied there, you may be offered the nearest school to your home address that has available places. This may be some distance away. You may therefore want to consider applying for your catchment school as your second or third preference. The Authority does not guarantee places to catchment children.

7. Select three different schools

You are strongly advised to use all three preferences. Selecting a second and third preference does not weaken your first preference, it does however give you a possible fall back position if your first

preference is unsuccessful. Do not select the same school twice, it will not increase your chances.

8. Consider your ranking carefully

You will be offered a place at your highest ranked school with available places. If you are eligible for all three schools you will be offered the first ranked school. It is important therefore that you rank your schools carefully.

9. Previous years provide no guarantee

If any of your other children or neighbours obtained places at a school in previous years, that is no guarantee that the same outcome will occur for the year you are applying to. This can be affected by the number of children in the cohort and by application patterns in any given year.

10. Provide any additional information

You are responsible for providing supporting information for your application. This may include factors such as medical information from a relevant professional, family circumstances or any other factors that are relevant to you. There are no rules on this matter, if you think it is important include it in your application. See page 8 for more advice about tie breakers and providing information to support your application and how the Admission Committee will consider it.

11. We use a straight line measurement as a tie-breaker

We do not use bus routes or walking routes. This may change the school that you consider to be your nearest.

12. Keep all correspondence

Keep all letters you receive in relation to your application as you may need them at a later appeal.

13. Finally – ASK!

Our experienced team of Officers are here to help you. We know what an

important time this is and we want you to obtain a place at your preferred school. Contact details are provided on page 105.

Frequently Asked Questions

1. Is a place reserved for me at my catchment area school?

No, it is unlawful to reserve places. If you do not apply for your catchment school as one of your 3 preferences you have less chance of being offered a place there.

2. Am I guaranteed a place at my catchment school if I apply there?

No, places cannot be guaranteed even for catchment area residents. If we receive more applications than places, the oversubscription criteria and distance from home to school will be used as a tie-breaker.

3. Do I have a better chance by applying early?

No, all applications received up to the closing date will be considered equally.

4. What happens if my application is late?

You have less chance of receiving a place at one of the schools that you have applied for. For information on how the authority will deal with late applications, please see page 105.

5. Am I guaranteed a place at a primary school if I have another child there?

No, again there are no guarantees. Outcomes will depend on the number of applications received. Parents need to consider this carefully before making a preference.

6. Can I apply for just one school?

Yes you can but you are strongly advised to submit 3 preferences.

7. What if the school is oversubscribed?

If more applications are received than there are places we will prioritise places in the following order:

1. Children in Care or previously in Care
2. Catchment Area with Sibling
3. Catchment Area
4. Siblings of children previously refused a place at their catchment school
5. Siblings
6. Other applications

Church schools will apply their own criteria.

8. What happens if I am not offered a place at my first preference?

We will consider your second and third preferences and if possible offer a place at one of these. You will be placed on a waiting list for any higher ranked school where you have been refused a place.

9. What happens if I am offered none of my three preferences?

You will be offered a place at the nearest school to your home address that has available places. This may or may not be your catchment area school. You will be placed on the waiting list for any school for which you are refused admission for.

10. How does the waiting list work?

The waiting list starts on 16 April 2020 following allocation. Your position on the waiting list depends on the admission category you fall into, i.e. a “Sibling” category applicant will be higher than a “Other” category applicant.

The waiting list must be prioritised by admission category and not by the length of time spent on it. A late catchment area applicant will therefore automatically

be placed above a “Sibling” category applicant.

The waiting list is maintained until the end of the summer term 2021. If a place becomes available at a school it will be offered to the first pupil on the list.

11. How does the appeal process work?

You have an automatic right of appeal for any school for which you are refused admission. The appeal panel is independent of the Local Authority and has the authority to offer a place at a school that is “full”. You will be notified of the appeal process if you are refused admission at any of your preferred schools.

12. If I appeal will I lose the place currently allocated to me?

No, a place at your allocated school will remain unless you secure a place elsewhere.

13. When and where are appeals heard?

If you appeal on time, appeals are normally heard in June and July. Appeals for Sheffield Schools are held at the Town Hall in the City Centre. You will receive further details if you appeal.

14. Where can I obtain further information?

There is a great deal of information available on the process and on individual schools, these are just a few examples:

1. Sheffield Local Authority Admissions website
<http://www.sheffield.gov.uk/pupiladmissions>
2. Advisory Centre for Education (Independent)
<http://www.ace-ed.org.uk>
Telephone 020 7704 3370
3. OFSTED (School Inspections)
<http://www.ofsted.gov.uk>

Eligibility for a School Place

Where the Admissions Authority receives more applications than there are places at a school, it must have criteria for prioritising the applications to determine which applicants will be eligible for a school place. These are known as oversubscription criteria.

Oversubscription Criteria

(for sheffield community, voluntary controlled schools and Academies)

The following oversubscription criteria confirm the priorities for admission to Sheffield Community and Voluntary Controlled Primary Schools and Academies, (for details of the oversubscription criteria for Voluntary Aided Schools, please see **pages 32 to 102**).

For Broomhill Infant Foundation School see **page 100**.

Special Educational Needs

Any child that has an Education Health Care Plan (EHCP) that names a specific school must be offered a place there. The following oversubscription criteria outline the priorities for admission to Sheffield Community Schools, Voluntary Controlled Schools and Academies.

1 - CHILDREN IN CARE OR PREVIOUSLY IN CARE

Pupils who are in Care or who were previously in Care will be admitted to the school. Children who were previously in Care are children who were in care but ceased to be so because they were adopted or became subject of a child arrangement or special guardianship

order **immediately** following being in Care

2 - CATCHMENT AREA & SIBLING

Children who live in the catchment area at the latest date for receiving applications **and** who will have siblings attending the preferred school or linked Junior School (see 5 for further definition of sibling).

3 - CATCHMENT AREA

Children living in the catchment area for the preferred school that do not have a sibling attending, will be considered next.

Catchment areas can be checked at www.sheffield.gov.uk/pupiladmissions

4 - BROTHERS AND SISTERS OF CHILDREN REFUSED A PLACE AT THEIR CATCHMENT SCHOOL

In circumstances where, in previous years, parents had applied on time but been refused a place at their catchment school for older siblings and allocated a place at a non-catchment school, any younger sibling will be afforded priority sibling status. This will only apply where allocated a preference ranked lower than the catchment school or allocated the nearest school available.

5 - BROTHERS OR SISTERS

A sibling is defined as a child who permanently or usually lives at the same address as:-

- a brother and/or sister
- a stepbrother and/or a stepsister (to include half brothers/sisters)

and in both cases will attend or has been allocated the preferred or linked school at the point of entry. In addition where the requested school is an infant school, the attendance of an older sibling at the linked junior school will be included.

6 - OTHER APPLICATIONS

Any child who does not fit into one of the above categories will be considered next. Places will be allocated up to the published indicated admission number.

TIE BREAKERS

Where the admission number is reached mid admission category there are two stages of further consideration:

- Where exceptional medical, social or special educational needs are demonstrated by supporting evidence from a professional an application may be prioritised by the Admissions Committee but only within the same admission category (please see the detailed explanation of how the Admissions Committee operates).

If you feel you have exceptional circumstances you should provide full details and supporting third party evidence. For **example**, if your reasons relate to a medical condition of you or your child, you should support your explanation with a letter from a relevant medical professional.

- If there are no exceptional circumstances, all other applications will be prioritised first by the admission category and then by distance from the home address to a designated point at the school building. This is a straight-line measurement from the school to the house.

TWINS AND MULTIPLE BIRTHS

In circumstances where there is one place remaining and the next eligible children are twins or multiple birth, the Local Authority may make an exception and allocate above the admission number.

The Authority cannot guarantee that other siblings of multiple birth families will automatically follow if one is offered a place through normal arrangements.

CHILDREN LIVING EQUAL DISTANCE FROM THE SCHOOL

In circumstances where two or more children live at addresses that are equidistant from the school the process of Random Allocation will take place.

The Random Allocation will:

- (i) be independently supervised by a representative of the Legal and Governance Department;

Admissions Committee

Applications for oversubscribed schools will be considered against the oversubscription criteria described above.

Only where parents provide additional third party evidence from a professional to support their application, will it be submitted to the Admission Committee which may consider giving priority within category if it is satisfied that circumstances are exceptional.

If supporting information from a professional is **not** provided then distance from home to school will be used as a tie-breaker. (This process is undertaken before the national offer date of 16 April 2020).

The Admissions Committee consists of Elected Members who have delegated authority to make admission decisions on behalf of Sheffield City Council.

When will the process start?

October 2019

If you live in Sheffield you will receive a leaflet and covering letter explaining how to apply for a school place.

15 January 2020

Closing date for returning your completed application

16 April 2020

Offer Date

What decisions do I have to make?

You must decide which school(s) you wish to apply for. If you do not express your preferences online, or submit an application, the pupils of parents who do, will be considered before your child.

If your child has special educational needs and you would like advice about how this affects your preferences,

please contact the SEN Team on 0114 273 6394.

What happens next?

The Primary Admissions Team will aim to acknowledge your application form and telephone application within three weeks of receiving it. If you do not receive an acknowledgement within this time you should contact The Primary Admissions Team.

On 16 April 2020, a letter will be sent to your home address. You will be informed of your single allocated school place. This may or may not be one of your three preferences.

To find out how the Authority allocates school places see page 8 which explains Sheffield Authority's oversubscription criteria. Page 114 explains the co-ordinated admission scheme. For information about the oversubscription criteria for Voluntary Aided and Foundation schools in Sheffield, see pages 32 to 100.

What happens if I change my mind about the preferences I have made?

If you change your mind before the closing date of 15 January 2020.

- Write to Primary Admissions confirming your new preferences, the ranked order and supporting reasons.

If you submit a change of preferences the Authority will disregard all previous applications. The Authority will only process one common application per pupil at any given time.

Applications and changes received up to 31 January 2020, will be processed and receive an outcome which will be communicated to parents on 16 April 2020.

All other applications/changes received after 31 January 2020 will be treated as late and dealt with as described on page 105.

Fraudulent Applications

The City Council makes every effort to ensure that all school places are allocated in strict accordance with its published admission arrangements.

The Authority takes the issue of fraudulent application very seriously. If the Authority receives any information alleging that an application has been made fraudulently it will require parents to provide at least two forms of proof to confirm the address.

Where the Authority has made an offer of a place at a school on the basis of fraudulent or intentionally misleading information, which has effectively denied a place to a child with a higher right of entry, it will be withdrawn.

If the Authority withdraws a place on the above grounds you will be offered a place at another school and notified of your right of appeal.

All allocations made in error will also be withdrawn.

Transfer from Separate Infant to Junior Schools

This section provides information about the transfer from separate infant to junior schools, specifically Nether Green Junior School. You should consider this information if you are thinking of applying to Broomhill or Nether Green.

Nether Green Infant/ Broomhill Infant and Nether Green Junior School

The Independent Government Appointed School's Adjudicator awarded Broomhill Infant (Foundation) School linked feeder status with Nether Green Junior School with effect from September 2003. The decision means that all applicants for Nether Green Junior who attend either Broomhill Infant or Nether Green Infant schools will be afforded "designated feeder" status in accordance with Sheffield's approved admission criteria. For further explanation of the criteria, please contact Primary Admissions on 0114 273 5766.

Designated feeder status does not guarantee admission to Nether Green Junior school at the point of transfer to Year 3. Parents of children entering Broomhill Infant and Nether Green Infant schools at any time between Reception and Year 2 should be mindful of this fact.

The published admission numbers for Nether Green Infant and Broomhill Infant are 75 and 40 respectively. If all parents in these two schools apply for Nether Green Junior school a maximum of 115 linked applications could be received at the transfer to Y3. There are only 90 places available at Nether Green Junior. For a number of years there have been more applications received from the feeder schools than there were places available.

- **2014/15 school year:**
107 applications received
- **2015/16 school year:**
107 applications received
- **2017/18 school year:**
108 applications received
- **2018/19 school year:**
99 applications received
- **2019/20 school year**
99 applications received

In the event of oversubscription from pupils who attend Nether Green Infant and Broomhill Infant Schools, the Local Authority offers Year 3 places in the following priority order:

1. Children in Care and Previously in Care
2. Children resident in the Nether Green catchment area who have siblings at Nether Green Infant, Junior or Broomhill Infant schools.
3. Children resident in Nether Green Catchment area
4. Children who do not live in the Nether Green catchment area but who will have a sibling attending Nether Green Infant or Junior, or Broomhill Infant schools.
5. All other applications.

Parents whose children do not attend one of the feeder infant schools should note the above information if they are considering applying for Nether Green Junior. The school is very popular. The high number of applications received from the two feeder schools means that it is extremely unlikely that places will be available for other children, except through the appeal process, and this can not be guaranteed for 2020/2021.

Linked Feeder Schools - Infant to Junior School

Below is an alphabetical list of separate Infant schools in Sheffield and the Junior school for which it has feeder status. Children attending a linked infant school have the highest right of admission to the Junior school as long as there

are sufficient places available, and a preference is expressed for that school. Attendance at a linked Infant School does not guarantee a place at the linked Junior School.

Children attending a “through” Primary School will progress from Year 2 to Year 3. Parents are therefore not required to apply for a place.

Admissions Terminology

Academy

An Academy is a state-funded, non fee-paying independent school. Academies are required to comply with the Code and Law relating to admissions.

Admission authority

The Admission Authority is responsible for determining admission arrangements to schools. For community and voluntary controlled schools in Sheffield, the Admission Authority is the Local Authority. For all voluntary aided primary and foundation schools and Academies the Admission Authority is the school Governing Body.

Admission arrangements

The Admission Authority must publish the admission arrangements for all its schools on an annual basis. This booklet contains admission numbers for schools, application procedures & timetables, oversubscription criteria and information about waiting lists.

Catchment area

Each community and voluntary controlled school and academy has a defined catchment area. This is defined by the City Council. Your address is linked to a specific school.

Common application form

This is the application form that invites 3 preferences and supporting reasons. This form is to be completed whether applying for a community, voluntary controlled, voluntary aided or foundation school in Sheffield and can be completed online, over the telephone or by filling out a paper form.

Community schools

These schools come under the responsibility of the Local Authority. The admissions policy for community schools

is determined and implemented by the Local Authority. The Local Authority is the Admission Authority for Community Schools and allocates school places.

Composite prospectus

The Education Act 2002 requires the CYPF to publish information annually about admissions for the following school year. This booklet is the 'composite prospectus' for the 2020/2021 academic year.

Eligible for a school place

This is where a child can be offered a place at a school either because:

- The number of applications for the school is below the admission number; or
- It is oversubscribed but the child has a higher priority under the admission criteria when compared to other children.

Foundation schools

Foundation Schools are run by their own Governing Body, which sets the admission criteria.

Home authority

The Authority in which the parent/carer and child resides.

IAN

Indicated Admission Number. An IAN is determined in consultation with each school.

Key stage 1

Reception, Year 1 and year 2.

Key stage 2

Year 3 to Year 6.

Maintaining authority

The Authority in which a school is located.

Normal place of residence

The child's normal place of permanent residence will normally be a residential property at which the parent or person(s) with parental responsibility for the child resides at the latest date for receiving applications for admission to the school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's normal place of residence will normally be the property at which the child resides with the parent or person(s) with parental responsibility, for the greater part of the week.

Oversubscription criteria

Each Admission Authority must establish criteria. This is applied where more applications have been received than there are places available at the school. The criteria determine which applicants can be offered places.

Parental preference

You are invited to express up to 3 preferences on the common application. The Admission Authority must comply with parental preference unless admission will prejudice the provision of efficient education or the efficient use of resources at the school. You are not guaranteed a place at any of your preferred schools.

Ranking

The order in which parents have to list their three preferences on the common application. Parents are advised to put their favourite school first.

Sheffield's co-ordinated scheme

Each LA must determine a scheme which outlines how the LA intends to co-ordinate with other Admission Authorities within it's area, in order to carry out admissions for Sheffield residents.

Sibling (definition for community schools and Academies)

A sibling is defined as a child who permanently or usually lives at the same address as:-

- a brother and/or sister
- a stepbrother and/or a stepsister (to include half brothers/sisters)

and in both cases will attend the preferred school at the point of entry

Single offer

The one offer for a school place for your child as determined by the co-ordinated scheme.

Voluntary aided school

These schools are church aided. The Governing Body is the Admission Authority and establishes the admissions arrangements and determines who is eligible for a school place.

Voluntary controlled school

Voluntary controlled schools are similar to voluntary aided schools, but are run by the Local Authority which employs staff and sets the admission criteria.

Compulsory School Age

By law, a child must be in full-time education from the beginning of the term after their fifth birthday. This may be at school or parents may make provision to educate their children at home.

The right to Access Full Time Education Earlier

All children have had the option to start school from the September after their fourth birthday.

- Parents have flexibility to choose when their child starts primary school on a full time basis.
- Parents can also choose a free full or part time place in a nursery or other early learning provider so their

child can access the Early Years Foundation Stage (this is same as a reception class which 4 year olds attend before starting compulsory school when they are 5)

What are the options for my child?

You will apply for a place as normal. When your allocated school place is confirmed you will be able to:

- Choose when your child starts reception class – you can decide if this will be full-time or part-time from the September after their fourth birthday
- Choose a free full-time place (25 hours per week term time) or part-time place at a school, or a part time place at any eligible early learning provider, such as a pre-school, day nursery, children’s centre, or nursery school. This means your child can access the Early Years Foundation Stage at an early years provider instead of school, if you feel this will be better for your child.
- Choose for your child not to attend an early years provider or school until they reach the compulsory school starting age of 5 (see information about ‘Summer born children’ for more details)
- Choose to defer the take up of either a full or part-time place in the school reception class until you feel your child is ready for this.
- You should always discuss your intentions with the allocated school

Deferred Entry

This means you can choose for your child to start later in the academic year (at the start of the January or April terms). Your child must be in full time education when they reach compulsory school age (the term after their fifth birthday).

Summer Born Children/Delayed Entry

The Government has recognised the

concerns of parents who have summer born children with regard to their readiness for fulltime education. This applies equally to children who were born after their full term and those born prematurely who would otherwise have been born in the following academic year.

Sheffield will consider requests to delay admission into Reception until your child reaches statutory school age ie, term after their fifth birthday. This means you are requesting that your child begin full time education in the following Reception year group to what they are entitled according to their chronological year group.

If your child is summer born (April-August)and you wish to make a request to delay your child’s admission into Reception, you must put your request in writing to the Principal Admissions Officer outlining your reasons and provide supporting information from a professional to demonstrate why it would be in the best interest of your child.

Your request must be made before the latest date for receiving applications for your child’s chronological year group this is the 31 January each year. You must also apply for a place in Reception in your child’s chronological year group. If your request for delayed admission to approved, your application for your child’s chronological year group will be withdrawn and you will need to reapply for place for the following academic year.

The Local Authority will consider your request for delayed admission and notify you of the outcome before the allocation days for your child’s chronological year group, this is 16th April each year.

More information about this process, timescales and how your request will be considered, is available from the Admissions Team or from www.sheffield.gov.uk/pupil-admissions

Waiting List

All pupils refused a place at any school ranked higher than the allocated school, will be automatically placed on a waiting list for those schools. The waiting list will be discontinued on 31 July 2020.

Attendance at Nursery

You should note that if your child attends a nursery class attached to a school there is no guarantee of a place in reception.

Numbers of Places Available at each School

All Primary schools have an indicated admission number (IAN) that determines the number of available places in Reception. Once an IAN or temporary higher admission limit is determined for a particular school year, that number will remain in force as that year group moves through the school.

The admission number for each Sheffield school is published in this booklet on pages 13 to 23.

Infant Class Size Limit

The law states that it is the responsibility of Education Authorities to ensure that infant classes of 5, 6 and 7 year olds do not contain more than 30 children to a single qualified teacher.

The Local Authority must allocate places up to the Published Admission Number if there is demand. Once this number has been reached, the Admission Authority is not required to admit any further pupils where to do so would create a class of more than 30.

The LA must comply with class size limits and will normally refuse admission to a pupil if that application will lead to there being a class of more than 30. If the LA were to admit more than 30 pupils in an infant class without exceptional reasons, it would be required to implement

‘qualifying measures’.

Such measures may include employing an additional teacher or providing an additional classroom for the current and/or future years. If the Authority refuses admission for your child you will be notified of your right of appeal.

The Statutory Appeal Panel is independent of the Authority and schools and ordinarily has the power to place a child at a school that is full. Where an application has been refused on class size grounds the discretion of the Appeal Panel is severely restricted and it may only look at the following;

The Panel may only uphold an appeal if it is satisfied:

1. That the admission of an additional child would not breach the infant class size limit; or
2. It finds that the admission authority did not comply with admission law or the arrangements were not correctly and impartially applied and that the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
3. The admission arrangements were not correctly or impartially applied in the case in question; or
4. It decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Parents may wish to consider this information when deciding whether to appeal. More information about the appeal process is available on our website or by contacting Admissions

In Year Applications

Parents wishing to apply for a place in year groups other than reception should complete a transfer form from their

current Sheffield school. Pupils new to Sheffield should contact the Children Missing Education Team on 273 6462.

Oversubscription Criteria

The oversubscription criteria for the Academy is in line with the Schools Admissions Code. Where the number of applications for admission is greater than the published admission number, applications will be considered by the Academy against the criteria set out below.

After the admission of students with an Education, Health and Care plan or statement of special educational needs naming the Academy, the criteria will be applied in the order in which they are set out below:

Priority One – Children in Care or Previously in Care (Statutory Requirement)

Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. (1)

Priority Two – Catchment Area and Sibling

Children who normally reside with a parent or person with parental responsibility in the defined catchment area and who will have a brother or sister at the academy on the day of admission will be considered next.

A copy of the catchment map is available in appendix 1 of this proposed policy.

The definition of a sibling for these purposes is in the notes at the end of this policy. This means that all catchment/sibling applications are prioritised before catchment applicants irrespective of distance. The normal distance tie-breaker will apply within each category.

Priority Three – Children of Staff in Skills Shortage Posts

Children of school-based staff (not wider Trust staff) recruited to fill a skills shortage post – this will be subject to confirmation by the Astrea Executive Board that, on the evidence available, the post does indeed relate to a skills shortage in the area.

Priority Four – Catchment Area

Children who normally reside with a parent or person with parental responsibility in the defined catchment area, but will not have a sibling at the preferred school at the point of admission will be considered next. A copy of the catchment map is available in appendix 1 of this policy.

Priority Five – Non-Catchment Siblings

The definition of a sibling for these purposes is given at (4) below. The Academy reserves the right to ask for proof of relationship.

Priority Six – Contributory Feeder School (Secondary Only)

Applicants for a Year 7 place whose children attend a designated feeder primary school but do not fit into any of the above categories will be considered next.

The designated linked feeder primary schools for Astrea Academy Sheffield are proposed as:

- Astrea Academy Sheffield (Primary Phase)

(1) A Looked After Child is a child who is (a) in care of the Local Authority or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see definitions in Section 22(1) of the Childrens Act 1989).

- Byron Wood Primary School
- Abbeyfield Primary School
- Pye Bank CE Primary School

Parents are advised in the Composite Prospectus “A Guide for Parents” that if they choose to send their children to a non-catchment primary school, they have a lower priority for entry to the linked secondary school and that there is no guarantee of a place there.

Priority Seven – All Other Applicants

Any applicant who does not fall into one of the above categories will be considered next.

Tie-break

For any admission category that is oversubscribed there are two stages of further consideration.

Exceptional medical, social or special educational needs.

Where exceptional medical, social or special educational needs are demonstrated and supported by a professional, an application may be prioritised by the Trust but only within its admission category. It is the parent’s/ applicant’s responsibility to provide supporting evidence.

The parent/applicant must supply sufficient supporting evidence from relevant professionals at the time of the original application, for the Trust to consider whether an individual case constitutes exceptional circumstances to be prioritised.

In any event, the evidence must support the view that the child must attend the school applied for and that they could not have their needs met at any other school.

Distance

Where exceptional circumstances are not demonstrated, the final tie-breaker will be the distance from the home address to

the school building.

This is a straight line measurement from the home address to the central point within the footprint of the main school building.

Where the remaining place could be made for a number of children living equidistant from the school the determination of the single offer will be made by random allocation:

The Random Allocation will:

Clifford All Saints Church of England Aided Primary School is a Church of England voluntary aided primary school in the Diocese of Sheffield and is maintained by Sheffield Local Authority.

The school provides a distinctively Christian education for children aged 4 to 11 years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. This two-fold aim of being “distinctively Christian” and “serving the local community” are reflected in the school’s admission criteria.

Clifford All Saints C of E is a Voluntary Aided School in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of law, the school trust deed, by advice

from the Diocesan Board of Education and its duty to the community and the Common Good.

The admission number for 2020/2021 is 30 and children will be admitted during the Autumn term following their 4th birthday

Changes to the school admissions programme have come into effect which results in more choice for parents about the right time for their child to start school.

These choices are:-

- All four year old children can start reception in a primary school in the September after their fourth birthday.
- Parents/carers may choose to defer their child’s admission until January depending on their child’s date of birth.
- If you choose to defer, you continue to be entitled to free early learning (15 hours per week term time) in an early years setting of your choice.
- Compulsory starting age remains the same—children must start school the term after their fifth birthday.

1. Applications are made on the Common Application Form
2. To support your application to Clifford All Saints All Saints C of E Primary School, please complete the Supplementary Information Form. This is not an application for admission to school but will be used by the school to place your application in the correct priority of admission category.
3. The Common Application Form should be submitted to the Local Authority by (date to be confirmed) and the Supplementary Information Form (if applicable) should be submitted to the school.

4. Failure to complete and return the Supplementary Information form will affect the priority of admission category in which your application is placed.

PLEASE CONTACT US IF YOU NEED ANY HELP IN APPLYING FOR ADMISSION

Date of Admission to the School for 2020/2021 is 1 September 2020.

Parental Preference

The Local Authority common application form provides the opportunity for Parents/carers to express up to three choices of schools in rank order of preference. The Governing Body, as the Admission Authority, has determined that it will acknowledge the parental preference as expressed by the parents/guardians on the common application form in the following manner. ALL applications will be judged on 'equal preference' and EACH INDIVIDUAL application ranked according to the criteria for admission.

Co-ordinated Scheme for Admission Arrangements

The co-ordinated scheme for admissions is a mechanism that ensures that all parents resident in Sheffield LA and who have expressed a preference for a Sheffield school before the closing date will receive a single offer of a school place on the same day from the Authority.

In order to provide every parent with an offer of one single place the Authority will be working with the Governing Bodies of the Voluntary Aided primary schools within the Sheffield area, including Clifford All Saints C of E Infant. Details of the co-ordinated scheme can be obtained from the Authority.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs

The admission of pupils with a Statement of Educational Needs or an Education,

Health and Care Plan is dealt with by a separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan which names the school must be admitted. Where this takes place before the allocation of places under these arrangements, this will reduce the number of places available to other children.

Admission Oversubscription Criteria

Where applications exceed the number of available places the following criteria will be strictly applied to decide which children will be admitted:

Children who:

1. Are in Public Care (Looked After Children) and children who were previously in Care/Looked After (see definition 1)
2. Have an elder sibling (see definition 2) in school at the time of admission.
3. With his/her parents/carers regularly and frequently attend (see definition 3) St. Andrew's Psalter Lane Church or All Saints, Ecclesall Church.

6. Children of staff of the school. (see definition 4.)
7. Have parents/carers seeking a Christian environment for their children's education.
8. All other children.

If the admission number is reached mid criteria, applications in that criteria will be prioritised on the distance of the child's ordinary place of residence to either

of the main entrances to the school buildings measured in a straight line using the Local Authority's computerised measuring system.

Tie Break

In the event of two or more children living equidistant from either school site, the place will be decided by drawing lots. The first name drawn will be offered the place.

We are a joint denominational school, which means we are part of two church families – the Church of England and the Catholic Church.

Our belief in Christ is at the heart of our school.

We embrace everyone as a unique

individual who is precious to God. We nurture the whole child, celebrating their efforts and achievements whilst encouraging their aspirations and developing their potential.

We work in partnership with our families, our parish churches and our wider community.

We respect and care for one another, practising forgiveness and reconciliation, reflecting Gods love.

Our pupils enjoy learning, reflect on their thinking, have fun and have a deep sense of pride in their school.

Admission Arrangements to the School

Although the law does not require children to be admitted to school until the beginning of the term following their fifth birthday, in 20/21 parents will be given an option for their child to enter the primary reception class full or part time from the September after their fourth birthday, choosing for them to start in September or to remain in nursery till January or Easter. The school will consult with any parent who wishes to discuss their choice for their child in the event that they may wish to defer until later in the year or until the end of the term in which the child reaches compulsory school age. If no alternative is requested the Governing Body being the admissions authority for this school, will admit all children into school from September 2020.

Admission Oversubscription Criteria

Where applications exceed the number of available places the following criteria will be strictly applied to decide which children will be admitted:

Footnote 3

For a child to be treated as Church of England or Catholic, evidence of Church of England baptism or Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Vicar or Parish Priest, who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church. 'Catholic' means a member

of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child, living with a family where at least one of the parents is Catholic.

Footnote 4

A 'child looked after' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

Definition of Siblings includes:

- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.

Footnote 6

"children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to

seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no creedal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

Footnote 7

A parent means all natural parents, any person who is not a parent but has parental responsibility for a child and any person who has care of a child.

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form should you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned as per key dates.

You will be advised of the outcome of your application by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be

8. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made. (see note 10)

The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (See note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated between the home and the school using the local authority's computerised measuring system on the following basis: "a straight line measurement from the home address

to a designated point at the school building". In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at St Ann's school in the normal admission round¹, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) available from the school, if you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned to St Ann's Catholic Primary School by [closing date].

If parents/carers require any further details the full admission policy is available by contacting the Headteacher.

1 This is for admission to the school at the start of the school year in September and not for applications made in-year.

Key Dates

Closing and allocation dates will be consistent with the co-ordinated scheme – details of which will be given in the composite prospectus.

Parental Preference

The Local Authority Common Application form provides the opportunity for parents/carers to express up to 3 choices of schools (2 in Doncaster) in rank order of preference.

PLEASE NOTE HOWEVER:

That ALL applications will be considered by the admission authority of this school on an equal preference basis. This means that eligibility for places in the

school will be considered first of all by applying the school's over subscription criteria to your application irrespective of whether this school is your first, second or third preference.

The ranking of your preference will only be used in the final allocation of a place within the LA'S co-ordinated scheme where there is more than 1 potential offer.

St Catherine's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore

hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round. The governing body has set its admission number at **60** pupils to be admitted to the reception year in the school year which begins in September **2020**.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

1 This is for admission to the school at the start of the school year in September and not for applications made in-year.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with a Statement of Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Admission Arrangements to the School

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to **the Admissions Officer at St Catherine's Catholic Primary School** at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 31st July 2021.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 31st July 2021.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by contacting **Primary Admissions, Floor 5, North Wing, Moorfoot, Sheffield S1 4PL (www.sheffield.gov.uk/pupiladmissions).**

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced

in accordance with the law of the Church.

4. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "Children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
7. "Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion

for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.
11. For the purposes of this policy, parish boundaries are as shown on the map which is available from the school, and will be applied to the admission arrangements for 2020/2021.
12. A child's home address refers to the

address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (CAF). Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week

Ethos and Values

St Joseph's Primary School, has provided a Catholic education since 1874. The staff work together to bring Gospel values into all areas of school life. Our school, is a place where prayer, worship and liturgy are regular meaningful experiences for pupils, parents and staff. Our vision is to pursue academic excellence and instil values for all children.

In partnership with parents, we aim to help the pupils in our care to nurture their faith and grow in their relationship with God by experiencing a supportive, caring, stimulating and, above all,

Christian school environment.

We believe in providing an excellent education for all children that is rooted in and sustained by our shared commitment to the life and teachings of Jesus Christ. Christ is the one who not only shows us the truth about God but also the truth about ourselves. Christ, then, is indeed at the centre of our educational endeavour.

All children, whether Catholic or non-Catholic, are encouraged to strive for the highest possible standards of work and behaviour, whilst learning to develop as well-mannered, self-disciplined and tolerant individuals, both inside and outside the classroom. The children learn to live as happy and caring members of a school community, which values their unique individual talents, and also, importantly, the needs of others.

St Joseph's pupils leave as well-rounded young adults, ready with courage to make a difference in the world around them

An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest [who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church].

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.
11. For the purposes of this policy, parish boundaries are as shown on the parish map (available to view at the school) and will be applied to the admission arrangements.
12. A child's home address refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common

Application Form (CAF). Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

Admission Arrangements to the School

It is a Catholic Voluntary Academy in which the Governing Body is responsible for admissions. It is guided in that responsibility by the requirements of law; the requirements of the Trust Deed and the Articles of Association; by advice from the Diocesan Trustees and its duty to the Catholic community and the Common Good.

Please note that admission to St. Mary's Primary School, a Catholic Voluntary Academy does not guarantee admission to a Catholic High School, which has its own admission policy.

The admission number for 2020/2021 is 30

Admission Oversubscription Criteria

Where applications exceed the number of available places the following criteria will be strictly applied to decide which children will be admitted:

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children (see notes 2&3)
2. Catholic children who are resident

- in the parish of St Mary's (see notes 3&11)
3. Other Catholic children (see note 3)
 4. Other looked after and previously looked after children (see note 2)
 5. Catechumens and members of an Eastern Christian Church (see notes 4&5)

 8. Any other children

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated between the home and the school using the local authority's computerised measuring system on the following basis: "a straight line measurement from the home address to a designated point at the school building". In the event of distances being

the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. This is available on the LA website or from the school. The Supplementary Information Form (SIF) should be returned to the Admissions Officer at St Mary's Primary School by 15th January 2020.

St Marie's School, A Catholic Voluntary Academy was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of

the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore expect that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

Admission Arrangements to the School

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round . The governing body has set its admission number at 30 pupils to be admitted to the reception year in the school year which begins in September 2020.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with a Statement of Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

1 This is for admission to the school at the start of the school year in September and not for applications made in-year.

Admission Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children. (see notes 2&3)
2. Catholic children who are siblings (see note 8) of Catholic children attending that school at the time of admission (oversubscription criteria (3) does not apply to this category)
3. Catholic children who are resident in the parish(es) of St Marie's, St Vincent's, St Francis', St William's and Holy Family. (see notes 3&10)
4. Catholic children of staff who have been employed at the school for two or more years at the time at which the application for admission is made.
5. Other Catholic children. (see note 3)
6. Other looked after and previously looked after children. (see note 2)
7. Catechumens and members of an Eastern Christian Church. (see notes 4&5)
8. Children of other Christian denominations whose membership is evidenced by a minister of religion. (see note 6)
9. Children of other faiths whose membership is evidenced by a religious leader. (see note 7)
10. Any other children.

Priority will be given to children living closest to the school determined by the shortest distance.

Distances are calculated. The distance will be measured from the main entrance of the child's home to the main entrance of the chosen school by the Local Authority and provided to the school. In the event of distances being the same for two or more children where this would

determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round², you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 6 to 8. The Supplementary Information Form (SIF) should be returned to Mrs Graham, St Marie's School, Fulwood Road, Sheffield. S10 3DQ by 15th January 2020.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 6 to 8, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2020.

2 This is for admission to the school at the start of the school year in September and not for applications made in-year.

Late Applications

Late applications will be administered in accordance with your home Local Authority Primary Coordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to Mrs L Graham, St Marie's School, Fulwood Road, Sheffield S10 3DQ at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances

of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 31st August 2021.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by contacting Mrs L Graham, St Marie's School, Fulwood Road, Sheffield S10 3DQ.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special

guardianship order.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child living with a family where at least one of the parents is Catholic (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox and Oriental Churches, as listed by the Pontifical Council for promoting Christian Unity, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

Details of those Eastern Christian Churches listed by the Pontifical Council for promoting Christian Unity is available from the Diocesan Schools' Department.

6. “children of other Christian denominations” means children who belong to other churches and ecclesial communities which, acknowledge God’s revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God’s will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. “children of other faiths” means children who are members of a religious community that does not fall within the definition of ‘other Christian denominations’ at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an

expression of belief in that supreme being through worship.

8. ‘brother or sister’ includes:
- (i) brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent’s partner where that child lives for at least part of the week in the same family unit at the same home address child who is the subject of the application.
9. A ‘parent’ means all-natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. For the purposes of this policy, parish boundaries are as determined by the Diocese of Hallam.
11. A child’s home address refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (CAF). Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

If parents/carers require any further details the full admission policy is available by contacting the Headteacher.

Key Dates

Closing and allocation dates will be consistent with the co-ordinated scheme – details of which will be given in the composite prospectus.

If you operate a different late date, please specify here what it is and how you will deal with them.

Parental Preference

The Local Authority Common Application form provides the opportunity for parents/carers to express up to 3 choices of schools (2 in Doncaster) in rank order of preference.

PLEASE NOTE HOWEVER:

That ALL applications will be considered by the admission authority of this school on an equal preference basis. This means that eligibility for places in the school will be considered first of all by applying the school's over subscription criteria to your application irrespective of whether this school is your first, second or third preference.

The ranking of your preference will only be used in the final allocation of a place within the LA'S co-ordinated scheme where there is more than 1 potential offer.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by contacting **Primary Admissions, Floor 5, North Wing, Moorfoot, Sheffield S1 4PL (www.sheffield.gov.uk/pupiladmissions).**

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Educational Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.
3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic

For a child to be treated as Catholic,

evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership

of any local Churches Together Group (by whatever title) on the above basis.

7. "Children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:
 - A religion which involves belief in more than one God, and
 - A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.
8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional,

such as a social worker, doctor or priest.

11. For the purposes of this policy, parish boundaries are as shown on the map which is available from school, and will be applied to the admission arrangements for 2020/2021.
12. A child's home address refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (CAF). Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

Appeals against the Governing Body's decision to refuse admission

1. **If a place is not available, parents have the right of appeal.** Such appeals against non-admission will be heard by an Independent Appeals Panel formed in accordance with the DfE Admissions Appeal Code. Details of the appeals process will be made available to all unsuccessful applicants
2. Parents who intend to make an appeal against the Governing Body's decision to refuse admission must submit a notice of appeal by the date specified in the refusal letter to:

Director of Legal and Governance
Democratic Services
Town Hall
Sheffield
S1 2HH

Appeal hearings will be held in accordance with the timescales specified in the DfE Admission Appeals Code.

The Aim and Distinctive Character of the School

St. Theresa's is proud to be a Catholic School rooted in the Gospel values.

We are committed to celebrating and sharing our faith, as well as preparing children for life in a multi-cultural society and developing respect for the values and customs of others.

We are committed to delivering a broad and balanced curriculum to ensure that our children achieve the highest possible standards personal to them.

We aim to develop strong links between family and parish, enabling us to journey together with mutual support and respect.

St Theresa's Catholic Primary School was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and instrument of government, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide

a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

The governing body is the admissions authority and has responsibility for admissions to this school. The local authority undertakes the co-ordination of admission arrangements during the normal admission round¹. The governing body has set its admission number at **30** pupils to be admitted to the reception year in the school year which begins in September **2020**.

The governing body will, where logistically possible, admit twins and all siblings from multiple births where one of the children is the last child ranked within the school's Published Admissions Number ("PAN").

1 This is for admission to the school at the start of the school year in September and not for applications made in-year.

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs (see note 1)

The admission of pupils with a Statement of Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children.

Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children (see notes 2&3)
2. Catholic children who are resident in the parish of **St Theresa's** (see notes 3&11)
3. Other Catholic children (see note 3)
4. Other looked after and previously looked after children (see note 2)
5. Catechumens and members of an Eastern Christian Church (see notes 4&5)
6. Children of other Christian denominations whose membership is evidenced by a minister of religion (see note 6)
7. Children of other faiths whose membership is evidenced by a religious leader (see note 7)
8. Any other children

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8)
- (iii) Attendance of the child at **St Theresa's** Nursery will increase the

priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) and (ii) above

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated between the home and the school using the local authority's computerised measuring system on the following basis: "a straight line measurement from the home address to a designated point at the school building". In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

Application Procedures and Timetable

To apply for a place at this school in the normal admission round, you must complete a Common Application Form available from the local authority in which you live. You are also requested to complete the Supplementary Information Form (SIF) attached to this policy if you wish to apply under oversubscription criteria 1 to 3 or 5 to 7. The Supplementary Information Form (SIF) should be returned to **the Admissions Officer at St Theresa's Catholic Primary School** by 15th January 2020.

You will be advised of the outcome of your application on 16th April or the next working day, by the local authority on our behalf. If you are unsuccessful (unless your child gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 5 to 7, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for admissions which is 15th January 2020.

Late Applications

Late applications will be administered in accordance with Sheffield Local Authority Primary Co-ordinated Admissions Scheme. You are encouraged to ensure that your application is received on time.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition,

the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to **the Admissions Officer at St Theresa's Catholic Primary School** at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Waiting Lists

In addition to their right of appeal, unsuccessful children will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year. The waiting list will be held open until 31st July 2021.

Inclusion in the school's waiting list does not mean that a place will eventually become available.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made to the school by contacting **Primary Admissions, Floor 5, North Wing, Moorfoot, Sheffield S1 4PL (www.sheffield.gov.uk/pupladmissions)**.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to taking its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round the governing body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The governing body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

Nursery

For children attending the school's nursery, application to the reception class of the school must be made in the normal way, to the home local authority. Attendance at the school's nursery does not automatically guarantee that a place will be offered at the school.

The governing body reserves the right to withdraw the offer of a place or, where a child is already attending the school the place itself, where it is satisfied that the offer or place was obtained by deception.

St Thomas of Canterbury School is a Catholic Primary School in the Diocese of Hallam working in partnership with St Marie's and St Wilfrid's Catholic Primary Schools within Our Lady Seat of Wisdom Umbrella Trust. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below.

The school's Governing Body is the admissions authority and has responsibility for admissions to the school. Governors are guided in that responsibility by the requirements of law and the requirements of the Trust Deed, taking advice from the Diocesan Trustees and bearing in mind their duty to the Catholic community and the Common Good.

The Published Admission Number (PAN) for 2020/21 is 30

This number has been calculated according to the capacity of the school, which the law defines.

Co-ordinated Scheme for Admission Arrangements

The co-ordinated scheme for admissions is a mechanism which ensures that all parents/carers resident in Sheffield Local authority who have submitted an application before the closing date will receive a single offer of a school place from the Authority.

Details of the co-ordinated scheme can be obtained from the Authority.

Applications are made by the completion of either a COMMON APPLICATION FORM or ONLINE and the completion of the Diocese of Hallam SUPPLEMENTARY INFORMATION FORM (SIF), and the ADDITIONAL INFORMATION FORM (AIF) both of which are to be found on the schools website or on the SHEFFIELD COUNCIL WEBSITE. The completed SIF and AIF along with the birth certificate and Baptism certificate or a ministers reference if not Baptised should be sent directly to St Thomas of Canterbury School.

Parental preference

The Local Authority Common Application Form provides the opportunity for parents/carers to express up to three choices of schools in rank order of preference. Applications will be considered on an Equal Preference basis; ranking by preference will only be used in the final allocation for a place where there is more than one potential offer.

Please note that admission to the school does not guarantee eventual admission to one of the Catholic High schools, which have their own admissions policies.

The date of admission to the school for 2020/21 is September 2020.

Criteria for admission:

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs

Children with a Statement of Special Educational Needs or Education, Health and Care Plan which names the school are required by law to be admitted.

Where there are more applications for admission than the Published Admission Number (see above) the governing Body will apply the following criteria in strict order of priority.

Category One

Catholic Looked After Children and previously Looked After Children

Category Two

Catholic children who are resident in the parishes of Our Lady of Beauchief and St Thomas of Canterbury, and The Holy Spirit, Dronfield.

Category Three

Other Catholic children

Category Four

Other Looked after and previously Looked After children

Category Five

Catechumens and members of Eastern Christian Churches

Category Six

Children of other Christian denominations whose membership is evidenced by a Minister of Religion.

Category Seven

Children of other faiths whose membership is evidenced by a Religious Leader.

Category Eight

Any other children

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where compelling professional written evidence is provided at the time of application of an **exceptional social, medical or pastoral need** of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made.
- (ii) The attendance of a **sibling** at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above.

The Governing Body will, where possible, admit twins and all siblings from multiple births where one of the children is the 30th child admitted.

Please note that attendance at St Thomas of Canterbury Pre-School does not automatically guarantee that a place will be offered in the Primary School.

Tie Break

In the event of the school reaching capacity mid category, the Governing Body as the Admissions Authority will allocate places for all the children in that category using a random allocation process which will be overseen by the Local Authority Primary Admissions team. The names of the children who fall within this category will be entered into a computer program specifically designed to randomly allocate the places available.

Supplementary Information Form and Additional Information Form

In order to place applications in the correct priority of admission category, the school requires additional information not provided by the Common Application Form. The Supplementary Information Form (SIF) and the AIF is obtainable

from the school and on the schools website or on the Sheffield Council's website. This should be completed, with a copy of the child's baptismal certificate if the applicant is a Catholic or a Minister's/Religious Leader's reference if the applicant is a member of another Christian denomination or other faith and their birth certificate.

Key Dates

Closing and allocation dates will be consistent with the co-ordinated scheme – details of which will be given in the composite prospectus.

If parents/carers require any further details the full admission policy is available by contacting the School Office Manger.

St Thomas More Catholic Primary

was founded by the Catholic Church to provide education for children of Catholic families. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription

criteria listed below. The school is conducted by its governing body as part of the Catholic Church in accordance with its trust deed and articles of association, and seeks at all times to be a witness to Our Lord Jesus Christ.

As a Catholic school, we aim to provide a Catholic education for all our pupils. At a Catholic school, Catholic doctrine and practice permeate every aspect of the school's activity. It is essential that the Catholic character of the school's education be fully supported by all families in the school. We therefore hope that all parents will give their full, unreserved and positive support for the aims and ethos of the school. This does not affect the right of an applicant who is not Catholic to apply for and be admitted to a place at the school in accordance with the admission arrangements.

Admission Arrangements to the School

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the Admissions Officer at St Thomas More Catholic Primary at the same time as the admission application is made. The governing body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the head teacher, including the head teacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals, as appropriate.

Admission Oversubscription Criteria

Where there are more applications for places than the number of places available, places will be offered according to the following order of priority.

1. Catholic looked after and previously looked after children (see notes 2&3)
2. Catholic children who are resident in the parish of St Thomas More's (see notes 3&11)
3. Other Catholic children (see note 3)
4. Other looked after and previously looked after children (see note 2)
5. Catechumens and members of an Eastern Christian Church (see notes 4&5)
6. Children of other Christian

denominations whose membership is evidenced by a minister of religion (see note 6)

7. Children of other faiths whose membership is evidenced by a religious leader (see note 7)
8. Any other children

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made (see note 10)
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (see note 8).

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated between the home and the school using the local authority's computerised measuring system on the following basis: "a straight line measurement from the home address to a designated point at the school building". In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school. All the names will be entered into a hat and the required number of names will be drawn out.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child living with a family where at least one of the parents is Catholic.

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese,

will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

4. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
5. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
6. "Children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.
7. "Children of other faiths" means children who are members of a religious community that does not fall

within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same home address as the child who is the subject of the application.
9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
10. To demonstrate an exceptional social, medical or pastoral need of the child which can be most appropriately met at this school, the governing body will require compelling written evidence from an appropriate professional, such as a social worker, doctor or priest.
11. For the purposes of this policy, parish boundaries are as shown on the map which is available from the school,

and will be applied to the admission arrangements for 2020/2021.

12. A child's home address refers to the address where the child usually lives with a parent or carer, and will be the address provided in the Common Application Form (CAF). Where parents have a shared responsibility for a child, and the child lives for part of the week with each parent, the home address will be the address given in the CAF, provided that the child resides at that address for any part of the school week.

If parents/carers require any further details the full admission policy is available by contacting the Headteacher.

Key Dates

Closing and allocation dates will be consistent with the co-ordinated scheme – details of which will be given in the composite prospectus.

Parental Preference

The Local Authority Common Application form provides the opportunity for parents/carers to express up to 3 choices of schools (2 in Doncaster) in rank order of preference.

PLEASE NOTE HOWEVER:

That ALL applications will be considered by the admission authority of this school on an equal preference basis. This means that eligibility for places in the school will be considered first of all by applying the school's over subscription criteria to your application irrespective of whether this school is your first, second or third preference.

The ranking of your preference will only be used in the final allocation of a place within the LA'S co-ordinated scheme where there is more than 1 potential offer.

St Wilfrid's School is a Catholic Primary School in the Diocese of Hallam working in partnership with St Marie's and St Thomas of Canterbury Catholic Primary Schools within Our Lady Seat of Wisdom Umbrella Trust. Whenever there are more applications than places available, priority will be given to Catholic children in accordance with the oversubscription criteria listed below.

The school's Governing Body is the admissions authority and has responsibility for admissions to the school. Governors are guided in that responsibility by the requirements of law and the requirements of the Trust Deed, taking advice from the Diocesan Trustees and bearing in mind their duty to the Catholic community and the Common Good.

The Published Admission Number (PAN) for 2020/21 is 40

This number has been calculated according to the capacity of the school, which the law defines.

Co-ordinated Scheme for Admission Arrangements

The co-ordinated scheme for admissions is a mechanism which ensures that all parents/carers resident in Sheffield Local Authority who have submitted an application before the closing date will receive a single offer of a school place from the Authority.

Details of the co-ordinated scheme can be obtained from the Authority.

Applications are made by the completion of the COMMON APPLICATION FORM and the Diocese of Hallam SUPPLEMENTARY INFORMATION FORM, both of which are to be found in the LOCAL AUTHORITY ADMISSION BOOKLET and on the SHEFFIELD COUNCIL WEBSITE.

Parental preference

The Local Authority Common Application Form provides the opportunity for parents/carers to express up to three choices of schools in rank order of preference. Applications will be considered on an Equal Preference basis; ranking by preference will only be used in the final allocation for a place where there is more than one potential offer.

Please note that admission to the school does not guarantee eventual admission to one of the Catholic High schools, which have their own admissions policies.

The date of admission to the school for 2020/21 is September 2020.

Criteria for admission:

Pupils with an Education, Health and Care Plan or a Statement of Special Educational Needs

Children with a Statement of Special Educational Needs or Education, Health and Care Plan which names the school are required by law to be admitted.

Where there are more applications for admission than the Published Admission Number (see above) the Governing Body will apply the following criteria in strict order of priority.

Category One

Catholic Looked After Children and previously Looked After Children

Category Two

Catholic children who are resident in the parishes of Mother of God or St William of York.

Category Three

Other Catholic children

Category Four

Other Looked after and previously Looked After children

Category Five

Catechumens and members of Eastern Christian Churches

Category Six

Children of other Christian denominations whose membership is evidenced by a Minister of Religion.

Category Seven

Children of other faiths whose membership is evidenced by a Religious Leader.

Category Eight

Any other children

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) Where compelling professional written evidence is provided at the time of application of an **exceptional social, medical or pastoral need** of the child which can most appropriately be met at this school, the application will be placed at the top of the category in

which the application is made.

- (ii) The attendance of a **sibling** at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above.

The Governing Body will, where possible, admit twins and all siblings from multiple births where one of the children is the 40th child admitted.

Tie Break

Priority will be given to children living closest to the school determined by the shortest distance. Distances are calculated on the basis of a straight-line measurement between the front door of the child's home address (including the community entrance to flats) and the main entrance of the school using the local authority's computerised measuring system. In the event of distances being the same for two or more children where this would determine the last place to be allocated, random allocation will be carried out and supervised by a person independent of the school.

Supplementary Information Form

In order to place applications in the correct priority of admission category, the school requires additional information not provided by the Common Application Form. The Supplementary Information Form (SIF) is obtainable in the LA admission booklet and on the Sheffield Council's website. Parents/carers are requested to complete the SIF if applying under oversubscription criteria 1 to 3 or 5 to 7. The completed SIF should be returned to the school. **Parents/carers applying under oversubscription criteria 1 to 3 should also attach the child's baptismal certificate.** This should be the original certificate or a certified copy of the entry into the parish's baptismal register. The baptismal

certificate will be copied by the school and the original returned to you. **Parents applying under oversubscription criteria 5 to 7 should attach the Minister's/Religious Leader's reference if the applicant is a member of another Christian denomination or other faith.**

Application Procedures and Timetable

The Local Authority Common Application Form (CAF) provides the opportunity for parents/carers to express up to three choices of schools in rank order of preference. Applications will be considered on an Equal Preference basis; ranking by preference will only be used in the final allocation for a place where there is more than one potential offer.

You will be advised of the outcome of your application on 16 April 2019, or the next working day, by the Local Authority on the school's behalf. If you are unsuccessful (unless your child has gained a place at a school you ranked higher) you will be informed of the reasons, related to the oversubscription criteria listed above, and you have the right of appeal to an independent appeal panel.

If you do not provide the information required in the SIF and return it by the closing date, together with all supporting documentation, your child will not be placed in criteria 1 to 3 or 5 to 7, and this is likely to affect your child's chance of being offered a place.

All applications which are submitted on time will be considered at the same time and after the closing date for applications which is 15th January 2020.

Late Applications

Late applications will be considered in accordance with the Local Authority's coordinated admissions scheme. You are encouraged to ensure that your application is received on time.

Please note that admission to the school does not guarantee eventual admission to one of the Catholic High Schools, which have their own admission policies.

Admission of Children Below Compulsory School Age and Deferred Entry

A child is entitled to a full-time place in the September following their fourth birthday. A child's parents may defer the date at which their child, below compulsory school age, is admitted to the school, until later in the school year but not beyond the point at which they reach compulsory school age, or beyond the beginning of the final term of the school year for which an offer was made. A child may take up a part-time place until later in the school year, but not beyond the point at which the child reaches compulsory school age. Upon receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to either defer their child's entry to the school or take up a part-time place.

Admission of Children outside their Normal Age Group

A request may be made for a child to be admitted outside their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child, i.e. a child born between 1st April and 31st August, may request that the child be admitted out of their normal age group, to reception rather than year 1.

Any such request should be made in writing to the school at the same time as the admission application is made. The Governing Body will make its decision about the request based on the circumstances of each case and in the best interests of the child. In addition to taking into account the views of the Head of School, the Governing Body will take

into account the views of the parents and of appropriate medical and education professionals, as appropriate.

PLEASE CONTACT THE SCHOOL IF YOU NEED ANY HELP IN APPLYING FOR ADMISSION

Waiting lists

1. In addition to their right of appeal, unsuccessful applicants will be offered the opportunity to be placed on a waiting list. This waiting list will be maintained in order of the oversubscription criteria set out above and not in the order in which applications are received or added to the list. Waiting lists for admission will operate throughout the school year until the last day of the Summer term.
2. Following the offer day, should an application be received for a place at the school from a child with a higher priority, as determined by the admissions criteria, they will be placed on the list above those with a lower priority.
3. A vacancy only arises in the Reception year when the number of offers of admission to the school falls below the admission number.

Please note that inclusion in the school's waiting list does not mean that a place will eventually become available.

False Information

1. Where the Governing Body has made an offer of a place at the school on the basis of a fraudulent or intentionally misleading application from a parent/carer, which has effectively denied a place to a child with a stronger claim to a place, the offer of a place may be withdrawn.
2. If a child starts attending the school on the basis of fraudulent and intentionally misleading information the place may be withdrawn by the Governing Body, depending on the

length of time that the child has been at the school.

3. Where a place or an offer has been withdrawn, the application will be reconsidered by the Governing Body and a right of independent appeal offered if a place is refused.

In-Year Applications

An application can be made for a place for a child at any time outside the admission round and the child will be admitted where there are available places. Application should be made Local Authority Primary Admissions department.

Where there are places available but more applications than places, the published oversubscription criteria, as set out above, will be applied.

If there are no places available, the child will be added to the waiting list (see above).

You will be advised of the outcome of your application in writing, and you will have the right of appeal to an independent appeal panel.

Fair Access Protocol

The school is committed to admitting its fair share of children who are vulnerable and/or hard to place, as set out in locally agreed protocols. Accordingly, outside the normal admission round, the Governing Body is empowered to give absolute priority to a child where admission is requested under any locally agreed protocol. The Governing Body has this power, even when admitting the child would mean exceeding the published admission number (subject to the infant class size exceptions).

NOTES AND DEFINITIONS (these notes form part of the oversubscription criteria)

1. **A Statement of Special Educational Needs** is a statement made by the

Local Authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the Local Authority under section 37 of the Children and Families Act 2014, specifying the special educational provision required for a child.

2. **A looked after child** has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a Child Arrangements Order or special guardianship order.

3. **Catholic** means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of Catholic baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest.

4. **Catechumen** means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

5. **Eastern Christian Church** includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

6. **Children of other Christian denominations**, as defined by the Catholic Education Service (CES), are children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves:

- to seek a deepening of their communion with Christ and with one another in the Church, which is his body
- to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit.

An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and Churches Together in Wales (CYTUN) are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

7. **Children of other faiths** means children who are members of a religious community that does not fall

within the definition of 'other Christian denominations' at 6 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

8. **Sibling** includes:

- (i) All natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address
- (ii) the child of a parent's partner where that child lives for at least part of the week in the same family unit at the same address as the applicant.

Documentation providing proof of the above will be required. This may include birth certificates and proof of residence.

9. **Parent/carer** means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

Place of residence

A child will be deemed to live at the residential property at which the parents or persons with parental responsibility for the child reside at the closing date for receipt of applications for admission to the school. Where parental responsibility is held by more than one person and

those persons reside in separate properties, the child's ordinary place of residence will be deemed to be that property at which the child resides for the greater part of the week.

Appeals against the Governing Body's decision to refuse admission

1. If a place is not available at the school, parents/carers have the right of appeal. Such appeals against non-admission will be heard by an Independent Appeals Panel formed in accordance with the DfE Admissions Appeal Code. Details of the appeals process will be made available to all unsuccessful applicants
2. Parents/carers who intend to make an appeal against the Governing Body's decision to refuse admission must submit a notice of appeal, by the date specified in the refusal letter, to:

Democratic Services
Sheffield City Council

Broomhill Infant School is a small school (120 pupils) with Foundation status. It is maintained by Sheffield CYPD. It is situated in the central area of the city. The school has four classes, two of which are mixed ages.

The school was inspected by Ofsted in June 2011 and was judged "outstanding"

The school gained the Challenge Award from NACE in June 2009 in recognition of its provision for more able pupils and also has Healthy School Status and The Eco School Green Flag. In August 2014 Broomhill Infant School became a Forest School.

The school is inclusive in nature and serves children and families from a wide range of social, cultural and ethnic backgrounds. This aspect is highly valued in contributing to the breadth of the educational, creative and social experience of our pupils. Up to forty per cent of our children speak English as an additional language and this is celebrated in our school. The school has slightly higher than average mobility of pupils, partly due to families who study at the university or work at the hospitals and then return to their country of origin or move to another area.

The school has linked status with Nether Green Junior School. The majority of Year 2 pupils transfer to this school but a place is not guaranteed at Nether Green Junior School.

The Admission Code

It will apply to admission arrangements determined in 2019 for admission in school year 2020/21 and any future years. The Code applies to admissions to all maintained schools in England. It should be read alongside the School Admission Appeals Code and other guidance and law that affect admissions and admission appeals in England.

It is the responsibility of admission authorities to ensure that admission arrangements are compliant with this Code. Where a school is the admission authority, this responsibility falls to the governing body or Academy Trust.

Admission Arrangements to the School

Children can start school in the September after their 4th Birthday. Parents of four year olds have greater flexibility over choosing when their child can start primary school. The Governing Body, which is the admissions authority for this school, usually admits children at three points during the school year which are September, January and April. To discuss other options, including part time options, please contact the Head teacher.

Special Educational Needs

Any child that has a statement of SEN or an EHC plan that names Broomhill Infant School as a first choice will be offered a place. A Statement of Special Educational Need/EHC Plan is a statement made by the local authority under Section 324 of the Education Act 1996 specifying the special educational provision required for that child.

Admission Oversubscription Criteria

Where there are more applications for admission than the indicated admission number¹, the Admission Committee of the Governing body will apply the following criteria in order:

1. Children in Public Care (Looked After)
A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

This includes children who were

adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

2. Where the child has a sibling² attending the school at the time of admission. In addition, the attendance of an older sibling at our linked junior school (Nether Green Junior School) will be included.
3. Proximity³ of the child's ordinary place of residence⁴ to the school, with those living nearer being accorded the higher priority.

Notes.

1. The Indicated Admission number for Broomhill Infant school is 40.
2. A sibling is a child who permanently or usually lives at the same address as:-
 - a. the child for whom an application has been made and who will attend the preferred school or the linked Junior school at the point of entry and;
 - b. a parent or person who has parental responsibility for the child for whom an application for admission is being made.
3. A determination of proximity is the distance measured by a straight line between the child's ordinary place of residence and the main entrance to the school building.
4. The child's ordinary place of residence will normally be a residential property at which the parent or person or persons with parental responsibility for the child resides at the latest date for receiving applications for admission to school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place

of residence will normally be the property at which the child resides with the parent or person or persons with parental responsibility, for the greater part of the week. 'If parents share responsibility in equal measure, they will be asked to agree upon the 'normal place of residence': schools cannot make this decision for parents.

3

Allocating places

The Admissions Committee of the Governing body allocates places on the basis of Broomhill Infant School's determined admission arrangements only, and a decision to offer or refuse admission is not made by one individual.

Infant class size

Infant classes (those where the majority of children will reach the age of 5, 6 or 7 during the school year) must not contain more than 30 pupils with a single school teacher. Additional children may be admitted under limited exceptional circumstances. '

Waiting lists

The Admissions Committee of the Governing body maintain a clear, fair and objective waiting list for each school year of admission. Each added child will require the list to be ranked again in line with the published oversubscription criteria. Priority is not given to children based on the date their application was received or their name was added to the list. Looked after children, previously looked after children, will take precedence over those on a waiting list.

On receipt of an in-year application the Admission Committee of the Governing body will notify the local authority of both the application and its outcome, to allow the local authority to keep up to date figures on the availability of places in the area. The Admission Committee of the Governing body will also inform parents of their right to appeal against the refusal of a place

Right to appeal

When the Admission Committee of the Governing body informs parents of a decision to refuse their child a place at a school for which they have applied, it will include the reason why admission was refused; information about the right to appeal; the deadline for lodging an appeal and the contact details for making an appeal. Parents will be informed that, if they wish to appeal, they must set out their grounds for appeal in writing. The Admission Committee of the Governing body will not limit the grounds on which appeals can be made.

If parents/carers require any further details please contact the Head teacher.

Key Dates

Closing and allocation dates will be consistent with Sheffield Authority's co-ordinated scheme – details of which will be given in the composite prospectus.

Parental Preference

The Local Authority Common Application form provides the opportunity for parents/carers to express up to 3 preferences of schools in rank order of preference.

PLEASE NOTE HOWEVER:

All applications will be considered by the admission authority of this school on an equal preference basis. This means that eligibility for places in the school will be considered first of all by applying the school's over subscription criteria to your application irrespective of whether this school is your first, second or third preference.

The ranking of your preference will only be used in the final allocation of a place within the LA'S co-ordinated scheme where there is more than 1 potential offer.

Co-ordinated Admission Arrangements

The Co-ordinated Scheme

The Education Act 2002 introduced changes to the way in which the Local Authority manages admission to schools.

The changes have been introduced to make admission process fairer, more transparent and less stressful for parents. The co-ordinated scheme for admissions to Reception at a Sheffield Primary school is designed to ensure that every parent who lives in Sheffield and has applied for a school place for their child receives a single offer of a school place on the same day.

You will only have to complete one application to apply for a combination of any three schools, including Voluntary Aided, Voluntary Controlled Foundation Schools and Academies.

In order to provide every parent with an offer of one single place Sheffield Local Authority will be working collaboratively with the Governing Bodies of the Catholic, Church of England, Academies and Foundation schools within the area of Sheffield.

If you submit an application form before the closing date, a single offer of a school place will be made on 16 April 2020.

A full version of Sheffield's co-ordinated admission scheme can be found on the Council's website; www.sheffield.gov.uk/pupiladmissions

No common application received by the Local Authority

Parents who do not submit an application will not receive an offer of a school place on 16 April 2020.

Please note that the LA strongly advises parents to complete and submit an application. Non-completion of a form (paper copy or online) will seriously reduce your child's

chance of being offered a place at a school you want, since places will be allocated first to parents who have submitted an application form or applied online by the closing date.

Sheffield's Co-ordinated Admission Scheme and How to Apply

This is how the co-ordinated scheme works:

1. You decide on a maximum of three schools that you would like to apply for.

Please read pages 8 and 34-110 for details of how the Community, Voluntary Controlled, Voluntary Aided and Foundation Schools in Sheffield decide eligibility for a place. Places at your catchment school are not guaranteed.

2. Having decided on your three schools you then have to make a second decision. In which order would I prefer my child to attend these schools?

In other words, which is your first, second and third preferred school. This process is called ranking.

3. On the Common Application there are three boxes to put the names of your preferred schools and your reasons for your preferences.

It is very important that you record your preferences in the right order, starting with your first preference.

By listing your preferences in this way, they are in rank order.

- All the Community, Voluntary Controlled, Voluntary Aided Academies and Foundation Schools in Sheffield operate an 'equal preference' system.
- The Primary admissions team will determine whether or not there

are places available at your three preferred schools. If you have named a Voluntary Aided or Foundation school the LA will liaise directly with the governing body on your behalf.

- If there is a place available then your child is “eligible for admission” for that school.
- Because you may have expressed preferences at three different schools, your child may be eligible for admission at one, two, all three or none of the schools.
- Section 2 of this booklet explains how the Local Authority determines whether your child is eligible for a place at a primary school.
- The outcome of your application will be one of the following (table below):

You must think very carefully about the preferences that you make and take advantage of the information available in this booklet to help you make informed decisions.

In the example at column 1 (table below)

even though you would be eligible for all three schools you would only be offered School A as this is the school you have ranked highest. You would not be offered schools B or C.

If you do not obtain a place at your preferred school you will be able to appeal. Further advice on the appeals procedures is given at page 107.

Consideration of preferences

At the closing date of 15 January 2020 the process of trying to meet parental preferences begins. This means that all Admission Authorities for schools named on the common application have to determine whether the child is eligible for admission to their school. The eligibility of your application for the schools indicated on your application is assessed against the oversubscription criteria that applies to each of the schools.

Once it is determined which of the preferred schools your child is eligible for (this could be all three, a combination of two, one or none of the schools indicated on your common application), Sheffield

1st Preferred School	School A	NAMES OF THREE DIFFERENT SCHOOLS AND REASONS FOR EACH
Reasons for 1st preference		
2nd Preferred School	School B	
Reasons for 2nd preference		
3rd Preferred School	School C	
Reasons for 3rd preference		

Key

- E** Your child is **eligible** for admission, which creates a potential offer
- O** School oversubscribed – your child is not eligible for a place based on admission criteria
- A** Your child will be allocated a place at the highest ranked preference for which he/she is eligible

Preferred Schools in rank order		Possible Outcomes of 3 Preferences							
		1	2	3	4	5	6	7	8
1st	School A	E^A	O	O	E^A	E^A	E^A	O	O
2nd	School B	E	E^A	O	E	O	O	E^A	O
3rd	School C	E	E	E^A	O	E	O	O	O

LA will allocate the highest ranked school for which you are eligible.

Offer Date

Applications received by Primary Admissions up to and including 31 January 2020 will be allocated a school place on 16 April 2020.

Late Applications

- Late applications/ changes in circumstances/ changes to preferences received by the Authority up to 31 January 2020, will be allocated a place on 16 April 2020.
- All other late applications/ changes in circumstances/ changes to preferences for Reception received after 31 January 2020 by the Authority will be dealt with after 16 April 2020.
- After the allocation date of 16 April 2020 parents may add or amend their preferences but may only have a maximum of 3 preferences. If a parents wishes to add a new preference(s) they will therefore have to withdraw one or more of their original preferences to leave a maximum of three.
- After 16 April 2020 the late applications/ changes in circumstances/changes to preferences will be processed in date received order and in accordance with the published oversubscription criteria. Places will be allocated to one of your preferred schools or nearest available schools depending on availability.
- Please note that vacancies that arise after allocation date are also filled in date order. This means that the place will be offered to the applicant who has the highest right of admission according to the oversubscription criteria and whose application was received after allocation date up to the date that the vacancy arose.

Waiting Lists

(For Sheffield community and voluntary controlled schools)

- Voluntary Aided schools and Broomhill Infant will maintain their own waiting lists.
- The Primary Admissions Team will establish a waiting list for all Community and Voluntary Controlled primary schools and Academies in Sheffield where the number of applications for those schools has exceeded the number of places available.
- Your child will automatically be placed on a waiting list for a Community or Voluntary Controlled school or Academy where he/she has been refused a place at a school ranked higher than the allocated school.

The position on the waiting list is not affected by the ranked order.

- Waiting lists will be maintained until the end of the Summer Term 2021.
- Priority on the waiting list must be determined according to the oversubscription criteria the child falls into. It is unlawful to prioritise a waiting list based on the length of time a child has spent on it. A child arriving in the catchment area will therefore have a higher place on the waiting list than a non-catchment child who has been on the waiting list longer. For this reason, your child's position on a waiting list can go down as well as up.
- A place becomes available at an oversubscribed school only when the number of pupils allocated falls below the published admission number.
- Should a place become available at a school, and your child is at the top of the waiting list the following will happen;
 - **Before they have started school,** The Authority will automatically

4

allocate your child the school place and withdraw the school your child had previously been allocated. It is assumed that you will take up the place at the highest ranked school. The previous school place will be allocated to another child if there is demand for the place. You will not be contacted prior to this action being taken, therefore, if you do not wish for your child to remain on a waiting list you must inform Primary Admissions in writing.

- **After they have started school,** Primary Admissions will write to you to inform you that a place has become available. You will be asked to contact us, before a specific date, to tell us if you want the place. If you do not contact us before this date, the place will be offered to the next child on the waiting list. Your child will be removed from the waiting list.
- If you would like your child to be placed on a waiting list of a school that you ranked lower than the one you have been allocated, you must request this in writing to the Primary Admissions Team.

A place on the waiting list does not guarantee that your child will secure a place at that school, nor does it mean that you should not continue to try and secure a school place elsewhere.

It is advisable that you either consider the school that has been allocated to your child or contact Pupil Admissions for suggestions of alternative schools with available places.

Confirmation of address

In order to ensure that all parents and children are treated fairly under the terms of the City Council's Admission Policy, Sheffield Local Authority reserves the right to request proof to confirm the address given on your application form.

Change of address

If you change address or are planning to move, the Primary Admissions Team will need to see proof of your new address. A house move may change your catchment area school and affect the status of your application.

Catchment status and consideration of an application is based on the child's normal place of residence at the latest date for receiving applications (31 January 2020).

If you are considering a change of address you should contact Primary Admissions to be advised of the possible change to your application and to determine what proof is required.

Entry outside the normal year group

Children are normally educated in their chronological year group, though exceptions may be made in specific circumstances.

If you feel that your child should enter primary school earlier/later than the normal date you should make your application in writing to the Primary Admission Team.

Parents are responsible for providing supporting evidence for such requests. Applications are normally considered by the Admissions Committee which will make a final decision.

Admission to School for Children of UK Service Personnel

The Local Authority acknowledges that service families are subject to frequent movement within the UK and from abroad, often at relatively short notice.

Although the Local Authority is not able to reserve places for blocks of pupils of service personnel it may accept applications from parents returning to their area some months in advance and

may allocate a school place where the school has a place available.

Statutory Appeal

Appeals for a Sheffield community school

If your child has been refused a place at a school, you have a right of appeal to an Independent Appeal Panel. To appeal you must complete an appeal form which can be obtained from the Primary Admissions Team;

Primary Admissions
Floor 5, West Wing,
Moorfoot
Sheffield S1 4PL

Tel: 0114 273 5766

ed-admissions
@sheffield.gov.uk

Alternatively you may wish to download an appeal form from Sheffield City Council's website; www.sheffield.gov.uk/pupiladmissions

Before completing your appeal form, you should read the 'Appeal Guidance for Parents' that will be sent with your appeal form. It has been produced to help you understand the role of the Independent Appeal Panel.

You should set out the reasons why you want your child to attend the particular school and include any supporting documentation.

You should return your completed form and any supporting information to Legal and Governance, Town Hall, Sheffield, S1 2HH. Parents applying in the normal admission round will be advised of the closing date. Appeal hearings for forms received after the date advised in the letter may be subject to delay.

You will be notified in writing by Legal and Governance about the date when the Appeal Panel will meet to consider your application. The hearings are normally held in the Town Hall, Pinstone Street.

You have the right to attend the hearing and speak in support of your appeal and you may, if you wish, be accompanied by a friend or representative.

THE INDEPENDENT APPEAL PANEL'S DECISION IS FINAL AND BINDING ON THE ADMISSIONS AUTHORITY, THE SCHOOL AND THE PARENT.

The above appeal process does not apply to pupils with an Education Health Care Plan or statement of special educational needs. If your child has an Education Health Care Plan or statement, please contact the SEN Team on 0114 273 6394.

Appeals for a school not maintained by sheffield LA

If you wish to appeal for a school in a Neighbouring Authority, you must obtain an appeal form from that Authority.

Fair Access Protocol

All Local Authority's are required to establish a protocol for placing vulnerable children over and above the normal admission procedure.

The protocol is designed to ensure that access to education is secured quickly for children who have no school place and to ensure that schools within an area admit their fair share of children with challenging behaviour. Under the protocol the Authority may admit a child into a school that is full. The protocol provided a definition of categories of children that may be considered under the arrangements. Children without a school place must take precedence over children on a waiting list attending another school. The protocol may be applied to applications received outside of the 'normal year of entry'.

Home to School Transport Policy

This section of the booklet describes the Local Authority's responsibility with regards to Home to School Transport for "Eligible children". Before applying for free transport you are advised to read this section.

How to Apply for Free Transport

To apply for a Zero Fare bus pass, contact the Customer First Team on 0114 273 4567. You will be sent an application form. You must return the completed form to the following address:

Customer Services,
Floor 2 Howden House,
Union Street, Sheffield S1 2SH

If your child meets the criteria for transport the Authority will provide a bus pass enabling your child to travel free of charge to and from school on public transport. Please note that Sheffield Authority does not have a statutory duty to provide transport for children who do not meet the criteria.

Please note that misuse of the bus pass or inappropriate behaviour on the bus, may result in the withdrawal of the pass.

Pupils attending a Sheffield school but who live outside the Sheffield boundary must apply to their Home Authority.

Before applying for free transport you are advised to read the following information about Sheffield's Transport policy.

General Entitlement to Free Transport

The Authority will make provision for free home to school transport in certain circumstances for children of compulsory school age, irrespective of income. Parents and Carers may apply for places at any school and will be offered a place if there is availability. Normally if a place is taken up outside the catchment area the child would not be eligible for free transport.

Statutory eligibility criteria for free home to school transport:

- Your child is under 8 years old, attends their catchment area or nearest suitable school and lives more than two miles from the school by the most direct walking distance, accompanied as necessary.
- Your child is 8 years old or over attends their catchment area or nearest suitable school and lives more than three miles from the school by the most direct walking distance, accompanied as necessary.

The Authority must also make free transport available for children who live within the statutory walking distances of their nearest qualifying school but the nature of the route is such that the child cannot reasonably be expected to walk (accompanied as necessary) in reasonable safety.

The Authority's Road Safety Team may be requested to undertake an assessment of a specific journey. In doing so it will consider any proposed journey under

nationally approved criteria. Factors taken into account will include:

- The age of the child
- Whether any potential risk could be mitigated against if the child was accompanied.
- The width of any road travelled on and the existence of pavements
- The volume and speed of traffic
- The existence or otherwise of street lighting

If you think your child is eligible for free transport you should contact 0114 273 4567 to request an application form, or call into First point at Howden House. Once the form is completed return it as described above under "How to Apply for Free Transport".

Children entitled to free school meals or those whose parents are in receipt of their maximum level of Working Tax Credit.

From September 2007 children aged 8 but under 11 and entitled to free school meals or whose parents are in receipt of their maximum level of working tax credit, qualify for a free bus pass if they live more than 2 miles from their qualifying school.

If you think you may be eligible under this criteria or require help or advice please contact Customer Services on 273 4567.

Home to School Transport Appeals Process

The following two stage home to school transport review/appeals process will be implemented for applicants who do not meet the statutory eligibility criteria and have been refused assistance with transport to a school.

The parent/carer who wishes to challenge a decision about the transport arrangements offered to their child,

including questions of their child's eligibility for travel support, the distance measurement and the safety of the route, will be entitled to seek a review of and, if necessary, an appeal to the Admissions Committee against the decision.

Stage one:

Once a decision has been made to refuse Home to School Transport, a parent/carer will receive a letter from Customer First informing them that:

They have **20 working days** from receipt of the local authority's home to school transport decision, to make a written request asking for a review of that decision.

The written request should detail why the parent/carer believes the decision should be reviewed and give details of any personal and/or family circumstances the parent believes should be considered when the decision is reviewed.

Within **20 working days** of receipt of the parent's written request, a senior officer will review the original decision and send the parent a detailed written outcome setting out:

1. The nature of the decision reached;
2. What factors were considered;
3. How the review was conducted (including the standard followed e.g. consideration of eligibility criteria, qualifying schools, Road Safety etc. if appropriate);
4. Information about other departments and/or agencies if they were consulted as part of the process (if appropriate);
5. The rationale for the decision reached;
6. Information regarding further escalation of the appeals process to stage two (if appropriate).

Stage two:

The parent/carer has 20 working days from receipt of the local authority's Stage one decision to make a written request to escalate the matter to stage two where an Admissions Committee will meet and consider the individual circumstances. The parent/carer should submit detailed reasons for the appeal, together with any supporting information/documents.

The Terms of Reference for the Admissions Committee is set out in the Council's Constitution. The Committee have delegated authority to determine appeals against decisions to refuse transport. This means that the Committee has discretion to consider any case that does not fall within the Council's Home to School Transport Policy. The Committee is experienced with regard to school transport legislation guidance.

Within **40 working days** of receipt of a request for escalation, the Committee will consider representations from the parent and Local Authority officers. The appeal will be determined on the basis of the written material submitted.

Before reaching their decision the Committee will look at all the available information and documentary evidence and reach a considered view in light of their discretion. The Committee will consider whether there are any exceptional educational, financial, medical, physical, family or social circumstances. The Committee will also consider the reasons for choosing a particular school. **Please insert any other factors you feel are relevant.**

Once a decision has been reached the parent/carer will receive a detailed written outcome of the appeal setting out:

1. The nature of the decision reached;
2. What factors were considered;
3. The rationale for the decision reached;

4. How the review was conducted (including consideration of eligibility criteria qualifying schools, road safety assessments etc, if appropriate);
5. The guidelines and standards followed (including statutory duties, DFE guidelines, road safety assessments);
6. Information about other departments and/or agencies that were consulted as part of the process (if appropriate);
7. If refused, information about escalation to the Local Government Ombudsman (see below).

Complaint to the Local Government Ombudsman/Judicial Review

The decision of the Committee is final and there is no further appeal, unless there have been significant and material changes in the parent's circumstances that require a new decision about their application, e.g. medical reasons or they have moved house.

Where an appeal is unsuccessful at Stage two, appellants will be notified that they have the right of complaint to the Local Government Ombudsman, only where complainants consider that there was a failure to comply with the procedural rules or if there are any other irregularities in the way the appeal was handled.

If the complainant considers the decision of the Admission Committee to be flawed on public law grounds, the complainant may also apply for judicial review.

This document will be published on the Sheffield City Council's website and paper copies will be provided with refusal letters.

Sustainable Transport

Sheffield City Council is developing a Strategy that aims to enable and encourage home to school journeys to be made by ways other than the private

car, for example by walking, cycling and using public transport.

It will do this by ensuring that you have access to travel and transport information when you make your choice of schools. We will work with young people, parents and carers and schools to see how we can improve the journey to school and encourage sustainable travel.

The objectives of our Strategy are to:

- Encourage travel by modes other than the private car
- Provide travel choice
- Improve travel safety
- Improve the health of children, young people and parents
- Raise awareness and promote sustainable travel options

Interactive Map

From the following link www.sheffield.gov.uk/gettingtoschool you can access a new easy to use interactive map to explore your sustainable travel options. This will include information on bus routes, cycle routes and safe walking routes. Adopted School Travel Plans will also be available to view.

You can access the internet for free at your local library or First Point centre.

Complaints

If you are unhappy with the service you have received and would like to make a complaint, you should put your concerns in writing to the Principal Admissions Officer at the address on page 90. This procedure should not be confused with the appeal process described on page 69 which allows you to appeal for a different school to the one you have been allocated.

If you are still unhappy you may complain to the Local Government ombudsman. See contact details below

The Authority works closely with Early Years Providers to:

- Provide a good quality free education place for all 3 and 4 year olds whose parents want one, from the term after their third birthday.
- Develop good quality childcare for children aged 0-14 years across the City.

Details of the Early Years Education Childcare can be obtained on the Sheffield City Council website at www.sheffield.gov.uk.

Early Years Education Places

Every three and four year old is entitled to a free early years education place. Places are available in Nursery School and Primary School Nurseries, Young Children Centres and in most private, community and independent nurseries or pre-schools. Places are also available in eligible child-minding networks.

Further information on Early Education and Childcare is available from the Children's Information Service. Tel. 275 6699, Monday to Friday, 9.30 – 3.30 pm.

When parents or carers have any worries about their child's educational progress or development, they should discuss these with staff in school. Schools have access to a wide range of Support Services, including the Educational Psychology Service, and can seek additional expert knowledge where it is needed.

Families can seek advice directly from the Educational Psychology Service on a range of matters relating to children's development where these are not school-related. The service may be able to offer helpful ideas and strategies to try, or suggest other useful contacts. For further details contact 0114 250 6800.

Special Educational Needs (SEN) Section

Most children with special educational needs are educated in mainstream schools. A small minority of children have more complex needs. The SEN Section works with schools and families to ensure that all children with SEN are identified and supported appropriately.

The SEN Section allocates Special School and Integrated Resource Unit placements. For further information contact 0114 273 6394.
