# Introduction

---

Your child will be starting school. It is natural that you may find this an anxious time, as you will want to make the right decision in the best interests of your child.

This guide applies to all Community, Voluntary Controlled and Voluntary Aided schools in Sheffield Academies and Broomhill Infant (Foundation) School. It is designed to explain the procedures for applying for a Reception place for your child.

Please read the guide, so that you understand what will be happening and when. If you are unsure about any part of the process, there are several places you can ask for help. These are listed in the guide. You can contact the Primary Admissions Team on 0114 273 5766. For more information about how to contact the team, see page 89.

## Admissions - Top Tips

A high number of parents are offered a place at one of their preferred primary schools. To help you through the system we have produced the following top tips as a result of experience in previous years:

### 1. You must complete a Common Application Form (CAF)

If you do not complete a form, apply on line, or over the telephone you will not be offered a place at a Sheffield School. Places are not “reserved” at your catchment area school. If you do not make an application, you will not be offered a place.

### 2. Complete the Form by 16 January 2017

If you apply late, your application will be considered after all others so you will have less chance of obtaining a place at your preferred school. See page 82 for how late applications are processed.

### 3. Be realistic in expressing your preferences

You are free to apply for whichever school(s) you wish. You are strongly advised to read the information in this booklet. You need to work out where you are on the list of priorities for entry for each school you wish to consider. The Admissions team can help you with this. Please make informed choices.

### 4. Remember, whilst you can apply for any school, that does not mean that your child will receive a place there.

If a school is oversubscribed we have to apply the oversubscription criteria which are provided on page 8 of this booklet.

These criteria determine which children have priority for admission, please read and understand them. If you are applying for a Church Aided or Foundation School their criteria are also contained in the booklet.

### 5. Make sure you know who is making the decision about admissions

For Community and Voluntary Controlled Schools the City Council makes the decision. For Voluntary (Church Aided), Foundation Schools and Academies it is the Governing Body.

### 6. Consider your options carefully

The Authority cannot advise you to apply for your catchment area school. It can however advise you of the possible outcomes if you do not. If you do not include your catchment area school as one of your preferences and you are unsuccessful in obtaining a place at another school, you will not automatically be offered a place there.

If for example your catchment area school has become full with pupils whose parents applied there, you may be offered the nearest school to your home address that has available places. This may be some distance away. You could for example apply for your catchment school as your third preference. The Authority does not guarantee places to catchment children.

### 7. Select three different schools

You are strongly advised to use all three preferences. Selecting a second and third preference does not weaken your first preference, it does however give you a possible fall back position if your first preference is unsuccessful. Do not

select the same school twice, it will not increase your chances.

## **8. Consider your ranking carefully**

You will be offered a place at your highest ranked school with available places. If you are eligible for all three schools you will be offered the first ranked school. It is important therefore that you rank your schools carefully.

## **9. Previous years provide no guarantee**

If any of your other children or neighbours obtained places at a school in previous years, that is no guarantee that the same outcome will occur for the year you are applying to. This can be affected by the number of children in the cohort and by application patterns in any given year.

## **10. Provide any additional information**

You are responsible for providing supporting information for your application. This may include factors such as medical information from a relevant professional, family circumstances or any other factors that are relevant to you. There are no rules on this matter, if you think it is important include it in your application. See page 9 for more advice about tie breakers and providing information to support your application and how the Admission Committee will consider it.

## **11. We use a straight line measurement as a tie-breaker**

We do not use bus routes or walking routes. This may change the school that you consider to be your nearest.

## **12. Keep all correspondence**

Keep all letters you receive in relation to your application as you may need them at a later appeal.

## **13. Finally – ASK!**

Our experienced team of Officers are here to help you. We know what an important time this is and we want you to

obtain a place at your preferred school. Contact details are provided on page 89.

## **Frequently Asked Questions**

### **1. Is a place reserved for me at my catchment area school?**

No, it is unlawful to reserve places. If you do not apply for your catchment school as one of your 3 preferences you have less chance of being offered a place there.

### **2. Am I guaranteed a place at my catchment school if I apply there?**

No, places cannot be guaranteed even for catchment area residents. If we receive more applications than places, the oversubscription criteria and distance from home to school will be used as a tie-breaker.

### **3. Do I have a better chance by applying early?**

No, all applications received up to the closing date will be considered equally.

### **4. What happens if my application is late?**

You have less chance of receiving a place at one of the schools that you have applied for. For information on how the authority will deal with late applications, please see page 88.

### **5. Am I guaranteed a place at a primary school if I have another child there?**

No, again there are no guarantees. Outcomes will depend on the number of applications received. Parents need to consider this carefully before making a preference.

## 6. Can I apply for just one school?

Yes you can but you are strongly advised to submit 3 preferences.

## 7. What if the school is oversubscribed?

If more applications are received than there are places we will prioritise places in the following order:

1. Children in Care or previously in Care
2. Catchment Area with Sibling
3. Catchment Area
4. Siblings of children refused a place at their catchment school
5. Siblings
6. Other applications

Church schools will do the same with their own criteria.

## 8. What happens if I am not offered a place at my first preference?

We will consider your second and third preferences and if possible offer a place at one of these. You will be placed on a waiting list for any higher ranked school where you have been refused a place.

## 9. What happens if I am offered none of my three preferences?

You will be offered a place at the nearest school to your home address that has available places. This may or may not be your catchment area school. You will be placed on the waiting list for any school for which you are refused admission for.

## 10. How does the waiting list work?

The waiting list starts on 17 April 2017 following allocation. Your position on the waiting list depends on the admission category you fall into, i.e. a "Sibling" category applicant will be higher than a "Other" category applicant.

The waiting list must be prioritised by admission category and not by the length of time spent on it. A late catchment area applicant will therefore

automatically be placed above a "Sibling" category applicant.

The waiting list is maintained until the end of the summer term. If a place becomes available at a school it will be offered to the next pupil on the list.

## 11. How does the appeal process work?

You have an automatic right of appeal for any school for which you are refused admission. The appeal panel is independent of the Local Authority and has the authority to offer a place at a school that is "full". You will be notified of the appeal process if you are refused admission at any of your preferred schools.

## 12. If I appeal will I lose the place currently allocated to me?

No, a place at your allocated school will remain unless you secure a place elsewhere.

## 13. When and where are appeals heard?

If you appeal on time, appeals are normally heard in June and July. Appeals for Sheffield Schools are held at the Town Hall in the City Centre. You will receive further details if you appeal.

## 14. Where can I obtain further information?

There is a great deal of information available on the process and on individual schools, these are just a few examples:

1. Sheffield Local Authority Admissions website  
<http://www.sheffield.gov.uk/pupiladmissions>
2. Advisory Centre for Education (Independent)  
<http://www.ace-ed.org.uk/>  
Telephone 020 7704 3370
3. OFSTED (School Inspections)  
<http://www.ofsted.gov.uk/>

## Eligibility for a School Place

Where the Admissions Authority receives more applications than there are places at a school, it must have criteria for prioritising the applications to determine which applicants will be eligible for a school place. These are known as oversubscription criteria.

## Oversubscription Criteria

### (for sheffield community, voluntary controlled schools and Academies)

The following oversubscription criteria confirm the priorities for admission to Sheffield Community and Voluntary Controlled Primary Schools, (for details of the oversubscription criteria for Voluntary Aided Schools, please see **pages 34 to 82**).

For Broomhill Infant Foundation School see **page 84**.

## Special Educational Needs

Any child that has an Education Health Care Plan or statement of Special Educational Needs that names a specific school must be offered a place there. The following oversubscription criteria outline the priorities for admission to Sheffield Community Schools and Academies.

### 1 - CHILDREN IN CARE OR PREVIOUSLY IN CARE

Pupils who are in Care or who were previously in Care will be admitted to the school. Children who were previously in Care are children who were in care but ceased to be so because they were adopted or became subject of a child arrangement or special guardianship order **immediately** following being in Care

### 2 - CATCHMENT AREA & SIBLING

Children who live in the catchment area at the latest date for receiving applications and who apply for a place will be considered next. Catchment area children who will have siblings attending the preferred school or linked Junior School will be prioritised above other catchment applicants.

### 3 - CATCHMENT AREA

Children living in the catchment area for the preferred school that do not have a sibling attending, will be considered next.

Catchment areas can be checked at [www.sheffield.gov.uk/pupiladmissions](http://www.sheffield.gov.uk/pupiladmissions)

### 4 - BROTHERS AND SISTERS OF CHILDREN REFUSED A PLACE AT THEIR CATCHMENT SCHOOL

In circumstances where parents have applied on time for but have been refused a place at their catchment school for older siblings and allocated a place at a non-catchment school, any younger sibling will be afforded priority sibling status. This will only apply where allocated a preference ranked lower than the catchment school or allocated the nearest school available.

### 5 - BROTHERS OR SISTERS

A sibling is defined as a child who permanently or usually lives at the same address as:-

- a brother and/or sister
- a stepbrother and/or a stepsister (to include half brothers/sisters)

and in both cases will attend or has been allocated the preferred or linked school at the point of entry. In addition where the requested school is an infant school, the attendance of an older sibling at the linked junior school will be included.

## 6 - OTHER APPLICATIONS

Any child who does not fit into one of the above categories will be considered next. Places will be allocated up to the published indicated admission number.

### TIE BREAKERS

Where the admission number is reached mid admission category there are two stages of further consideration:

- Where exceptional medical, social or special educational needs are demonstrated by supporting evidence from a professional an application *may* be prioritised by the Admissions Committee but only within the same admission category (please see the detailed explanation of how the Admissions Committee operates).

If you feel you have exceptional circumstances you should provide full details and supporting third party evidence. For **example**, if your reasons relate to a medical condition of you or your child, you should support your explanation with a letter from a relevant medical professional.

- If there are no exceptional circumstances, all other applications will be prioritised first by the admission category and then by distance from the home address to a designated point at the school building. This is a straight-line measurement from the school to the house.

## TWINS AND MULTIPLE BIRTHS

In circumstances where there is one place remaining and the next eligible children are twins or multiple birth, the Local Authority may make an exception and allocate above the admission number.

The Authority cannot guarantee that other siblings of multiple birth families will automatically follow if one is offered a place through normal arrangements.

### CHILDREN LIVING EQUAL DISTANCE FROM THE SCHOOL

In circumstances where two or more children live at addresses that are equidistant from the school the process of Random Allocation will take place.

The Random Allocation will:

- (i) be independently supervised by a representative of the Legal and Governance Department;

## Admissions Committee

Applications for oversubscribed schools will be considered against the oversubscription criteria described above.

Only where parents provide additional third party evidence from a professional to support their application, will it be submitted to the Admission Committee which may consider giving priority within category if it is satisfied that circumstances are exceptional.

If supporting information from a professional is **not** provided then distance from home to school will be used as a tie-breaker. (This process is undertaken before the national offer date of 17 April 2017).

The Admissions Committee consists of Elected Members who have delegated authority to make admission decisions on behalf of Sheffield City Council.

## When will the process start?

**October 2016**

If you live in Sheffield you will receive a leaflet and covering letter explaining how to apply for a school place.

**16 January 2017**

Closing date for returning your completed application

**17 April 2017**

Offer Date

## What decisions do I have to make?

You must decide which school(s) you wish to apply for. If you do not express your preferences online, over the telephone or submit an application, the pupils of parents who do, will be considered before your child.

If your child has special educational needs and you would like advice about how this affects your preferences, please contact the SEN Transition Team on 0114 273 6394.

## What happens next?

Telephone applications will be acknowledged. You should check the order of preferences on the acknowledgement. Paper forms will not be

acknowledged. If you require confirmation that your form has been received, contact Admissions.

On 17 April 2017 you will be informed of your single allocated school place. This may or may not be one of your three preferences. If you have applied online you will receive an email. If you apply over the telephone you can request that you be notified via email or by letter. If you have applied on a paper form you will receive a letter.

To find out how the Authority allocates school places see page 8 which explains Sheffield Authority's oversubscription criteria. Page 86 explains the co-ordinated admission scheme. For information about the oversubscription criteria for Voluntary Aided and Foundation schools in Sheffield, see pages 34 to 82.

## What happens if I change my mind about the preferences I have made?

If you change your mind before the closing date of 16 January 2017.

- Write to Primary Admissions confirming your new preferences, the ranked order and supporting reasons.

If you submit a change of preferences the Authority will disregard all previous applications. The Authority will only process one common application per pupil at any given time.

Applications and changes received up to 30 January 2017, will be processed and receive an outcome which will be communicated to parents on 17 April 2017.

All other applications/changes received after 31 January 2017 will be treated as late and dealt with as described on page 88.

## Fraudulent Applications

The City Council makes every effort to ensure that all school places are allocated in strict accordance with its published admission arrangements.

**The Authority takes the issue of fraudulent application very seriously. If the Authority receives any information alleging that an application has been made fraudulently it will require parents to provide at least two forms of proof to confirm the address.**

Where the Authority has made an offer of a place at a school on the basis of fraudulent or intentionally misleading information, which has effectively denied a place to a child with a higher right of entry, it will be withdrawn.

If the Authority withdraws a place on the above grounds you will be offered a place at another school and notified of your right of appeal.

All allocations made in error will also be withdrawn.

- The facility is available 24 hours a day 7 days a week up to 5 December 2016.

## Transfer from Separate Infant to Junior Schools

This section provides information about the transfer from separate infant to junior schools, specifically Nether Green Junior School. You should consider this information if you are thinking of applying to Broomhill or Nether Green.

### Nether Green Infant/ Broomhill Infant and Nether Green Junior School

The Independent Government Appointed School's Adjudicator awarded Broomhill Infant (Foundation) School linked feeder status with Nether Green Junior School with effect from September 2003. The decision means that all applicants for Nether Green Junior who attend either Broomhill Infant or Nether Green Infant schools will be afforded "designated feeder" status in accordance with Sheffields approved admission criteria. For further explanation of the criteria, please contact Primary Admissions on 0114 273 5766.

**Designated feeder status does not guarantee admission to Nether Green Junior school at the point of transfer to Year 3. Parents of children entering Broomhill Infant and Nether Green Infant schools at any time between Reception and Year 2 should be mindful of this fact.**

The published admission numbers for Nether Green Infant and Broomhill Infant are 75 and 40 respectively. If all parents in these two schools apply for Nether Green Junior school a maximum of 115 linked applications could be received at the transfer to Y3. There are only 90 places available at Nether Green Junior. For the past 11 academic years there have been more applications received from the feeder schools than there were places available.

- **2006/07 school year:**  
101 applications received
- **2007/08 school year:**  
95 applications received
- **2008/09 school year:**  
102 applications received
- **2009/10 school year:**  
104 applications received
- **2010/11 school year:**  
108 applications received
- **2011/12 school year:**  
101 applications received
- **2012/13 school year:**  
99 applications received
- **2013/14 school year:**  
111 applications received
- **2014/15 school year:**  
107 applications received
- **2015/16 school year:**  
107 applications received
- **2016/17 school year:**  
100 applications received

In the event of oversubscription from pupils who attend Nether Green Infant and Broomhill Infant Schools, the Local Authority offers Year 3 places in the following priority order:

1. Children in Care and Previously in Care
2. Children resident in the Nether Green catchment area who have siblings at Nether Green Infant, Junior or Broomhill Infant schools.
3. Children resident in Nether Green Catchment area
4. Children who do not live in the Nether Green catchment area but who will have a sibling attending Nether Green Infant or Junior, or Broomhill Infant schools.
5. All other applications.

Parents whose children do not attend one of the feeder infant schools should note the above information if they are considering applying for Nether Green Junior. The school is very popular. The high number of applications received from the two feeder schools means that it is extremely unlikely that places will be available for other children, except through the appeal process, and this can not be guaranteed for 2017/2018.

## Linked Feeder Schools - Infant to Junior School

Below is an alphabetical list of separate Infant schools in Sheffield and the Junior school for which it has feeder status. Children attending a linked infant school have the highest right of admission to the Junior school as long as there are

sufficient places available, and a preference is expressed for that school. Attendance at a linked Infant School does not guarantee a place at the linked Junior School.

Children attending a “through” Primary School will progress from Year 2 to Year 3. Parents are therefore not required to apply for a place.

## Details of oversubscribed schools - Reception 2016/2017

Details of schools which were over subscribed in the 2016/2017 academic year are given in the following table. The number of applicants refused, only indicates those children who were not allocated a place at a higher preference school.

(Figures correspond only with applications received before the 15 January 2016 closing date) and reflect the position at allocation date (ie. 18 April 2016).

This information is provided as a guide, similar outcomes cannot be guaranteed next year. If you wish to apply for any school not listed please contact the Admissions Team to discuss the numbers and admission categories that were allocated.

# Admissions Terminology

## Academy

An Academy is a state-funded, non fee-paying independent school. Academies are required to comply with the Code and Law relating to admissions.

## Admission authority

The Admission Authority is responsible for determining admission arrangements to schools. For community and voluntary controlled schools in Sheffield, the Admission Authority is the Local Authority. For all voluntary aided primary and foundation schools and Academies the Admission Authority is the school Governing Body.

## Admission arrangements

The Admission Authority must publish the admission arrangements for all its schools on an annual basis. This booklet contains admission numbers for schools, application procedures & timetables, oversubscription criteria and information about waiting lists.

## Catchment area

Each community and voluntary controlled school and academy has a defined catchment area. This is defined by the City Council. Your address is linked to a specific school.

## Common application form

This is the application form that invites 3 preferences and supporting reasons. This form is to be completed whether applying for a community, voluntary controlled, voluntary aided or foundation school in Sheffield and can be completed online, over the telephone or by filling out a paper form.

## Community schools

These schools come under the responsibility of the Local Authority. The admissions policy for community schools

is determined and implemented by the Local Authority. The Local Authority is the Admission Authority for Community Schools and allocates school places.

## Composite prospectus

The Education Act 2002 requires the CYPF to publish information annually about admissions for the following school year. This booklet is the 'composite prospectus' for the 2017/2018 academic year.

## Eligible for a school place

This is where a child can be offered a place at a school either because:

- The number of applications for the school is below the admission number; or
- It is oversubscribed but the child has a higher priority under the admission criteria when compared to other children.

## Foundation schools

Foundation Schools are run by their own Governing Body, which sets the admission criteria.

## Home authority

The Authority in which the parent/carer and child resides.

## IAN

Indicated Admission Number. An IAN is determined in consultation with each school.

## Key stage 1

Reception, Year 1 and year 2.

## Key stage 2

Year 3 to Year 6.

## Maintaining authority

The Authority in which a school is located.

**Normal place of residence**

The child's normal place of permanent residence will normally be a residential property at which the parent or person(s) with parental responsibility for the child resides at the latest date for receiving applications for admission to the school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's normal place of residence will normally be the property at which the child resides with the parent or person(s) with parental responsibility, for the greater part of the week.

**Oversubscription criteria**

Each Admission Authority must establish criteria. This is applied where more applications have been received than there are places available at the school. The criteria determine which applicants can be offered places.

**Parental preference**

You are invited to express up to 3 preferences on the common application. The Admission Authority must comply with parental preference unless admission will prejudice the provision of efficient education or the efficient use of resources at the school. You are not guaranteed a place at any of your preferred schools.

**Ranking**

The order in which parents have to list their three preferences on the common application. Parents are advised to put their favourite school first.

**Sheffield's co-ordinated scheme**

Each LA must determine a scheme which outlines how the LA intends to co-ordinate with other Admission Authorities within its area, in order to carry out admissions for Sheffield residents.

**Sibling (definition for community schools and Academies)**

A sibling is defined as a child who permanently or usually lives at the same address as:-

- a brother and/or sister
- a stepbrother and/or a stepsister (to include half brothers/sisters)

and in both cases will attend the preferred school at the point of entry

**Single offer**

The one offer for a school place for your child as determined by the co-ordinated scheme.

**Voluntary aided school**

These schools are church aided. The Governing Body is the Admission Authority and establishes the admissions arrangements and determines who is eligible for a school place.

**Voluntary controlled school**

Voluntary controlled schools are similar to voluntary aided schools, but are run by the Local Authority which employs staff and sets the admission criteria.

**Compulsory School Age**

By law, a child must be in full-time education from the beginning of the term after their fifth birthday. This may be at school or parents may make provision to educate their children at home.

**The right to Access Full Time Education Earlier**

All children have had the option to start school from the September after their fourth birthday.

- Parents have flexibility to choose when their child starts primary school on a full time basis.
- Parents can also choose a free full or part time place in a nursery or other early learning provider so their child can access the Early Years

Foundation Stage (this is same as a reception class which 4 year olds attend before starting compulsory school when they are 5)

### **What are the options for my child?**

You will apply for a place as normal. When your allocated school place is confirmed you will be able to:

- Choose when your child starts reception class – you can decide if this will be full-time or part-time from the September after their fourth birthday
- Choose a free full-time place (25 hours per week term time) or part-time place at a school, or a part time place at any eligible early learning provider, such as a pre-school, day nursery, children's centre, or nursery school. This means your child can access the Early Years Foundation Stage at an early years provider instead of school, if you feel this will be better for your child.
- Choose for your child not to attend an early years provider or school until they reach the compulsory school starting age of 5 (see information about 'Summer born children' for more details)
- Choose to defer the take up of either a full or part-time place in the school reception class until you feel your child is ready for this.
- You should always discuss your intentions with the allocated school

### **Deferred Entry**

This means you can choose for your child to start later in the academic year (at the start of the January or April terms). Your child must be in full time education when they reach compulsory school age (the term after their fifth birthday).

### **Summer Born Children/Delayed Entry**

The Government has recognised the concerns of parents who have summer born children with regard to their

readiness for fulltime education. This applies equally to children who were born after their full term and those born prematurely who would otherwise have been born in the following academic year.

Sheffield will consider requests to delay admission into Reception until your child reaches statutory school age ie, term after their fifth birthday. This means you are requesting that your child begins full time education in the following Reception Year Group to what they are entitled according to their chronological year group.

If your child is summer born (April-August) and you wish to make a request to delay your child's admission into Reception, you must put your request in writing to the Principal Admissions Officer outlining your reasons and provide supporting information from a professional to demonstrate why it would be in the best interest of your child and why they are not yet 'school ready'.

Your request must be made before the latest date for receiving applications for your child's chronological year group this is the 31 January each year (or nearest working day if it falls on a weekend). You must also apply for a Reception place in your child's chronological year group. If your request for delayed admission is approved, your application for your child's chronological year group will be withdrawn and you will need to reapply for place for the following academic year.

The Local Authority will consider your request for delayed admission and notify you of the outcome before the allocation day for your child's chronological year group, this is 16th April each year (or nearest working day if it falls at the weekend).

More information about this process, timescales and how your request will be considered, is available from the Admissions Team or from [www.sheffield.gov.uk/pupiladmissions](http://www.sheffield.gov.uk/pupiladmissions)

## Waiting List

All pupils refused a place at any school ranked higher than the allocated school, will be automatically placed on a waiting list for those schools. The waiting list will be discontinued on 31 July 2018.

### Attendance at Nursery

You should note that if your child attends a nursery class attached to a school there is no guarantee of a place in reception.

### Numbers of Places Available at each School

All Primary schools have an indicated admission number (IAN) that determines the number of available places in Reception. Once an IAN or temporary higher admission limit is determined for a particular school year, that number will remain in force as that year group moves through the school.

The admission number for each Sheffield school is published in this booklet on pages 13 to 23.

## Infant Class Size Limit

The law states that it is the responsibility of Education Authorities to ensure that infant classes of 5, 6 and 7 year olds do not contain more than 30 children to a single qualified teacher.

The Local Authority must allocate places up to the Published Admission Number if there is demand. Once this number has been reached, the Admission Authority is not required to admit any further pupils where to do so would create a class of more than 30.

The LA must comply with class size limits and will normally refuse admission to a pupil if that application will lead to there being a class of more than 30. If the LA were to admit more than 30

pupils in an infant class without exceptional reasons, it would be required to implement 'qualifying measures'.

Such measures may include employing an additional teacher or providing an additional classroom for the current and/or future years. If the Authority refuses admission for your child you will be notified of your right of appeal.

The Statutory Appeal Panel is independent of the Authority and schools and ordinarily has the power to place a child at a school that is full. Where an application has been refused on class size grounds the discretion of the Appeal Panel is severely restricted and it may only look at the following;

### The Panel may only uphold an appeal if it is satisfied:

1. That the admission of an additional child would not breach the infant class size limit; or
2. It finds that the admission authority did not comply with admission law or the arrangements were not correctly and impartially applied and that the child would have been offered a place if the arrangements had complied or had been correctly and impartially applied; or
3. The admission arrangements were not correctly or impartially applied in the case in question; or
4. It decides that the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

Parents may wish to consider this information when deciding whether to appeal. More information about the appeal process is available on our website or by contacting Admissions

St John Fisher Primary – a Catholic Voluntary Academy is a Church aided school in the Diocese of Hallam. This means that the members of Parish and the Diocese of Hallam have contributed towards the cost of building the academy and continue to care for its buildings and its people.

The academy provides distinctive Christ centred, Catholic education for children aged 4+ to 11+ years, with priority being given to Catholic children who live within the parish of Our Lady of Lourdes and St Anthony's.

It is a Catholic Voluntary Academy which the Governing Body is responsible for admissions. It is guided in that responsibility by the requirements of law; the requirements of the Trust Deed and the academy's Instrument of Government; by advice from the Diocesan Trustees and its duty to the Catholic community and the Common

Good.

Please note that admission to St John Fisher Primary – a Catholic Voluntary Academy does not guarantee admission to a Catholic High School, which has its own admission policy.

## **Admission Arrangements to the School**

### **Co-ordinated Scheme for Admission arrangements**

The co-ordinated scheme for admissions is a mechanism that ensures that all parents/carers resident in Sheffield LA and who have expressed a preference for St John Fisher Primary – a Catholic Voluntary Academy before the closing date will receive a single offer of a school place on the same day from the Authority. In order to provide every parent with an offer of one single place the Authority will be working with the Governing Bodies of the Catholic Voluntary Academies within the Sheffield area, including St John Fisher Primary – a Catholic Voluntary Academy. Details of the co-ordinated scheme can be obtained from the Authority.

### **Pupils with a Statement of Special Educational Needs**

The admission of pupils with a Statement of Special Educational Needs or an Education, Health and Care Plan is dealt with by a completely separate procedure. Children with a Statement of Special Educational Needs or Education, Health and Care Plan that names the school must be admitted. Where this takes place before the allocation of places under these arrangements this will reduce the number of places available to other children. (footnote 3)

### **ADMISSION TO THE ACADEMY**

A child is entitled to a full time place in the September following their fourth birthday. A request may be made for the date at which a child, below compulsory school age, is admitted to the school, to

be deferred to a later date in the school year but not beyond the point at which they reach compulsory school age or beyond the beginning of the final term of the school year. A child may take up the offer of a part time place until the child reaches compulsory school age. On receipt of the offer of a place a parent should notify the school, as soon as possible, that they wish to defer their child's entry to school or take up a part time place.

### **Admission of Children outside their normal age group**

Request may be made for children to be admitted outside of their normal age group. Any such request should be made in writing to the Headteacher of the school. The Governing Body will make its decision based on the circumstances of each case and in the best interests of the child. Including taking into account the views of the Headteacher, including the Headteacher's statutory responsibility for the internal organisation, management and control of the school, the governing body will take into account the views of the parents and of appropriate medical and education professionals.

### **Admission Oversubscription Criteria**

Where applications exceed the number of available places the following criteria will be strictly applied to decide which children will be admitted:

Where there are more applications for admission than the planned admission number stated (footnote 1), the Governing Body will apply the following criteria in strict order of priority:

Should the planned admission number be reached mid category, the Governing Body, as the admissions authority will make a decision based on distance – with priority being given to children who live nearest to the school as the crow flies. The distance will be measured from the main entrance of the child's

home to the main entrance of the school by the Local Authority and provided to the school.

In circumstances where two or more children live the same distance from the school the offer of a place will be decided by random allocation. Random allocation will be carried out in a public place and be supervised by a person independent of the school. All names will be entered into a hat and the required number of names drawn out.

St. Theresa's Catholic Primary School is

a Church aided school in the Diocese of Hallam and is maintained by Sheffield LA. This means that the members of Parish and the Diocese of Hallam have contributed towards the cost of building the school and continue to care for its buildings and its people.

The school provides distinctive Christ centred, Catholic education for children aged 4+ to 11+ years, with priority being given to children who live and worship within the parish of St. Theresa's.

It is a Voluntary Aided School in which the Governing Body is responsible for admissions. It is guided in that responsibility by the requirements of law, by advice from the Diocesan Trustees and its duty to the Catholic community and the Common Good.

Please note that admission to St. Theresa's Catholic Primary School does not guarantee admission to a Catholic High School, which has its own admission policy.

### Admission Arrangements to the School

Although the law does not require children to be admitted to school until the beginning of the term following their fifth birthday, in 2017/18 parents will be given an option for their child to enter the primary reception class full or part-time from the September after their fourth birthday, choosing for them to start in September or to remain in Nursery till January or Easter. The school will consult with any parent who wishes to discuss their choice for their child.

If no alternative is requested the Governing Body being the admissions authority for this school, will usually admit children into school at the following times:

- a) children whose fifth birthday falls between 1st September and 31st December – admission at the beginning of the Autumn Term in

September.

- b) children whose fifth birthday falls between 1st January and 31st August – admission at the beginning of the Spring Term in January.

The Local Authority Common Application provides the opportunity for parents/ carers to express up to 3 preferences in rank order of preference.

Broomhill Infant School is a small school (120 pupils) with Foundation status. It is maintained by Sheffield CYPD. It is situated in the central area of the city. The school has four classes, two of which are mixed ages.

The school was inspected by Ofsted in June 2011 and was judged “outstanding”

The school gained the Challenge Award from NACE in June 2009 in recognition of its provision for more able pupils and also has Healthy School Status and The Eco School Green Flag. In August 2014 Broomhill Infant School became a Forest School.

The school is inclusive in nature and serves children and families from a wide range of social, cultural and ethnic backgrounds. This aspect is highly valued in contributing to the breadth of the educational, creative and social experience of our pupils. Up to forty per cent of our children speak English as an additional language and this is celebrated in our school. The school has

slightly higher than average mobility of pupils, partly due to families who study at the university or work at the hospitals and then return to their country of origin or move to another area.

The school has linked status with Nether Green Junior School. The majority of Year 2 pupils transfer to this school but a place is not guaranteed at Nether Green Junior School.

### Admission Oversubscription Criteria

Where applications exceed the number of available places the following criteria will be strictly applied to decide which children will be admitted:

- Children in Public Care (Looked After)  
A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.  
This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).
- Where the child has a sibling<sup>2</sup> attending the school at the time of admission. In addition, the attendance of an older sibling at our linked junior school (Nether Green Junior School) will be included.
- Proximity<sup>3</sup> of the child's ordinary place of residence<sup>4</sup> to the school, with those living nearer being accorded the higher priority.

#### Notes.

1. The Indicated Admission number for Broomhill Infant school is 40.

2. A sibling is a child who permanently or usually lives at the same address as:-
  - a. the child for whom an application has been made and who will attend the preferred school or the linked Junior school at the point of entry and;
  - b. a parent or person who has parental responsibility for the child for whom an application for admission is being made.
3. A determination of proximity is the distance measured by a straight line between the child's ordinary place of residence and the main entrance to the school building.
4. The child's ordinary place of residence will normally be a residential property at which the parent or person or persons with parental responsibility for the child resides at the latest date for receiving applications for admission to school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will normally be the property at which the child resides with the parent or person or persons with parental responsibility, for the greater part of the week. 'If parents share responsibility in equal measure, they will be asked to agree upon the 'normal place of residence': schools cannot make this decision for parents.

If parents/carers require any further details the full admission policy is available by contacting the Headteacher.

#### Key Dates

Closing and allocation dates will be consistent with the co-ordinated scheme – details of which will be given in the composite prospectus.

## Parental Preference

The Local Authority Common Application form provides the opportunity for parents/carers to express up to 3 choices of schools (2 in Doncaster) in rank order of preference.

PLEASE NOTE HOWEVER:

That ALL applications will be considered by the admission authority of this school on an equal preference basis. This means that eligibility for places in the school will be considered first of all by applying the school's over subscription criteria to your application irrespective of whether this school is your first, second or third preference.

The ranking of your preference will only be used in the final allocation of a place within the LA'S co-ordinated scheme where there is more than 1 potential offer.

## Co-ordinated Admission Arrangements

### The Co-ordinated Scheme

The Education Act 2002 introduced changes to the way in which the Local Authority manages admission to schools.

The changes have been introduced to make admission process fairer, more transparent and less stressful for parents. The co-ordinated scheme for admissions to Reception at a Sheffield Primary school is designed to ensure that every parent who lives in Sheffield and has applied for a school place for their child receives a single offer of a school place on the same day.

You will only have to complete one application to apply for a combination of any three schools, including Voluntary Aided, Voluntary Controlled Foundation Schools and Academies.

In order to provide every parent with an offer of one single place Sheffield Local

Authority will be working collaboratively with the Governing Bodies of the Catholic, Church of England, Academies and Foundation schools within the area of Sheffield.

If you submit an application form before the closing date, a single offer of a school place will be made on 17 April 2017.

A full version of Sheffield's co-ordinated admission scheme can be found on the Council's website;  
[www.sheffield.gov.uk/pupiladmissions](http://www.sheffield.gov.uk/pupiladmissions)

### No common application received by the Local Authority

Parents who do not submit an application will not receive an offer of a school place on 17 April 2017.

**Please note that the LA strongly advises parents to complete and submit an application. Non-completion of a form (paper copy, over the telephone or online) will seriously reduce your child's chance of being offered a place at a school you want, since places will be allocated first to parents who have submitted an application form or applied on line by the closing date.**

## Sheffield's Co-ordinated Admission Scheme and How to Apply

This is how the co-ordinated scheme works:

1. You decide on a maximum of three schools that you would like to apply for. Please read pages 8 and 34-82 for details of how the Community, Voluntary Controlled, Voluntary Aided and Foundation Schools in Sheffield decide eligibility for a place. Places at your catchment school are not guaranteed.

# 3

2. Having decided on your three schools you then have to make a second decision. In which order would I prefer my child to attend these schools?

In other words, which is your first, second and third preferred school. This process is called ranking.

3. On the Common Application there are three boxes to put the names of your preferred schools and your reasons for your preferences.

It is very important that you record your preferences in the right order, starting with your first preference.

By listing your preferences in this way, they are in rank order.

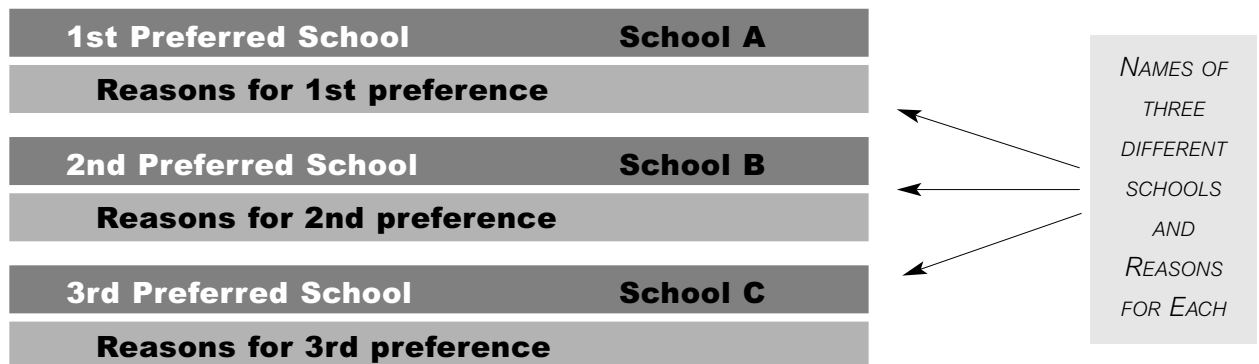

- All the Community, Voluntary Controlled, Voluntary Aided Academies and Foundation Schools in Sheffield operate an 'equal preference' system.
- The Primary admissions team will determine whether or not there are places available at your three preferred schools. If you have named

a Voluntary Aided or Foundation school the LA will liaise directly with the governing body on your behalf.

- If there is a place available then your child is "eligible for admission" for that school.
- Because you may have expressed preferences at three different schools, your child may be eligible for admission at one, two, all three or none of the schools.
- Section 2 of this booklet explains how the Local Authority determines whether your child is eligible for a place at a primary school.
- The outcome of your application will be one of the following (table below):

You must think very carefully about the preferences that you make and take advantage of the information available in this booklet to help you make informed decisions.

In the example at column 1 (table below) even though you would be eligible for all

### KEY

- E** Your child is **eligible** for admission, which creates a potential offer
- O** School oversubscribed – your child is not eligible for a place based on admission criteria
- A** Your child will be allocated a place as the highest ranked preference for which he/she is eligible

### Preferred Schools in rank order

	1	2	3	4	5	6	7	8
--	---	---	---	---	---	---	---	---

1st	School A	<b>E<sup>A</sup></b>	<b>O</b>	<b>O</b>	<b>E<sup>A</sup></b>	<b>E<sup>A</sup></b>	<b>E<sup>A</sup></b>	<b>O</b>	<b>O</b>
2nd	School B	<b>E</b>	<b>E<sup>A</sup></b>	<b>O</b>	<b>E</b>	<b>O</b>	<b>O</b>	<b>E<sup>A</sup></b>	<b>O</b>
3rd	School C	<b>E</b>	<b>E</b>	<b>E<sup>A</sup></b>	<b>O</b>	<b>E</b>	<b>O</b>	<b>O</b>	<b>O</b>

three schools you would only be offered School A as this is the school you have ranked highest. You would not be offered schools B or C.

If you do not obtain a place at your preferred school you will be able to appeal. Further advice on the appeals procedures is given at page 85.

### Consideration of preferences

At the closing date of 16 January 2017 the process of trying to meet parental preferences begins. This means that all Admission Authorities for schools named on the common application have to determine whether the child is eligible for admission to their school. The eligibility of your application for the schools indicated on your application is assessed against the oversubscription criteria that applies to each of the schools.

Once it is determined which of the preferred schools your child is eligible for (this could be all three, a combination of two, one or none of the schools indicated on your common application), Sheffield LA will allocate the highest ranked school for which you are eligible.

### Offer Date

Applications received by Primary Admissions up to and including 31 January 2017 will be allocated a school place on 17 April 2017.

### Late Applications

- Late applications/ changes in circumstances/ changes to preferences received by the Authority up to 31 January 2017, will be allocated a place on 17 April 2017.
- All other late applications/ changes in circumstances/ changes to preferences for Reception received after 31 January 2017 by the Authority will be dealt with after 17 April 2017.
- After the allocation date of 17 April 2017 parents may add or amend their preferences but may only have a maximum of 3 preferences. If a parents wishes to add a new preference(s) they will therefore have to withdraw one or more of their original preferences to leave a maximum of three.
- After 17 April 2017 the late applications/ changes in circumstances/changes to preferences will be processed in date received order and in accordance with the published oversubscription criteria. Places will be allocated to one of your preferred schools or nearest available schools depending on availability.
- Please note that vacancies that arise after allocation date are also filled in date order. This means that the place will be offered to the applicant who has the highest right of admission according to the oversubscription criteria and whose application was received after allocation date up to the date that the vacancy arose.

### Waiting Lists

#### (For sheffield community and voluntary controlled schools)

- Voluntary Aided schools and Broomhill Infant will maintain their own waiting lists.
- The Primary Admissions Team will establish a waiting list for all Community and Voluntary Controlled primary schools and Academies in Sheffield where the number of applications for those schools has exceeded the number of places available.
- Your child will automatically be placed on a waiting list for a Community or Voluntary Controlled school or Academy where he/she has been refused a place at a school ranked

higher than the allocated school. The position on the waiting list is not affected by the ranked order.

- Waiting lists will be maintained until the end of the Summer Term 2017.
- Priority on the waiting list must be determined according to the oversubscription criteria the child falls into. It is unlawful to prioritise a waiting list based on the length of time a child has spent on it. A child arriving in the catchment area will therefore have a higher place on the waiting list than a non-catchment child who has been on the waiting list longer. For this reason, your child's position on a waiting list can go down as well as up.
- A place becomes available at an oversubscribed school only when the number of pupils allocated falls below the published admission number.
- Should a place become available at a school, and your child is at the top of the waiting list the following will happen;
  - **Before they have started school,** The Authority will automatically allocate your child the school place and withdraw the school your child had previously been allocated. It is assumed that you will take up the place at the highest ranked school. The previous school place will be allocated to another child if there is demand for the place. You will not be contacted prior to this action being taken, therefore, if you do not wish for your child to remain on a waiting list you must inform Primary Admissions in writing.
  - **After they have started school,** Primary Admissions will write to you to inform you that a place has become available. You will be asked to contact us, before a specific date, to tell us if you want the place. If you do not contact us before this date, the place will be offered to the next child on the waiting list. Your

child will be removed from the waiting list.

- If you would like your child to be placed on a waiting list of a school that you ranked lower than the one you have been allocated, you must request this in writing to the Primary Admissions Team.

A place on the waiting list does not guarantee that your child will secure a place at that school, nor does it mean that you should not continue to try and secure a school place elsewhere.

It is advisable that you either consider the school that has been allocated to your child or contact Pupil Admissions for suggestions of alternative schools with available places.

### **Confirmation of address**

In order to ensure that all parents and children are treated fairly under the terms of the City Council's Admission Policy, Sheffield Local Authority reserves the right to request proof to confirm the address given on your application form.

### **Change of address**

If you change address or are planning to move, the Primary Admissions Team will need to see proof of your new address. A house move may change your catchment area school and affect the status of your application.

Catchment status and consideration of an application is based on the child's normal place of residence at the latest date for receiving applications (31 January 2017).

If you are considering a change of address you should contact Primary Admissions to be advised of the possible change to your application and to determine what proof is required.

### **Entry outside the normal year group**

Children are normally educated in their chronological year group, though

exceptions may be made in specific circumstances.

If you feel that your child should enter primary school earlier/later than the normal date you should make your application in writing to the Primary Admission Team.

Parents are responsible for providing supporting evidence for such requests. Applications are normally considered by the Admissions Committee which will make a final decision.

## Admission to School for Children of UK Service Personnel

The Local Authority acknowledges that service families are subject to frequent movement within the UK and from abroad, often at relatively short notice.

Although the Local Authority is not able to reserve places for blocks of pupils of service personnel it may accept applications from parents returning to their area some months in advance and may allocate a school place where the school has a place available.

Where the preferred school is full the Admissions Committee may reconsider the application at the request of parents. The Committee will take into account the circumstances of the family and the needs of the child in determining whether to admit.

## Statutory Appeal

### Appeals for a Sheffield community school

If your child has been refused a place at a school, you have a right of appeal to an Independent Appeal Panel. To appeal you must complete an appeal form which can be obtained from the Primary Admissions Team;

Primary Admissions  
Floor 5, North Wing,  
Moorfoot  
Sheffield S1 4PL

Tel: 0114 273 5766  
Fax: 0114 273 4155

ed-admissions  
@sheffield.gov.uk

Alternatively you may wish to download an appeal form from Sheffield City Council's website; [www.sheffield.gov.uk/pupiladmissions](http://www.sheffield.gov.uk/pupiladmissions)

Before completing your appeal form, you should read the 'Appeal Guidance for Parents' that will be sent with your appeal form. It has been produced to help you understand the role of the Independent Appeal Panel.

You should set out the reasons why you want your child to attend the particular school and include any supporting documentation.

You should return your completed form and any supporting information to Legal and Governance, Town Hall, Sheffield, S1 2HH. Parents applying in the normal admission round will be advised of the closing date. Appeal hearings for forms received after the date advised in the letter may be subject to delay.

You will be notified in writing by Legal and Governance about the date when the Appeal Panel will meet to consider your application. The hearings are normally held in the Town Hall, Pinstone Street.

You have the right to attend the hearing and speak in support of your appeal and you may, if you wish, be accompanied by a friend or representative.

THE INDEPENDENT APPEAL PANEL'S DECISION IS FINAL AND BINDING ON THE ADMISSIONS AUTHORITY, THE SCHOOL AND THE PARENT.

The above appeal process does not apply to pupils with an Education Health Care Plan or statement of special educational needs. If your child has an Education Health Care Plan or statement, please contact the SEN Transition Team on 0114 273 6394.

### **Appeals for a school not maintained by sheffield LA**

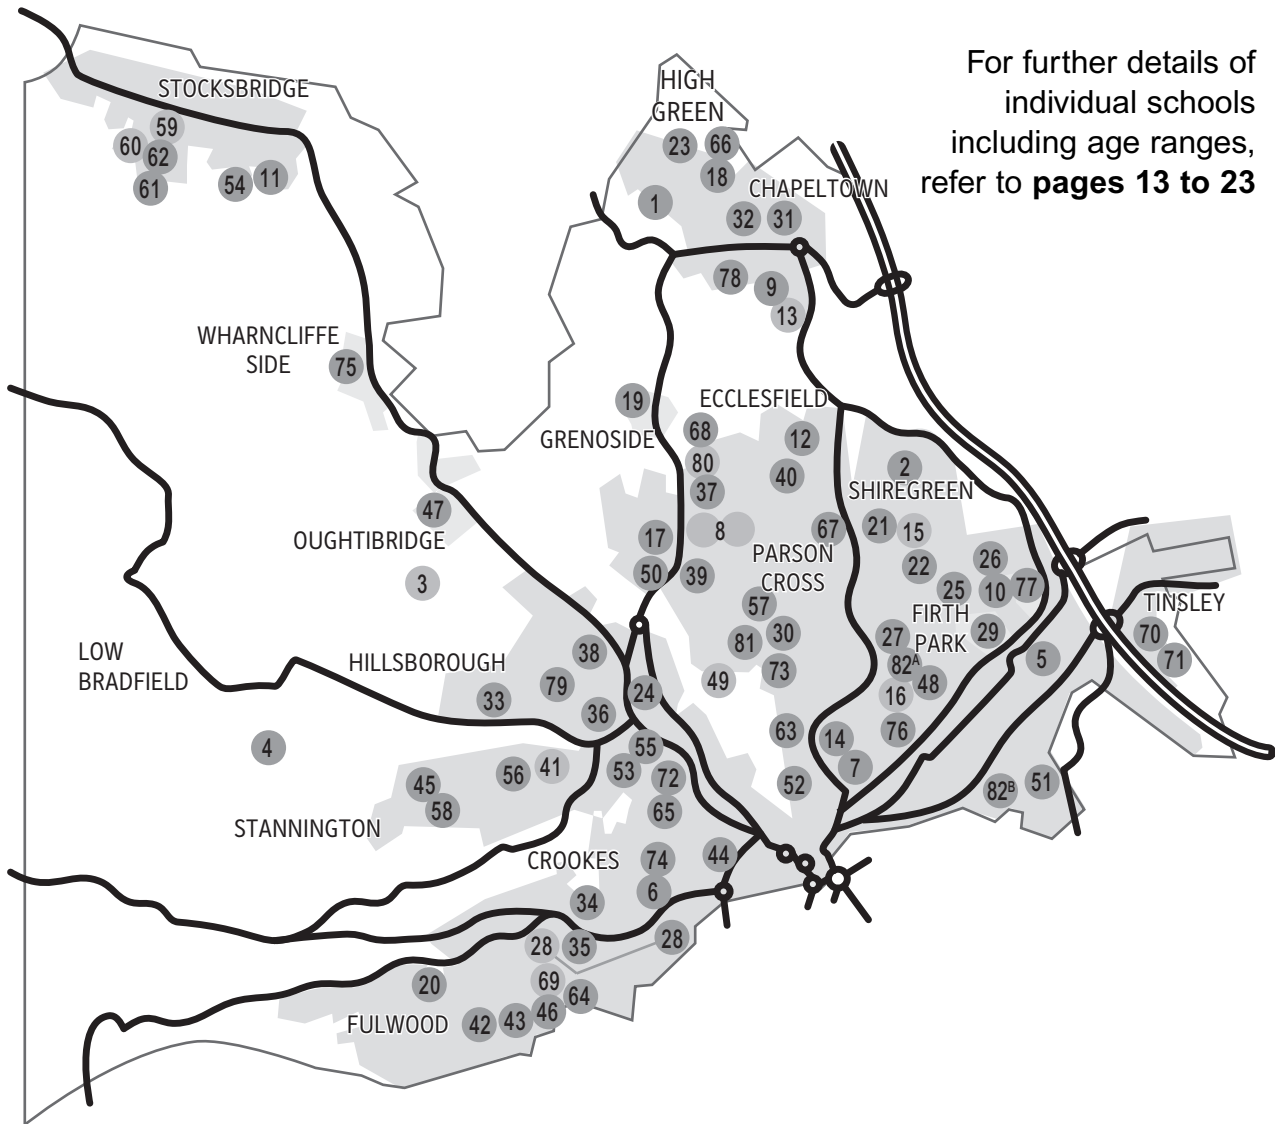

If you wish to appeal for a school in a Neighbouring Authority, you must obtain an appeal form from that Authority.

## **Fair Access Protocol**

All Local Authority's are required to establish a protocol for placing vulnerable children over and above the normal admission procedure.

The protocol is designed to ensure that access to education is secured quickly for children who have no school place and to ensure that schools within an area admit their fair share of children with challenging behaviour. Under the protocol the Authority may admit a child into a school that is full. The protocol provided a definition of categories of children that may be considered under the arrangements. Children without a school place must take precedence over children on a waiting list attending another school.

## Home to School Transport Policy

This section of the booklet describes the Local Authority's responsibility with regards to Home to School Transport for "Eligible children". Before applying for free transport you are advised to read this section.

### **How to Apply for Free Transport**

To apply for a Zero Fare bus pass, contact the Customer First Team on 0114 273 4567. You will be sent an application form. You must return the completed form to the following address:

Customer Services,  
Floor 2 Howden House,  
Union Street, Sheffield S1 2SH

If your child meets the criteria for transport the Authority will provide a bus pass enabling your child to travel free of charge to and from school on public transport. Please note that Sheffield Authority does not have a statutory duty to provide transport for children who do not meet the criteria.

Please note that misuse of the bus pass or inappropriate behaviour on the bus, may result in the withdrawal of the pass.

Pupils attending a Sheffield school but who live outside the Sheffield boundary must apply to their Home Authority.

Before applying for free transport you are advised to read the following information about Sheffield's Transport policy.

### **General Entitlement to Free Transport**

The Authority will make provision for free home to school transport in certain circumstances for children of compulsory school age, irrespective of income. Parents and Carers may apply for places at any school and will be offered a place if there is availability. Normally if a place is taken up outside the catchment area the child would not be eligible for free transport.

### **Statutory eligibility criteria for free home to school transport:**

- Your child is under 8 years old, attends their catchment area or nearest suitable school and lives more than two miles from the school by the most direct walking distance, accompanied as necessary.
- Your child is 8 years old or over attends their catchment area or nearest suitable school and lives more than three miles from the school by the most direct walking distance, accompanied as necessary.

The Authority must also make free transport available for children who live within the statutory walking distances of their nearest qualifying school but the nature of the route is such that the child cannot reasonably be expected to walk (accompanied as necessary) in reasonable safety.

The Authority's Road Safety Team may be requested to undertake an

assessment of a specific journey. In doing so it will consider any proposed journey under nationally approved criteria. Factors taken into account will include:

- The age of the child
- Whether any potential risk could be mitigated against if the child was accompanied.
- The width of any road travelled on and the existence of pavements
- The volume and speed of traffic
- The existence or otherwise of street lighting

If you think your child is eligible for free transport you should contact 0114 273 4567 to request an application form, or call into First point at Howden House. Once the form is completed return it as described above under "How to Apply for Free Transport".

### **Children entitled to free school meals or those whose parents are in receipt of their maximum level of Working Tax Credit.**

From September 2007 children aged 8 but under 11 and entitled to free school meals or whose parents are in receipt of their maximum level of working tax credit, qualify for a free bus pass if they live more than 2 miles from their qualifying school.

If you think you may be eligible under this criteria or require help or advice please contact Customer Services on 273 4567.

## **Home to School Transport Appeals Process**

The following two stage home to school transport review/appeals process will be implemented for applicants who do not meet the statutory eligibility criteria and have been refused assistance with transport to a school.

The parent/carer who wishes to challenge a decision about the transport arrangements offered to their child, including questions of their child's eligibility for travel support, the distance measurement and the safety of the route, will be entitled to seek a review of and, if necessary, an appeal to the Admissions Committee against the decision.

### Stage one:

Once a decision has been made to refuse Home to School Transport, a parent/carer will receive a letter from Customer First informing them that:

They have **20 working days** from receipt of the local authority's home to school transport decision, to make a written request asking for a review of that decision.

The written request should detail why the parent/carer believes the decision should be reviewed and give details of any personal and/or family circumstances the parent believes should be considered when the decision is reviewed.

Within **20 working days** of receipt of the parent's written request, a senior officer will review the original decision and send the parent a detailed written outcome setting out:

1. The nature of the decision reached;
2. What factors were considered;
3. How the review was conducted (including the standard followed e.g. consideration of eligibility criteria, qualifying schools, Road Safety etc. if appropriate);
4. Information about other departments and/or agencies if they were consulted as part of the process (if appropriate);
5. The rationale for the decision reached;

6. Information regarding further escalation of the appeals process to stage two (if appropriate).

### Stage two:

The parent/carer has 20 working days from receipt of the local authority's Stage one decision to make a written request to escalate the matter to stage two where an Admissions Committee will meet and consider the individual circumstances. The parent/carer should submit detailed reasons for the appeal, together with any supporting information/documents.

The Terms of Reference for the Admissions Committee is set out in the Council's Constitution. The Committee have delegated authority to determine appeals against decisions to refuse transport. This means that the Committee has discretion to consider any case that does not fall within the Council's Home to School Transport Policy. The Committee is experienced with regard to school transport legislation guidance.

Within **40 working days** of receipt of a request for escalation, the Committee will consider representations from the parent and Local Authority officers. The appeal will be determined on the basis of the written material submitted.

Before reaching their decision the Committee will look at all the available information and documentary evidence and reach a considered view in light of their discretion. The Committee will consider whether there are any exceptional educational, financial, medical, physical, family or social circumstances. The Committee will also consider the reasons for choosing a particular school. **Please insert any other factors you feel are relevant.**

Once a decision has been reached the parent/carer will receive a detailed written outcome of the appeal setting out:

1. The nature of the decision reached;
2. What factors were considered;
3. The rationale for the decision reached;
4. How the review was conducted (including consideration of eligibility criteria qualifying schools, road safety assessments etc, if appropriate);
5. The guidelines and standards followed (including statutory duties, DFE guidelines, road safety assessments);
6. Information about other departments and/or agencies that were consulted as part of the process (if appropriate);
7. If refused, information about escalation to the Local Government Ombudsman (see below).

### **Complaint to the Local Government Ombudsman/Judicial Review**

The decision of the Committee is final and there is no further appeal, unless there have been significant and material changes in the parent's circumstances that require a new decision about their application, e.g. medical reasons or they have moved house.

Where an appeal is unsuccessful at Stage two, appellants will be notified that they have the right of complaint to the Local Government Ombudsman, only where complainants consider that there was a failure to comply with the procedural rules or if there are any other irregularities in the way the appeal was handled.

If the complainant considers the decision of the Admission Committee to be flawed on public law grounds, the complainant may also apply for judicial review.

This document will be published on the Sheffield City Council's website and paper copies will be provided with refusal letters.

### **Sustainable Transport**

Sheffield City Council is developing a Strategy that aims to enable and encourage home to school journeys to be made by ways other than the private car, for example by walking, cycling and using public transport.

It will do this by ensuring that you have access to travel and transport information when you make your choice of schools. We will work with young people, parents and carers and schools to see how we can improve the journey to school and encourage sustainable travel.

The objectives of our Strategy are to:

- Encourage travel by modes other than the private car
- Provide travel choice
- Improve travel safety
- Improve the health of children, young people and parents
- Raise awareness and promote sustainable travel options

### **Interactive Map**

From the following link [www.sheffield.gov.uk/gettingtoschool](http://www.sheffield.gov.uk/gettingtoschool) you can access a new easy to use interactive map to explore your sustainable travel options. This will include information on bus routes, cycle routes and safe walking routes. Adopted School Travel Plans will also be available to view.

You can access the internet for free at your local library or First Point centre.

## Complaints

If you are unhappy with the service you have received and would like to make a complaint, you should put your concerns in writing to the Principal Admissions Officer at the address on page 90. This procedure should not be confused with the appeal process described on page 69 which allows you to appeal for a different school to the one you have been allocated.

If you are still unhappy you may complain to the Local Government ombudsman. see contact details below

Please refer directly to Voluntary Aided and Broomhill Infant for details of their holidays.

## School Dress Code

Parents/carers should contact individual schools for details of their dress code. Please note that the Authority is no longer able to offer assistance towards school uniform.

## Sheffield Early Years and Childcare Service

The Authority works closely with Early Years Providers to:

- Provide a good quality free education place for all 3 and 4 year olds whose parents want one, from the term after their third birthday.
- Develop good quality childcare for children aged 0-14 years across the City.

Details of the Early Years Education Childcare can be obtained on the Sheffield City Council website at [www.sheffield.gov.uk](http://www.sheffield.gov.uk).

### Early Years Education Places

Every three and four year old is entitled to a free early years education place. Places are available in Nursery School and Primary School Nurseries, Young Children Centres and in most private, community and independent nurseries or pre-schools. Places are also available in eligible child-minding networks.

Further information on Early Education and Childcare is available from the Children's Information Service. Tel. 275 6699, Monday to Friday, 9.30 – 3.30 pm.

When parents or carers have any worries about their child's educational progress or development, they should discuss these with staff in school. Schools have access to a wide range of Support Services, including the Educational Psychology Service, and can seek additional expert knowledge where it is needed.

Families can seek advice directly from the Educational Psychology Service on a range of matters relating to children's development where these are not school-related. The service may be able to offer helpful ideas and strategies to try, or suggest other useful contacts. For further details contact 0114 250 6800.

## **Special Educational Needs (SEN) Section**

Most children with special educational needs are educated in mainstream schools. A small minority of children have more complex needs. The SEN Section works with schools and families to ensure that all children with SEN are identified and supported appropriately.

The SEN Section allocates Special School and Integrated Resource Unit placements. For further information contact 0114 273 6394.
