

# Independent Tree Panel for Sheffield

---

Simon Green  
Executive Director of Place  
Sheffield City Council

By email

22 July 2016

Dear Simon

## **Fern Road**

The Independent Tree Panel has reviewed the City Council's plans for one trees on Fern Road. We have taken into the account the technical information provided by the Council and the concerns raised by residents in their response to the household survey. We inspected the trees on 1 July 2016. We have referred to the engineering solutions, as presented to the Highway Tree Advisory Forum on 2 September [2015] which are referred to in section 3.2 of the Streets Ahead Five Year Management Strategy 2012 – 2017 dated January 2016.

## **Household survey**

There are 25 households on the street. One responded to the household survey, and objected to the proposed removal and replacement of the tree.

## **Trees which are healthy**

The tree outside number 41 is in good condition but is blocking the footway. We advise that this tree should be removed and replaced.

Yours sincerely

Andy Buck  
Chair
