Introduction

This *Guide* lists sources available within Sheffield Libraries Archives and Information for the study of the development and consumption of food and drink through the last 500 years. It lists references to food and drink - including cookery books and recipes, dietary sheets and menus and other items in the collections at Sheffield City Archives and Local Studies Library.

A search of the service's [catalogues](#) and card indexes may reveal additional items of relevance to this topic. Note this guide excludes the subject of food adulteration and food safety. It also excludes [temperance](#) for which there is a separate guide.
