Schedule 38

Training and Development Proformas Part 1

| Employment and Skills Areas                    | Target for Forthcoming Contract Year |
|--|--------------------------------------|
| Unwaged Work Experience                        |                                      |
| Work experience 14 – 16                        |                                      |
| Work experience Post 16+                       |                                      |
| School workshops                               |                                      |
| Mentoring /Coaching                            |                                      |
| Graduate Placements                            |                                      |
| Other  |                                      |
| Employment                                     |                                      |
| Progression into employment opportunities      |                                      |
| Apprenticeships                                |                                      |
| New Entrant                                    |                                      |
| Other  |                                      |
| Current workforce                              |                                      |
| NVQs / Accredited learning                     |                                      |
| Health and Safety Tests                        |                                      |
| Construction Skills Certification Scheme (CSCS |                                      |
| cards)   |                                      |
| In-house training (not accredited)             |                                      |
| Short courses                                  |                                      |
| Other  |                                      |

## Part 1

## GLOSSARY

| Unwaged work             | Explanation   |
|--------------------------|---|
| experience/other         |   |
| Work experience (14 – 16 | Offer standard work experience for two weeks which can include block placements for one week or   |
| yrs)                     | more / or one or two days per week/ or one day per week for a term / or one day a month over six months.  |
| Work experience Post 16+ | Post 16+ qualifications (Diplomas, BTECs) require a level of work experience as part of their   |
|                          | qualification requirements. These work experience periods will follow similar periods as those quoted for 14 – 16 year olds.  |
| School workshops         | Educational workshop activities can be held at schools to inform learners about career options. Site visits can be arranged.  |
| Mentoring /Coaching      | Learners can be mentored/coached by a nominated person in the sector. These sessions can be arranged once a month or once a term or at suitable times and intervals to be agreed. Support may include sending your staff into schools or colleges to coach teachers – produce real life case studies that teachers can use to bring the learning experience to life.            |
| Graduates                | Offer University student placements to newly qualified students who require work experience in order to complete their qualification. For further information on graduates and employment opportunities at Sheffield University and Sheffield Hallam University visit <u>http://www.shef.ac.uk/placements/employers</u> or <u>http://www.shu.ac.uk/placements/employer.html</u> |
| Employment               |   |
| Progression into         | Provision of job opportunities to Jobcentre Plus and named agencies provided by Sheffield City Council  |

| Employment opportunities           | to fill vacancies and make use of their recruitment service which includes pre-employment training, if   |
|------------------------------------|--|
|                                    | required.  |
| Apprenticeships                    | Individuals who are employed by a company and enrolled on a relevant apprenticeship framework. For more information on general apprenticeships contact the National Apprenticeship Service <a href="http://www.apprenticeships.org.uk">http://www.apprenticeships.org.uk</a> and for apprenticeships in construction contact <a href="http://www.cskills.org/workinconstr/routesintoconstruction/apprenticeships/index.aspx">http://www.apprenticeships.org.uk</a> and for apprenticeships in construction contact <a href="http://www.cskills.org/workinconstr/routesintoconstruction/apprenticeships/index.aspx">http://www.cskills.org/workinconstr/routesintoconstruction/apprenticeships/index.aspx</a> . The Yorkshire and Humber Apprentice Training Agency (YHATA) employs apprentices who are then "hired" out as a flexible workforce to employers – employers are responsible for paying a fee to YHATA which includes the apprentice salary. <a href="http://www.yhata.org/">http://www.yhata.org/</a> . |
| New Entrant                        | A non-employed person that is seeking employment that includes training towards a qualification.   |
| Current workforce                  |  |
| NVQs / Accredited                  | Assessment of competence which provide the primary evidence for achieving a qualification. These can   |
| learning                           | be at Levels 2, 3, 4 and 5. An accredited course means it is recognised by an awarding body.   |
| Health and Safety Tests            | Workers taking and passing the relevant CSCS health and safety test  |
| Construction Skills                | Skilled cards demonstrate that the holder is competent in their respective role. Workers will need to  |
| Certification Scheme               | have the appropriate NVQ or equivalent qualification and have passed the appropriate Health and  |
| (CSCS cards)                       | Safety Test. Details can be found on http://www.cskills.org/supportbusiness/cardschemes/index.aspx   |
| In-house training (non accredited) | Training which is conducted by an organisation for its employees e.g. health & safety  |
| Short courses                      | Includes courses on a range of subjects – sustainability and modern construction methods, supervision, leadership and management, ESOL, new methods and technology and operational issues.   |

## Schedule 38

## Part 2

| Employment and Skills Areas                    | Achievement in Previous Contract Year |
|--|---------------------------------------|
| Unwaged Work Experience                        |                                       |
| Work experience 14 – 16                        |                                       |
| Work experience Post 16+                       |                                       |
| School workshops                               |                                       |
| Mentoring /Coaching                            |                                       |
| Graduate Placements                            |                                       |
| Other  |                                       |
| Employment                                     |                                       |
| Progression into employment opportunities      |                                       |
| Apprenticeships                                |                                       |
| New Entrant                                    |                                       |
| Other  |                                       |
| Current workforce                              |                                       |
| NVQs / Accredited learning                     |                                       |
| Health and Safety Tests                        |                                       |
| Construction Skills Certification Scheme (CSCS |                                       |

| cards)                             |  |
|------------------------------------|--|
| In-house training (not accredited) |  |
| Short courses                      |  |
| Other                              |  |
