

Independent Inquiry into the Sheffield Street Trees Dispute

Independent Chair: Sir Mark Lowcock KCB

Progress Report December 2022

The Chair and the Inquiry team have continued to hold private meetings with stakeholders this month. The Inquiry has also continued to receive documentation and other evidence from a range of stakeholders.

Anyone wishing to provide information can continue to send it to the Inquiry's main email address: streettreesinquiry@weightmans.com.

The Inquiry held further public hearings this month and is not currently scheduling further hearings. All hearings held to date can be watched via the recordings on our website.

This month the Inquiry also issued an announcement regarding the process around notification of individuals and organisations who are referred to in the conclusions of its report and how they will be provided with an opportunity to respond to any significant criticism proposed for inclusion. This is in line with the Inquiry's term of reference.
