Bishop's Transcripts

Microfilm copies of the Bishop's Transcripts of parish registers for parishes now in South Yorkshire. The originals are held by the Borthwick Institute for Archives, University of York, Heslington, York, YO10 5DD (Tel: 01904 321166 - www.york.ac.uk/inst/bihr)

This list indicates the gaps which occur in the Bishop's Transcripts for all the parishes in the South Yorkshire area. Full details of the Bishop's Transcripts for other parishes which we do not hold may be found in [A Handlist of Parish Register Transcripts in the Borthwick Institute of Historical Research](#) by N K M Gurney (Borthwick Institute 1976). A copy of this is available in the Sheffield Archives searchroom, as well as on the Borthwick Institute's website.

Before the creation of the Diocese of Sheffield in 1914 parishes in this list lay within the Deanery of Doncaster in the Diocese of York. Some of these parishes were subject to special jurisdiction and were known as "peculiars".

These records are only available on microfilm and you are strongly advised to book a microfiche reader in advance of your visit (Tel: 0114 203 9395 or Email: archives@sheffield.gov.uk)
