What to expect

Lunch clubs tend to run on weekdays and provide a hot two course meal at a reasonable cost. They are quite varied and differ in membership size, meeting time and whether they offer other activities.

How to join a club

If you or somebody you know is interested in joining a lunch club, please contact the Lunch Club Referral Service at Voluntary Action Sheffield (VAS). Please don't drop in on a club unexpectedly.

As well as a directory of lunch clubs in Sheffield, the team have contacts with other services which may be useful.

The referral service is open Tuesday to Thursday each week between 10am and 4pm on: 0114 253 6674 or you can complete a short form online at:

<https://www.vas.org.uk/what-we-do/lunch-clubs-referral-service/>

Safety

To receive a grant from Sheffield City Council's Lunch Club Fund, the clubs need to register as a food provider and have staff trained in food safety. The clubs also have adult safeguarding policies and need to report back to the Council on how the grant and your contributions are spent. It is a requirement of the grant funding that every club has suitable insurance in place too.

How to get there

Some clubs arrange minibus transport for lunch club members with mobility difficulties for which there is a cost. The directory includes information about the service if the club offers this.

Alternatively, you or somebody you know can plan your journey using the Travel South Yorkshire Journey Planner available at:

<http://tsy.yorkshiretravel.net/journeyplanner/enterJourneyPlan.do>

Or you can pick up a timetable at your local interchange or online at:

<http://www.travelsouthyorkshire.com/timetablefinder.aspx>

Sheffield Community Transport offer Door 2 Door services for individuals, particularly designed for people who find it difficult or impossible to use public transport. You will need to register with Sheffield Community Transport first and can do this by visiting www.sheffieldct.co.uk or phoning them direct on 0114 276 6148.

They will register you with the scheme and send you a joining pack with a unique reference number that you will need to quote whenever you are arranging to use the service.
