## **How to find Moorfoot**

The Moorfoot building (formerly Manpower Services) is located at the foot of the Moor, with the main entrance in a direct line with the street. The easiest way to find Moorfoot is to walk down the Moor, cross the road at the bottom and keep walking between the buildings until you see the entrance. The approximate location of the entrance is marked on the image below.

For people coming into the city from outside, it is approximately 20 minutes walk from Sheffield Station.

## **Bus Services**

Local and National services can be checked with South Yorkshire Passenger Transport Executive Travel Line on (01709) 515151.

## **Parking**

The car park at Moorfoot is restricted to special requirements at the moment. If you require a disabled parking space please contact [moorfootlearning@sheffield.gov.uk](mailto:moorfootlearning@sheffield.gov.uk)

The nearest public car park is the APCOA car park on Eyre Street, Atkinsons or there's a charity car park at the back of Decathlon Sports on Sylvester Street.

You can also find secure cycle stands available for up to 20 cycles and stands for mopeds and motorbikes on the right hand side of the building's car park. These are available on a first come first served basis.

## How to get to the Moorfoot Learning Centre
