SHEFFIELD REGISTER OFFICE

Your wedding day may have been one of the most important days of your life and renewing the promises you made together is a wonderful way to look back at the years you've shared with each other.

Some couples choose to renew their vows to celebrate a significant anniversary such as their 1st, 10th or their 25th – the choice is entirely yours.

If you were married abroad you may choose to have a renewal ceremony so that family and friends who were not able to be present at the original ceremony are able to feel part of the celebrations.

THE CEREMONY

Because the ceremony has no legal content, Sheffield Registration and Celebration Services are happy to help you plan your ceremony so that it reflects your own personalities and circumstances.

The renewal ceremony can include re-dedication of your original rings or the exchange of new ones.

It can involve your children or other family members.

There is a comprehensive ceremony available, which you can further enhance should you choose to, with music, readings, poetry etc. A celebrant will conduct your ceremony but will not act in any official capacity.

Celebrants are trained and experienced at conducting many different ceremonies so do ask their advice on anything you're unsure about.

A typical ceremony would include:

- A welcome and introduction
- A suitable reading of your choice
- Renewed promises to each other
- The renewal of your vows
- A ring ceremony
- \circ A conclusion

But no two ceremonies are the same and we will work with you to create a ceremony that is individual and memorable to you.

> A commemorative certificate will also be presented to you as a memento of the day. This is signed by the couple and two witnesses during the ceremony.

Since these services are not governed by statute there is flexibility as to the time and venue.

The ceremony can be held in one of our Town Hall ceremony rooms (see pictures below) or other venues such as hotels, parish rooms/civic centres as well as your home.

We are happy to attend at venues outside the Sheffield area if your own Register Office does not offer this service.
