## Introduction

This guide is designed to support the use of the ‘Sheffield Two Year Old Funding Portal’. Please ensure that you familiarise yourself fully prior to using the Portal and completing any actions

### Sheffield Two Year Old Funding Portal - Eligibility Checker System (ECS)

Access to this portal will enable providers to:

- Assist parent / carers to submit online applications to check if they are eligible for the two year old Funded Early Learning funding
- Search on assisted applications previously made
- Via the system’s placement notification process, check and receive confirmation from the local authority of eligibility when presented with a two year old funding voucher / reference number.

The online checker will confirm eligibility instantly (for places applied for under the economic criteria). The checker will automatically generate and send an email confirming eligibility or non-eligibility status.

For funding applied for under the non-economic criteria online, a manual check will be conducted by the local authority and we aim to confirm eligibility within three working days.

Existing users of the ‘Sheffield Provider Portal’ located at an approved two year old FEL provider will automatically have access to the portal.

This guide should contain all the information you need to use the Portal, however, should you have any further queries please contact us E-mail: [EYFEL.Census@sheffield.gov.uk](mailto:EYFEL.Census@sheffield.gov.uk)
