Sheffield Safe Places aims to support you to continue to stay active and in touch with people.

Staying active and independent can help you to retain skills and memory.

Sheffield Safe Places is supported by Sheffield City Council in conjunction with Heeley City Farm and is in place across the city.
Sheffield Safe Places will support you if you are lost, ill, frightened or in need of assistance whilst out and about by providing a temporary safe place, information and support if you need it.

**How the scheme works**

As a member of the scheme you carry a Safe Places help card with your name and the name and number of someone to call if you need them.

If you need help right away you can go to a Safe Place and ask staff there for help. Staff will give you support until the problem is sorted out. Staff in Safe Places are committed to giving you and your carers a good experience when you visit.
