Sheffield City Council Lunch Club Directory

Lunch clubs enable older people across the city to make long lasting friendships, share good food and enjoy interesting activities. They are friendly and supportive groups, predominately run by volunteers with a desire to give something back to their local community.

This directory lists all the lunch clubs that currently receive a grant from Sheffield City Council’s Lunch Club Fund although there are many more lunch clubs, coffee mornings and activities run by a range of groups, charities and businesses across the city. You can find out more online at Sheffield Directory or by looking out for notices in local shops and libraries.

What to expect

Older people’s lunch clubs tend to run on weekdays and provide a hot two course meal at a reasonable cost. They are quite varied and differ in membership size, meeting time and whether they offer other activities. There’s usually a chance to chat with the club organiser before you join to find out what it’s like.

How to join a club

If you or an older person you know is interested in joining a lunch club, please contact the Lunch Club Referral Service at Voluntary Action Sheffield (VAS). Please don’t drop in on a club unexpected.

The referral service is open Tuesday to Thursday each week between 10am and 4pm on: 0114 253 6674 or you can complete a short form online at VAS’s website.

Safety

Older people’s lunch clubs are not run or managed by Sheffield City Council. They are all independent and rely immensely on the dedication and experience of volunteers.

Older people’s lunch clubs are not day care providers and volunteers do not provide any personal care.

How to get there

Some clubs arrange minibus transport for their members with mobility difficulties for which there is a cost.

Alternatively, you or somebody you know can plan your journey using the Travel South Yorkshire Journey Planner. Or you can pick up a timetable at your local interchange or online.

Sheffield Community Transport offer Door 2 Door services for individuals, particularly designed for people who find it difficult or impossible to use public transport. You will
need to register online with Sheffield Community Transport or phone them direct on 0114 276 6148.

They will register you with the scheme and send you a joining pack with a unique reference number that you will need to quote whenever you are arranging to use the service.
