**THE SHEFFIELD CITY COUNCIL**  
**(QUEEN VICTORIA ROAD, SHEFFIELD) (20MPH SPEED LIMIT)**  
**(MAP SCHEDULE) ORDER 202\***

**STATEMENT OF REASONS**

The Authority's reasons for proposing to make the above named Order(s) are as follows

- For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or
- For preserving or improving the amenities of the area through which the road runs.

**Explanatory Notes**

Sheffield City Council has a long-standing ambition to provide 20mph zones and speed limits in residential areas to improve Transport and Infrastructure and to improve Health & Wellbeing.

Lower speed limits in residential areas have significant benefits for road safety, where typically injury rates are reduced by 50% or more and the wellbeing of local communities where they are known to complement strategies for active travel modes such as walking and cycling.

Overall, these proposals will improve road safety by creating a safer road environment, reducing the number and severity of accidents which occur in these areas, and contributing to a long-term change in driver behaviour with slower vehicle speeds in residential areas.
