

# Access Land around the Burbage Valley

The public has long enjoyed walking over these moors. The map shows just how many ways onto this land for walkers there are. It is now possible for wheelchair users to access the Green Drive from either end of the valley and to follow it for a short distance. The Surprise View is now similarly accessible along a surfaced and level path from the car park. Other public rights of way in this area are shown in green

Centre of map is at grid reference SK 270 820
