

Major newspapers available at Sheffield Local Studies Library

Only newspapers with a run of surviving issues spanning 5 or more years are included here.

This is a summary list only, and does not include detailed title changes. There may be significant gaps in the holdings of some titles.

Most newspapers are available on microfilm. Titles which have not been microfilmed are available – subject to the condition of the volumes and there may be a delay in bringing them from our out-store. Please contact the Local Studies Library for full details of holdings and access arrangements.
