

# How we have helped people

## 2017/18

### **Citizens Advice Sheffield is the city's leading advice service.**

Our advisers helped 23,152 people in 2017/18, across the whole city and in all communities.

We have helped more people in the poorest parts of the city. We help as many people in Sheffield as are helped by Citizens Advice in any other major city in England. In this report we provide more information about who we have helped, the issues about which they have asked for help and the outcomes we have achieved.

We have continued to improve and expand our services. We have improved our Adviceline phone service which is now answering 200 calls every week. We have begun offering a webchat service. Our face to faced drop in services have been very busy, often seeing 50 to 60 people every day.

We have introduced new services in partnership with St Luke's Hospice and Disability Sheffield. We are contributing to Sheffield Working, Building Better Opportunities and Work and Health programmes. We help families as part of Building Successful Families. Our service in foodbanks is reaching some of the most vulnerable people. Our services in numerous health settings continue to help people facing serious illnesses. Our service for Deaf people continues to set the standard nationally for work with this community. We work with other partners to help asylum seekers and refugees at the Sanctuary. We have moved our service in Darnall to Darnall Health Centre and in Parson Cross to the Learning Zone. We have improved neighbourhood services in Gleadless Valley and Westfield. We routinely ask clients about domestic abuse.

**Our services are at the forefront of helping many of the most vulnerable people in Sheffield. We tackle poverty and are helping to develop a more inclusive and sustainable city.**

## **We have helped improve public policy**

We have sustained our work to improve public policy. We helped secure major changes to Universal Credit and are continuing to highlight the serious problems it presents to some people. Our work about Personal Independence Payment has led to major changes to this benefit for some people with mental health problems. We have contributed to Healthwatch Sheffield's work about access to services for Deaf people. We have reported about Insecure Employment and the harm this does to some people.

# How you can help us

## **Citizens Advice Sheffield is a charity.**

We provide free, confidential, independent and impartial advice.

Our service is provided digitally, by phone and in person.

Many of the people we help are among the most vulnerable and disadvantaged in Sheffield.

We are supported by over 40 funders.

As well as our paid staff, we have 130 volunteers.
