

## **SCHEDULE 8**

### **Prohibited Materials**

Materials which are generally known at the time of specification to be deleterious to health and safety or to the durability of works or of any part thereof in the particular circumstances in which they are used or are not in accordance with British or European standard or codes of practice current at the time of specification (or where no such standard exists do not conform with a British Board of Agrément Certificate), or which do not comply with the guidance set out in "Good Practice in the Selection of Construction Materials 2011" published by the British Council of Offices.
