Introduction

Admissions – Top Tips

A high number of parents are offered a place at one of their preferred junior schools. To help you through the system we have produced the following top tips as a result of experience in previous years:

1 **You must complete a Common Application Form (CAF)**

If you do not complete an application you will not be offered a place at a Sheffield School. Places are not “reserved” at your linked or catchment area or school. If you do not make an application, you will not be offered a place.

2 **Complete and submit your application by 15th January 2019**

If you apply late, your application will be considered after all others so you will have less chance of obtaining a place at your preferred school.

3 **Be realistic in expressing your preferences**

You are free to apply for whichever school(s) you wish. You are strongly advised to read the information in this booklet. You need to work out where you are on the list of priorities for entry for any school you wish to consider. Please make informed choices.

4 **Remember, whilst you can apply for any school, that does not mean that your child will receive a place there**

If a school is oversubscribed we have to apply the oversubscription criteria which are provided on page 7 of this booklet. These criteria determine which children have priority for admission, please read and understand them. If you are applying for a Church Aided or Foundation School their criteria are also contained in this booklet.

5 **Make sure you know who is making the decision about admissions**

For Community and Voluntary Controlled Schools the City Council makes the decision. For Voluntary (Church Aided), and Foundation Schools and Academies it is the Governing Body.

6 **Consider your options carefully**

The Authority cannot advise you to apply for your linked junior school. It can however advise you of the possible outcomes if you do not. If you do not include your linked junior school as one of your preferences and you are unsuccessful in obtaining a place at another school, you will not automatically be offered a place there.

If for example your linked junior school has become full with pupils whose parents applied there, you may be offered the nearest school to your home address that has available places. This may be some distance away. The Authority does not guarantee places to at linked junior schools to pupils attending the linked infant school.

7 **Select three different schools**

You are strongly advised to use all three preferences. Selecting a second and third preference does not weaken your first preference, it does however give you a possible fall back position if your first preference is unsuccessful. Do not select the same school twice, it will not increase your chances.

8 **Consider your ranking carefully**

You will be offered a place at your highest ranked school with available places. If you are eligible for all three schools you will be offered the first ranked school. It is important therefore that you rank your schools carefully.
Previous years provide no guarantee

If any of your other children or neighbours obtained places at a school in previous years that is no guarantee that the same outcome will occur for the year you are applying to. This can be affected by the number of children in the cohort and by application patterns in any given year.

Provide any additional information

You are responsible for providing supporting information for your application.

This may include factors such as medical information from a relevant professional, family circumstances or any other factors that are relevant to you.

Where information from a professional is submitted to support your application, it will be considered by the Admissions Committee who may prioritise your application, within category.

There are no rules on this matter, if you think it is important include it in your application within category.

We use a straight line measurement as a tie-breaker

We do not use bus routes or walking routes. This may change the school that you consider to be your nearest.

Keep all correspondence

Keep all letters you receive in relation to your application as you may need them at a later appeal.

Finally – ASK!

Our experienced team of Officers is here to help you. We know what an important time this is and we want you to obtain a place at your preferred school. Contact details are provided on page 50.

Frequently Asked Questions

1. Is a place reserved for me at my linked junior school?

No, it is unlawful to reserve places. If you do not apply for your linked junior school as one of your 3 preferences you have less chance of being offered a place there.

2. Am I guaranteed a place at my linked junior school if I apply there?

No, places cannot be guaranteed even for linked infant applicants. If we receive more applications than places, we will refer to the oversubscription criteria on page 7.

3. Do I have a better chance by applying early?

No, all applications received up to the closing date will be considered equally.

4. What happens if my application is late?

You have less chance of receiving a place at one of the schools that you have applied for. For information on how the authority will deal with late applications, please see page 19.

5. Am I guaranteed a place at a school if I have another child there?

No, again there are no guarantees. Outcomes will depend on the number of applications received.

6. What if I want to apply for a school outside Sheffield?

You will need to apply to Sheffield Authority. We will then contact to the neighbouring authority on your behalf.

7. Can I apply for just one school?

Yes you can but you are strongly advised to submit 3 preferences.
8 What if the school is oversubscribed?
If more applications are received than there are places we will prioritise places in the following order:
1. Children In Care or previously In Care
2. Attendance at the linked infant school. (in the event of oversubscription within this category, normal admission priorities apply i.e. 3, 4, 5 and 6 would be applied.
3. Catchment Area with siblings
4. Catchment Area
5. Siblings
6. Other applications
Church schools will do the same with their own criteria.

9 What happens if I am not offered a place at my first preference?
We will consider your second and third preferences and if possible offer a place at one of these. You will be placed on a waiting list for any higher ranked school for which you have been refused a place.

10 What happens if I am offered none of my three preferences?
You will be offered a place at the nearest school to your home address that has available places. This may or may not be your catchment area school. You will be placed on the waiting list for any school for which you are refused admission.

11 How does the waiting list work?
The waiting list starts on 17th April 2019 following allocation. Your position on the waiting list depends on the admission category you fall into, i.e. a “Sibling” category applicant will be higher then a “Other” category applicant.
The waiting list must be prioritised by admission category and not by the length of time spent on it.
A late catchment area applicant will therefore automatically be placed above a “Sibling” category applicant. The waiting list is maintained until the end of the first term in 2019. If a place becomes available at a school it will be offered to the next pupil on the list.

12 How does the appeal process work?
You have an automatic right of appeal for any school that you are refused admission for. The appeal panel is independent of the Local Authority and has the discretion to offer a place at a school that is “full”. You will be notified of the appeal process if you are refused admission at any of your preferred schools.

13 If I appeal will I lose the place currently allocated to me?
No, a place at your allocated school will remain unless you secure a place elsewhere.

14 When and where are appeals heard?
If you apply on time, appeals are normally heard in June and July. Appeals for Sheffield Schools are held at the Town Hall in the City Centre. You will receive further details if you appeal.

15 Where can I obtain further information?
There is a great deal of information available on the process and on individual schools, these are just a few examples:
• Sheffield Local Authority Admissions website http://www.sheffield.gov.uk/pupiladmissions
• Advisory Centre for Education (Independent) http://www.ace-ed.org.uk Telephone 0808 800 5793

Making an Application for a Junior School Place

Oversubscription Criteria (for Sheffield Community and Voluntary Controlled Schools and Academies)

Special Educational Needs

Any child that has a Educational Healthcare Plan or statement for SEN that names a specific school must be offered a place there.

The following oversubscription criteria outline the priorities for admission to Sheffield Community Controlled Schools and Academies schools. For details of the oversubscription for Voluntary Aided Schools please see page 35 to 38. These criteria are consulted on every year and are approved by the Elected Members of the City Council.

1 Children in Care

Pupils who are In Care or previously In Care will be admitted to the school. Children previously In Care are children who were in care but ceased to be so because they were adopted (or became subject to a child arrangement order or special Guardianship order) immediately following being In Care.

2 Attendance at the Linked Infant School

This category applies to the transfer from Year 2 to Year 3 at separate Infant and Junior Schools. Priority for a place at the Junior School will be given to Children who attend the designated linked infant school at the latest date for receiving applications for admission to the school.

In the event of oversubscription within this category, normal admission priorities (i.e priorities 3, 4 and 5) would be applied.

If any places remain after all children from the linked infant school have been accommodated, they will be offered in the following order of priority.

3 Catchment Area & Sibling

Children who live in the catchment area at the latest date for receiving applications and who apply for a place will be considered next. Catchment area children who will have siblings attending the preferred school or feeder Infant School will be prioritised above other catchment applicants.

4 Catchment Area

Children living in the catchment area for the preferred school that do not have a sibling attending, will be considered next.

Catchment areas can be checked at www.sheffield.gov.uk/pupiladmissions

5 Brothers or Sisters

Children who will have an older brother or sister (sibling) at the preferred school on the date of admission, will be offered a place if any places remain after all above categories.

A sibling is defined as a child who permanently or usually lives at the same address as:-

- A brother and/or sister
- A step brother and/or stepsister (including half brothers/sisters)

And in both cases will attend or be allocated at either the preferred school or feeder infant school at the time of entry.

Where places are obtained under this category, parents and carers must note that, places cannot be guaranteed in future years for younger children.
6 Other Applications

Any child who does not fit into one of the above categories will be considered next. Places will be allocated up to the published indicated admission number.

Tie Breakers

For any admission category that is over subscribed there are two stages of further consideration.

- Where exceptional medical, social or special educational needs are demonstrated an application may be prioritised by the Admissions Committee (AC) but only within the admission category. Please note this list of circumstances is not exhaustive and is provided simply as an example and of reasons for which the AC may prioritise a case. It is your responsibility to provide supporting third party evidence from a professional to demonstrate your exceptional reasons. For example, if you or your child has medical reasons for applying for a school, you must provide evidence from a relevant medical professional.

- If there are no exceptional circumstances, all applications will be prioritised first by the admission category and then by distance from the home address to a designated point at the school. This is in a straight-line measurement from the school building to the house.

Twins and Multiple Births

In circumstances where there is one place remaining and the next eligible children are twins or multiple birth, the Local Authority may make an exception and allocate above the admission number.

The Authority cannot guarantee that other siblings of multiple birth families will automatically follow if one is offered a place through normal arrangements.

Children Living Equal Distances from the School

In circumstances where two or more children live at addresses that are equidistant from the school the process of Random Allocation will take place.

Please contact Primary Admissions (Tel: 273 5766) if you have any queries about how you fit into the above categories.

Admissions Committee

Applications for oversubscribed schools will be considered against the over subscription criteria described above.

Where parents provide additional third party evidence from a professional to support their application, it will be submitted to the Admission Committee which may consider giving priority if it is satisfied that circumstances are exceptional. If supporting information is not provided then distance from home to school will be used as a tie-breaker. (This process is undertaken before the offer date of 16 April 2019).

The Admissions Committee consists of Elected Members who have delegated authority to make admissions decision on behalf of Sheffield City Council.

What Decisions do I Have to Make?

You must decide which school(s) you wish to apply for. If you do not express your preference online the pupils of parents who do, will be considered before your child.

If your child has special educational needs and you would like advice about how this may effect your preferences, please contact the SEN Transitions Team on 0114 273 6394.

- Parents who wish to apply for a place in Catholic or Church of England school will also need to complete the additional "application for a place in a Catholic Primary School" or the "Additional information to make an application for a church of England aided school" forms that are available from the Admission Team. It is your responsibility to provide evidence to support your application including relevant medical information.

- Admission Authorities must comply with parental preferences where they can but because there are limits on the number of places available at each school, it is not always possible.

School Prospectus

Information about each school is published annually by the Governors in the school prospectus. The prospectus contains information about the curriculum and organisation of education and teaching methods of the school, a statement of the aims and values of the school, and details of examination results and pupils attainments at the key stages.

It may also contain other information about dress code, demand for school places and other general information. Parents can obtain a prospectus for any of Sheffield’s schools, free of charge, directly from the school.

School Performance Tables

School performance league tables can be obtained from the following website: www.education.gov.uk/performancetables

When do I Have to Make my Decisions?

The closing date for submitting your application is **15 January 2019**.

What Happens if my Application is Late?

You have less chance of receiving a place at one of the schools you have applied for. For further information about how the Local Authority will deal with late applications, see page 19.
What Happens Next?

If you apply online, you will receive an acknowledgement instantly.

On 16 April 2019, you will be informed of your single allocated school place via email if you applied online or by letter to your home address if you complete a paper form. If you apply over the telephone, you can request that your outcome is communicated by email or letter. This may or may not be one of your three preferences.

To find out how the Pupil Admissions Team allocate school places see pages 7 which explain Sheffield Local Authority oversubscription criteria and also page 17 which explains Sheffield Local Authority co-ordinated admission scheme. For information about the oversubscription criteria for Voluntary Aided schools in Sheffield, see pages 35 to 40.

What Happens if I Change my Mind about the Preferences I Have Made?

This will depend on when you change your mind.

If you change your mind before the closing date of 15 January 2019. Write to Primary Admissions to confirm your new preferences, the order and supporting reasons.

By submitting in writing, a change of preference, a parent is notifying the Authority to disregard the original application. You will be sent another acknowledgement to confirm your change of preference. Parents need to be aware that the Authority will only process one application per pupil at any given time.

For more information about late applications see page 19.

What Happens if I don’t get a Place at one of my Preferred Schools?

Where we cannot make a single offer for any of the preferences named on your application, a place will be allocated at your linked Junior school (if you did not indicate this as one of
your three preferences but only if there are still places available), or the nearest community school in Sheffield with available places. This may be a through Primary school.

The nearest school is determined by measuring in a straight line from your home address to the school.

This only applies to pupils who live in Sheffield. If you live outside Sheffield, your Home Authority will be responsible for ensuring that your child is allocated a Y3 place for September 2019.

Your child will automatically be placed on a waiting list for a Junior school where he/she has been refused a place at a Junior school ranked higher than the allocated school. For further information about the waiting list, see page 19.

What can I do If I am Unhappy with the Outcome?

You will be informed of your right of appeal to an Independent Appeal Panel. For more details about how to appeal, see page 21.
Admissions Terminology

Academy
Academies are state-funded non fee-paying independent schools. Academies are required to comply with the code and law relating to admissions.

Admission Authority
The Admission Authority is responsible for determining admission arrangements to schools. For community and voluntary controlled schools in Sheffield, the Admission Authority is the Local Authority. For all voluntary aided primary schools the Admission Authority is the school Governing Body.

Admission Arrangements
The Admission Authority must publish the admission arrangements for all its schools on an annual basis. This booklet contains admission numbers for schools, application procedures and timetables, oversubscription criteria and information about waiting lists.

Catchment Area
Each community and voluntary controlled school has a defined catchment area. This is defined by the City Council. Your address is linked to a specific school. You are not guaranteed a place at your Catchment School.

Common Application Form
This is the application form that invites 3 preferences and supporting reasons. This form is to be completed either online or paper, whether applying for a community, voluntary controlled or voluntary aided school in Sheffield.

Community Schools
These schools come under the responsibility of the Local Authority. The admissions policy for community schools is determined and implemented by the Authority. The Local Authority is the Admission Authority for Community Schools and allocates school places.

Composite Prospectus
The Education Act 2002 requires the Local Authority to publish information annually about admissions for the following school year. This booklet is the ‘composite prospectus’ for the 2018/2019 academic year.

Eligible for a School Place
This is where a child can be offered a place at a school either because:
- The number of applications for the school is below the admission number; or
- It is over subscribed but the child has a higher priority under the admission criteria when compared to other children.

Home Authority
The Authority in which the parent/carer and child resides.

IAN
Indicated Admission Number. An IAN is determined in consultation with each school and is the number of places available at the normal year of entry.

Key Stage 1
Infant School (Reception, Year 1 and year 2).
Key Stage 2
Junior School (years 3 to year 6).

Maintaining Authority
The Local Authority in which a school is located.

Normal Place of Residence
The child’s ordinary place of permanent residence will normally be a residential property at which the parent or person(s) with parental responsibility for the child resides at the latest date for receiving applications for admission to the school. Where parental responsibility is held by more than one person and those persons reside in separate properties, the child’s ordinary place of residence will normally be the property at which the child resides with the parent or person(s) with parental responsibility, for the greater part of the week.

Oversubscription Criteria
Each Admission Authority must establish criteria. This is applied where more applications have been received than there are places available at the school. The criteria determine which applicants can be offered places.

Parental Preference
You are invited to express up to 3 preferences on the common application. The Admission Authority must comply with parental preference unless admission will prejudice provision of efficient education or the efficient use of resources at the school. You are not guaranteed a place at any of your preferred schools.

Ranking
The order in which parents have to list their three preferences on the common application. Parents are advised to place their favourite school first.

Sheffield’s Co-ordinated Scheme
Each Authority must determine a scheme which outlines how the Local Authority intends to co-ordinate with other Admission Authorities within it’s area, in order to carry out admissions for Sheffield residents.

Sibling (Definition for Community Schools for Transfer to Junior Process)
A sibling is defined as a child who permanently or usually lives at the same address as:-
• a brother and/or sister
• a stepbrother and/or stepsister (to include half brothers/sisters)
and in both cases attends the preferred school or feeder infant school or is a child for whom you are applying for a place at the preferred or feeder infant school.

Single Offer
The one offer for a school place for your child as determined by the co-ordinated scheme.

Voluntary Aided School
These schools are Church Aided. The Governing Body is the Admission Authority and establishes the admissions arrangements and determines school places.

Waiting Lists
(Definition for Sheffield Community Schools)
All pupils refused a place at any school linked higher than the allocated school will automatically be placed on a waiting list for these schools. The waiting list will be discontinued at the end of the first term in 2019.
Eligibility for a School Place

All separate Junior schools have an indicated admission number (IAN) or higher admission limit which determines the number of available places at the normal age of transfer, in this case for Year 3.

Once an IAN or higher admission limit is determined for a particular school year, that number will remain in force as that year group moves through the school. The IAN/higher admission limit for each Sheffield school is published in this booklet on pages 22 – 32.

Where the Admissions Authority receives more applications than there are places at a school, it must have a method of prioritising the applications to determine which applicants will be eligible for a school place.

Eligibility for Schools Outside Sheffield

If you intend to apply for a school in another Authority, you should refer to the booklet produced by that Authority for details of the over-subscription criteria that applies to that school. Contact details for neighbouring authorities can be found on page 49.

Co-ordinated Admission Arrangements

The Co-ordinated Scheme

The Education Act 2002 introduced changes to the way in which the Local Authority manages admission to schools. The changes have been introduced to make the admission process fairer and less stressful for parents.

The co-ordinated scheme for admissions to Year 3 at a Sheffield Junior school is designed to ensure that every parent who lives in Sheffield and has applied for a school place for their child receives a single offer of a school place on the same day. You will only have to complete one application to apply for a combination of three schools in Sheffield, including voluntary aided schools.

In order to provide every parent with an offer of one single place Sheffield Local Authority will be working collaboratively with the Governing Bodies of the Catholic and Church of England schools within Sheffield. As long as you submit an application form before the closing date, a single offer of a school place will be made on 16 April 2019. A full version of Sheffield’s co-ordinated admission scheme can be found on the Council’s website; www.sheffield.gov.uk/pupiladmissions

No Common Application Form Received by the Local Authority

Parents who do not express preferences either online, over the telephone or on a paper form will not receive an offer of a school place on 16 April 2019.

The Local Authority with assistance from your child’s current school will make every effort to help and encourage you to express your preferences. If you do not express a preference the Local Authority will take the following action;

• Where no preference is expressed, a place will be allocated for the child at the nearest community school, to their normal place of residence, with available places.

Please note that the Local Authority strongly advises parents to apply online, over the telephone or complete and submit a paper form. Non-completion of a form will seriously reduce your child’s chance of being offered a place at a school you want,
since places will be allocated first to parents who have submitted an application.

Sheffield’s Co-ordinated Admission Scheme

This is how the co-ordinated scheme works:
• You decide on a maximum of three schools that you would like to apply for.
Please read pages 7 to 8 and 35 to 38 for details of how the Local Authority and voluntary aided schools in Sheffield decide eligibility for a place.

• Having decided on your three schools you then have to make a second decision. In which order would I prefer my child to attend these schools?
In other words, which is your first, second and third preferred school. This process is called ranking.

• On the Common Application there are three boxes to put the names of your preferred schools and your reasons for your preferences.
It is very important that you record your preferences in the right order, starting with your first preference.

<table>
<thead>
<tr>
<th>1st Preferred School</th>
<th>School A</th>
</tr>
</thead>
<tbody>
<tr>
<td>Reasons for 1st preference</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>2nd Preferred School</th>
<th>School B</th>
</tr>
</thead>
<tbody>
<tr>
<td>Reasons for 2nd preference</td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>3rd Preferred School</th>
<th>School C</th>
</tr>
</thead>
<tbody>
<tr>
<td>Reasons for 3rd preference</td>
<td></td>
</tr>
</tbody>
</table>

For each preference that you make there is space to give reasons for your preference.

By listing your preferences in this way, they are in rank order.
• Sheffield Authority operates on equal preference system
• The Admissions Team will determine whether or not there are places available at your three preferred schools. If you have named a Voluntary Aided school the Local Authority will liaise directly with the governing body on your behalf.

• If there is a place available then your child is “eligible for admission” for that school.
• Because you may have expressed preferences at three different schools, your child may be eligible for admission at one, two, all three or none of the schools.
• The Admission Authority determines whether your child is eligible for a place at a Junior school.
• The outcome of your application will be one of the following:
You must think very carefully about the preferences that you make and take advantage of the information and advice that is available from the Primary Admission Team to help you make informed decisions. In the above example at column 1 even though you would be eligible for all three schools you would only be offered School A as the highest ranked. You would not be offered schools B or C.

If you are refused a place at your preferred school you will be able to appeal. Further advice on the appeals procedures is given at page 21.

Consideration of Preferences

At the closing date of 15 January 2019 the process of trying to meet parental preferences begins. This means that all admission authorities for schools named on the common application have to determine whether the child is eligible for admission to their school.

The eligibility of your application for each of the three schools indicated on your application is assessed against the over subscription criteria that applies to each of the schools.

If you have applied for a voluntary aided school, Sheffield Local Authority will discuss the application with the relevant admission authority to assess the eligibility of your application for those schools.

Once it is determined which of the preferred schools your child is eligible for (this could be all three, a combination of two, one or none of the schools indicated on your common application), Sheffield Local Authority will allocate the highest ranked school for which you are eligible.

Offer Date

• Applications received by Primary Admissions up to and including 15 January 2019 will be allocated a school place on 16 April 2019.

• Where Primary Admissions has not received an application for a Sheffield resident by 1 July 2019 at the latest, a place at the nearest Community School with a place available will be offered.
Late Applications/Changes in circumstances/preferences

- Late applications, changes in circumstances or preferences received by the Authority up to 31 January 2019, will be allocated a place on 16 April 2019.
- All other late applications, changes in circumstances or preferences received after 31 January 2019 will be dealt with after 16 April 2019.
- After the allocation date of 16 April 2019 parents may add or amend their preferences but may only have a maximum of 3 preferences. If a parent wishes to add a new preference(s) they will be required to withdraw one or more of their original preferences to leave a maximum of 3.
- After 16 April 2019 the late applications, changes in circumstances or preferences will be processed in date received order and then according to the published oversubscription criteria. Places will be allocated to one of your preferred schools or nearest available school depending on availability.
- Please note that vacancies that arise after the allocation date are also filled in date order. This means that the place will be offered to the applicant who has the highest rate of admission according to the oversubscription criteria and whose application was received after the allocation date up to the date that the vacancy arose.

Waiting Lists

(For Sheffield Community and Voluntary Controlled Schools)

- Voluntary Aided schools will maintain their own waiting list.
- Primary Admissions will establish a waiting list for all Community Junior schools in Sheffield where the number of applications for those schools has exceeded the number of places available.
- Your child will automatically be placed on a waiting list for a Community Junior school where he/she has been refused a place at a Junior school ranked higher than the allocated school. The position on the waiting list is not affected by the ranking.
- Waiting lists will be maintained until the end of the first term 2019.
- Priority on the waiting list is determined according to the oversubscription criteria for that school not by the length of time on the list or date of application.
- Your child’s position on a waiting list can go down as well as up because of how pupils are prioritised on the list.
- A place becomes available at an oversubscribed school only when the number of pupils allocated falls below the published admission number.
- Should a place become available at a school, it will automatically be allocated in writing to the child at the top of the list. The alternative school allocated by the Local Authority will be withdrawn.
- If you no longer wish to remain on a waiting list, please contact Primary Admission.
- If you would like your child to be placed on a waiting list of a school that you ranked lower than the one you have been allocated, you must request this in writing to the Pupil Admissions Team.
- A place on the waiting list does not guarantee that your child will secure a place at that school, nor does it mean that you should not continue to apply for an alternative school place.
Fair Access Protocol

All Local Authority’s are required to establish a protocol for placing vulnerable children over and above the normal admission procedures.

The protocol is designed to ensure that access to education is secured quickly for children who have no school place and to ensure that schools within an area admit their fair share of children with challenging behaviour. Under the protocol the Authority may admit a child into a school that is full. The protocol provided a definition of categories of children that may be considered under the arrangements. Children without a school place must take precedence over children on a waiting list attending another school.

Change of Address

If you change address or are planning to move, the Primary Admissions Team will need to see proof of your new address.

A house move may change your catchment area and affect the status of your application. Catchment status is based on the child’s normal place of residence at the latest date for receiving applications.

If you are considering a change of address you should contact Primary Admissions to be advised of the possible change to your application and to determine what proof is required.

Entry Outside the Normal Year Group

The normal policy in Sheffield is for children to be educated in their chronological year group.

On rare occasions parents may seek entry into school for their child earlier/later than the normal date. In such cases, parents should make their request in writing to Primary Admissions giving full reasons.

Parents are responsible for providing supporting evidence for such requests. Applications are normally considered by the Admission Committee which will make a final decision.

In Year Applications

Parents wishing to apply for a place in year groups other than year 3 should complete a transfer form from their current school. Pupils new to Sheffield should contact the Children Missing Education Team on 273 6462.

Admission to Schools for Children of UK Service Personnel

The Local Authority acknowledges that service families are subject to frequent movement within the UK and from abroad, often at relatively short notice.

Although the Local Authority is not able to reserve places for blocks of pupils of service personnel it may accept applications from parents returning to their area some months in advance and may allocate a school place where the school has a place available.
Statutory Appeal

Appeals for a Sheffield Community School
If you have been refused a place at a school, you have a right of appeal to an Independent Appeal Panel. To appeal you must complete an appeal form which can be obtained from the Primary Admissions Team;

Primary Admissions
Floor 5, West Wing
Moorfoot
Sheffield S1 4PL

Tel: 0114 273 5766

ed-admissions@sheffield.gov.uk

Alternatively you may wish to download an appeal form from Sheffield City Council’s website; www.sheffield.gov.uk/pupiladmissions

Before completing your appeal form, you should read the ‘Guidance for Parents on Appeals’ document that was sent with the appeal form. It has been produced to help you understand the role of the Independent Appeal Panel.

You should set out the reasons why you want your child to attend the particular school and include any supporting documentation.

You should return your completed form and any supporting information to Legal and Governance, Town Hall, Sheffield S1 2HH. Appeals for forms received after the date advised in the letter may be subject to delay.

You will be notified in writing by Legal and Governance about the date when the Appeal Panel will meet to consider your application. The hearings are normally held in the Town Hall, Pinstone Street.

You have the right to attend the hearing and speak in support of your appeal and you may, if you wish, be accompanied by a friend or representative.

THE INDEPENDENT APPEAL PANEL’S DECISION IS FINAL AND BINDING ON THE ADMISSIONS AUTHORITY, THE SCHOOL AND THE PARENT.

Please note: this process does not apply to pupils with a Education Health Care Plan or statement of special educational needs. If your child has a statement, please contact the SEN Team on 0114 273 6394 for further details.

Appeals for a School not Maintained by Sheffield Local Authority
If you wish to appeal for a school in a neighbouring authority, you must obtain an appeal form from that authority.

Please note, if you successfully obtain a place through Appeal at a school maintained by another Authority, your child’s place at a Sheffield school will be withdrawn.

Linked Feeder Schools

Below is an alphabetical list of Community Infant schools in Sheffield and the Junior school to which it has feeder status. Please refer to page 7 of this booklet for information about how attendance at the linked feeder school is used in Sheffield Local Authority over subscription criteria. Attendance at a linked infant school does not guarantee a place at the linked infant school.

Children attending a “through” Primary School will progress from Year 2 into Year 3 at the beginning of the Autumn Term. Parents therefore are not required to apply for a place.

For details of which secondary schools are linked to junior/primary schools, please contact Pupil Admissions.

Separate Junior Schools

Whilst the majority of children at separate infant schools can be accommodated at the linked junior school, a small number of schools face oversubscription. Parents should pay particular attention to the following information when considering their preferences.
Nether Green Infant / Broomhill Infant and Nether Green Junior School

Nether Green Junior has two designated feeder primary schools, Nether Green Infant and Broomhill (Foundation) Infant. Nether Green Junior has an Admission Number of 90. Nether Green Infant has an Admission Number of 75 and Broomhill Infant 40.

It is likely based on previous years outcomes that Nether Green Junior will be oversubscribed. There are a potential 115 applications from the linked Infant Schools for the 90 available places.

If Nether Green Junior School is oversubscribed for the 2019/20 Year 3 co-hort, places will be offered in the following order of priority up to a maximum of 90:

1. Children In Care or previously In Care.
2. Children attending either Nether Green Infant or Broomhill Infant Schools.
3. Children residing in the Nether Green Junior School catchment area and have a sibling at either the Junior or one of the linked Infant Schools at the time of entry.
4. Children residing in the Nether Green Junior School catchment area but not attending a linked infant school.
5. Children who will have a sibling at either the Junior School or one of the linked Infant Schools at the time of entry.
6. All other applications.

If there are more applications from the linked infant schools (Category 2) than 90, places will be offered in the following order of priority:

1. Children In Care or previously In Care.
2. Children residing in the Nether Green Junior School catchment area and have a sibling at either the Junior School or one of the linked Infant Schools.
4. Children who will have a sibling at either the Junior School or one of the linked Infant Schools at the time of entry.
5. All other applications.

Unless an individual child is prioritised by the Admission Committee on exceptional circumstances, the tie-breaker within each category will be distance from home to school measured in a straight line.

For the 2018/19 Year 3 cohort, there were 3 children attending a linked infant school in the “Other applications” category initially refused admission as well as 1 “Other” category applicant. 0 additional pupils were offered a place through the independent appeal procedure.

Statement from the Diocese of Hallam

The family of Catholic schools across the Diocese of Hallam offers a Roman Catholic, Gospel based education for children whose parents seek a genuine alternative to other good schools.

Catholic schools are communities of faith where God is recognised and named. They are rooted in the Church’s concept of mission and in living out a Christian lifestyle, they present a picture of Christ to catch the imagination.

Each Catholic school in the City of Sheffield, in partnership with home and parish, has been established to be an integral part of the Local Catholic community, which shares the mission of the Church to proclaim the Gospel of Christ. The provision of our network of schools is primarily intended to provide a
place at a Catholic school for all baptised members or catechumens of the church, if applications are made prior to the closing date.

However, should there be surplus places, governors are delighted to welcome other children and give priority to parents of children from other Christian churches seeking a Christian education for their children.

Statement from the Sheffield Diocesan Board of Education

The Church of England schools within the Diocese of Sheffield were established as parish schools to provide a distinctly Christian based education for the local community. They are rooted in the belief that Church schools stand at the centre of the Church’s mission.

Our schools express their Christian foundation in their worship, and the religious, spiritual and moral education offered to the pupils and are places where the spiritual dimension of life is acknowledged and affirmed.

Our schools, like all other good schools are there to provide the best possible education for their pupils, closely involving governors and parents, with the Headteacher and staff. What is distinctive is that they set out to do this in an explicitly Christian setting, with active involvement of local Christian representatives and the Sheffield Diocesan Board of Education.

Admission Policy for Deepcar St John’s CE Aided Junior School 2019-2020

Introduction

Deepcar St John’s CE Aided Junior School is a Church of England Voluntary Aided Junior School in the Diocese of Sheffield. It is maintained by Sheffield Local Authority.

The school provides a distinctly Christian education for children aged seven to eleven years.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of Sheffield Diocesan schools were established to provide education for the children of the parish within a Christian context. The two aims of being ‘distinctively Christian’ and ‘serving the local community’ are reflected in the school’s admission criteria.

Deepcar St John’s is a Voluntary Aided
Junior School in which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of the law, the school trust deed, by advice from the Sheffield Diocesan Board of Education and its duty to the community.

This policy should be read in conjunction with the rest of this booklet.

The admission number for 2019/2020 is 75 and children will be admitted during the Autumn term following their 7th birthday.

Please contact the school if you need help in completing the Common Application Form or Supplementary Information Form

Making an Application

1. Applications are made on the Common Application Form

2. To support your application to Deepcar St John's CE Aided Junior School, please complete the Supplementary Information Form. This is not an application form for admission to school but will be used by school when applying the admissions criteria.

3. The Common Application Form should be submitted by 15 Jan 2019 along with the Supplementary Information Form (if applicable)

Criteria For Admission

Children who have an educational Health Care Plan, and the school is named as the most appropriate education setting for the child, will be admitted.

Oversubscription Criteria

Where there are more applications for admission than the published admission number, the Governing Body/Admissions Committee will apply the following criteria in strict order of priority:

1. Children in Care
2. Children with special medical or social circumstances where these needs can only be met at this school. This is not about educational needs. Professional supporting evidence must be provided if admission is to be made under this criterion. A professionally qualified person such as a medical doctor, psychologist or social worker must set out the particular reasons why the school is the suitable one for the child and the difficulties which would be caused if the child had to attend another school

3. Children who have an elder brother/sister (see definition 1) attending the school at the time at the time of anticipated admission

4. Children of parents/carers (see definition 2) who reside in the parish of St John's and regularly (see definition 3) attend the parish church of St John's.

5. Children who reside in the parish of St John's and regularly attend the parish church of St John's.

6. Children of parents/carers who reside in the parish of St John's and regularly attend a Christian denomination participating in 'Churches Together in England'(see definition 4)

7. Children who reside in the parish of St John's and regularly attend a Christian denomination participating in 'Churches Together in England'

8. Children who reside outside the parish of St John's and regularly attend a Christian denomination participating in 'Churches Together in England'

9. Children who are resident in the parish of St John's.

10. All other children

Should the admission number be
reached mid-category, applications in that category will be prioritised on the shortest distance measured in a straight line from the front door of the child’s home address (including flats) to the main entrance of the school, using the Local Authority’s computerised measuring system, with those living closer to the school receiving higher priority.

Tie Break
In the event of two or more children living equidistant from the school, the place will be decided by drawing lots. The first name drawn will be offered the place.

In Year Transfers
The Local Authority will co-ordinate in year transfers for our school in 2019-2020

Definitions

Definition 1 - Brother/Sister

Definition 3 – Regular Church Attendance
Regular attendance by parents/carers is defined as attendance at a Church of England church or another Christian denomination participating in ‘Churches Together in England’ for at least once a month over the last 12 months.

Regular attendance by children is defined as attendance at a Church of England church or another Christian denomination participating in Churches Together in England at least once a month over the past 6 months.

Definition 5 – Looked after children
A ‘relevant looked after child’ is a child that is looked after by a local authority in accordance with Section 22 of the Children’s Act 1989 at the time an application for admission to the school is made and who the local authority has confirmed will still be looked after at the time when he/she is admitted to the school.
Late Applications
Late applications will be dealt with in accordance with the LA scheme.

1. Names of children will automatically be placed on the waiting list for this school when the child has been refused admission.

4. The waiting list is determined according to the Governing Body’s priority of admission over-subscription criteria.
5. Following the offer day, should an application be received for the school where the pupil has a higher priority, as determined by the admissions criteria for a place at the school, they will be placed on the list, above those with a lower priority.

False Information
1. Where the Governing Body has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent, which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information the place may be withdrawn depending on the length of time that the child has been at the school.
3. Where a place or an offer has been withdrawn, the application will be reconsidered and a right of independent appeal offered if the place is refused.

Applications outside the normal admissions round

2. Parents who intend to make an appeal against the Governing Body’s decision to refuse admission must submit a notice of appeal within 10 days of receiving the refusal letter to: The director of Legal Services, Town Hall, Pinstone Street, Sheffield. S1 2HH

Home to School Transport

This section of the booklet describes the Children, Young People and Families responsibility with regards to Home to School Transport for “Eligible children”. Before applying for free transport you are advised to read this section.

How to Apply for Free Transport

To apply for a Zero Fare bus pass, contact the Customer First team on 0114 273 4567. You will be sent an application form. You must return the completed form to the following address:

Customer Services
Floor 2
House
Union Street
Sheffield S1 2SH

If your child meets the criteria for transport the Authority will provide a bus pass enabling your child to travel free of charge to and from school on public transport. Please note that Sheffield Authority does not have a duty to provide transport for children who do not meet the criteria.
Please note that misuse of the bus pass or inappropriate behaviour on the bus, may result in the withdrawal of the pass.

Pupils attending a Sheffield school but who live outside the Sheffield boundary must apply to their Home Authority.

Before applying for free transport you are advised to read the following information about Sheffield’s Transport policy.

**General Entitlement to Free Transport**

The Authority will make provision for free home to school transport in certain circumstances for children of compulsory school age, irrespective of income. Parents and Carers may apply for places at any school and will be offered a place if there is availability. Normally if a place is taken up outside the catchment area the child would not be eligible for free transport.

Normal eligibility criteria for free home to school transport:

- Your child is under 8 years old, attends their catchment area or nearest suitable school and lives more than two miles from the school by the most direct walking distance, accompanied as necessary.
- Your child is 8 years old or over attends their catchment area or nearest suitable school and lives more than three miles from the school by the most direct walking distance, accompanied as necessary.
- The Authority must also make free transport available for children who live within the statutory walking distances of their nearest qualifying school but the nature of the route is such that the child cannot reasonably be expected to walk (accompanied as necessary) in reasonable safety.

The Authority’s Road Safety Team may be requested to undertake an assessment of a specific journey. In doing so it will consider any proposed journey under nationally approved criteria. Factors taken into account will include:

- The age of the child
- Whether any potential risk could be mitigated against if the child was accompanied.
- The width of any road travelled on and the existence of pavements
- The volume and speed of traffic
- The existence or otherwise of street lighting

**All Parents**

If you think your child is eligible for free transport you should contact 0114 273 5831 to request an application form, or call into First Point at Howden House. Once the form is completed return it as described above under “How to Apply for Free Transport”.

**Children entitled to free school meals or those whose parents are in receipt of their maximum level of Working Tax Credit.**

Children aged 8 but under 11 and entitled to free school meals or whose parents are in receipt of their maximum level of Working Tax Credit, qualify for a free bus pass if they live more than 2 miles from their qualifying school.
Home to School Transport Appeals Process

The following two stage home to school transport review/appeals process will be implemented for applicants who do not meet the statutory eligibility criteria and have been refused assistance with transport to a school.

The parent/carer who wishes to challenge a decision about the transport arrangements offered to their child, including questions of their child’s eligibility for travel support, the distance measurement and the safety of the route, will be entitled to seek a review of and, if necessary, an appeal to the Admissions Committee against the decision.

Stage one:

Once a decision has been made to refuse Home to School Transport, a parent/carer will receive a letter from Customer First informing them that:

They have 20 working days from receipt of the local authority’s home to school transport decision, to make a written request asking for a review of that decision.

The written request should detail why the parent/carer believes the decision should be reviewed and give details of any personal and/or family circumstances the parent believes should be considered when the decision is reviewed.

Within 20 working days of receipt of the parent’s written request, a senior officer will review the original decision and send the parent a detailed written outcome setting out:

1. The nature of the decision reached;
2. What factors were considered;
3. How the review was conducted (including the standard followed e.g. consideration of eligibility criteria, qualifying schools, Road Safety etc. if appropriate);
4. Information about other departments and/or agencies if they were consulted as part of the process (if appropriate);
5. The rationale for the decision reached;
6. Information regarding further escalation of the appeals process to stage two (if appropriate).

Stage two:

The parent/carer has 20 working days from receipt of the local authority’s Stage one decision to make a written request to escalate the matter to stage two where an Admissions Committee will meet and consider the individual circumstances. The parent/carer should submit detailed reasons for the appeal, together with any supporting information/documents.

The Terms of Reference for the Admissions Committee is set out in the Council’s Constitution. The Committee have delegated authority to determine appeals against decisions to refuse transport. This means that the Committee has discretion to consider any case that does not fall within the Council’s Home to School Transport Policy. The Committee is experienced with regard to school transport legislation guidance.

Within 40 working days of receipt of a request for escalation, the Committee will consider representations from the parent and Local Authority officers. The appeal will be determined on the basis of the written material submitted.

Before reaching their decision the Committee will look at all the available information and documentary evidence and reach a considered view in light of their discretion. The Committee will consider whether there are any exceptional educational, financial, medical, physical, family or social
circumstances. The Committee will also consider the reasons for choosing a particular school. **[Please insert any other factors you feel are relevant]**

Once a decision has been reached the parent/carer will receive a detailed written outcome of the appeal setting out:

1. The nature of the decision reached;
2. What factors were considered;
3. The rationale for the decision reached;
4. How the review was conducted (including consideration of eligibility criteria qualifying schools, road safety assessments etc, if appropriate);
5. The guidelines and standards followed (including statutory duties, DFE guidelines, road safety assessments);
6. Information about other departments and/or agencies that were consulted as part of the process (if appropriate);
7. If refused, information about escalation to the Local Government Ombudsman (see below).

**Complaint to the Local Government Ombudsman/Judicial Review**

The decision of the Committee is final and there is no further appeal, unless there have been significant and material changes in the parent’s circumstances that require a new decision about their application, e.g. medical reasons or they have moved house.

Where an appeal is unsuccessful at Stage two, appellants will be notified that they have the right of complaint to the Local Government Ombudsman, only where complainants consider that there was a failure to comply with the procedural rules or if there are any other irregularities in the way the appeal was handled.

If the complainant considers the decision of the Admission Committee to be flawed on public law grounds, the complainant may also apply for judicial review.

This document will be published on the Sheffield City Council’s website and paper copies will be provided with refusal letters.

**School Dress Code**

Parents/carers should contact individual schools for details of their dress code. Please note that Sheffield Authority is no longer able to offer assistance towards school uniform.

**Special Educational Needs (SEN) Section**

Most children with special educational needs are educated in mainstream schools. A small minority of children have more complex needs.

The SEN Section works with schools and families to ensure that all children with SEN are identified and supported appropriately. The SEN Section allocates Special School and Integrated Resource Unit placements.
